A QUESTION OFTEN ASKED. Why so many people feel worse after taking pills than before? Trouble is that drastic pills are used. No remedial action is obtained, the bowels are irritated and dreadful constipation follows. In using Dr. Hamilton's Pills you are scarcely conscious of having taken medicine. Although very mild, Dr. Hamilton's Pills do regulate the bowels, stimulate the normal action of the glands, and create neither nausea, griping or violent action. Positively guaranteed for biliousness, indigestion, stomach, liver and kidney ills. For a safe family pill rely on Dr. Hamilton's, 25c per box at all dealers.
