
FLOOD ENDANGERS FAMED TEMPLES

Centuries old Abu Eimbel Temple is surrounded by the waters of the flooded Nile. There is still danger despite some subsiding of the 60-year record flood. It was reported in Cairo Sunday that waters being backed up behind Aswan Dam are lapping 25 yards from the base of the historic temples. A protective dam being built around the temples has hardly started and engineers fear that the backing of any more waters behind the dam at present might endanger the work of saving the temples. New Party Is Formed In Quebec

QUEBEC (CP)—A new political party advocating the independence of Quebec and condemning "without restriction any form of violence and corruption" has been formed.

Dr. Rene Jutras of Victoriaville, Que., president of the new group, said at a press conference here the party will be known as le Regroupement National.

Thirteen of its founding members, including Dr. Jutras, recently quit le Rassemblement pour L'Independance Nationale, Quebec's major separatist party.

Dr. Jutras said the party will hold a founding convention next spring and intends to present candidates for all 95 legislature seats in the next provincial general election, due by 1966.

The president said that anybody wishing to beecome a member will have to sign and adhere to a 10-point manifesto setting out the philosophy and principles of the party.

The Manifesto says the party intends to work for a sovereign and democratic Quebec, a state with a French culture and Christian inspiration.

It also states the party "condemns without restriction any form of violence and corruption" and intends to pursue its goals in "order and dignity."

Other points: The family is the basic unit of Quebec society; the new party will adhere to the declaration of human rights made by the United Nations; it will "treat with justice the cultural minorities of the territory of Quebec."

22 Tribesmen Become Saints

VATICAN CITY (AP)—Pope Paus VI and his cardinals and bishops have approved sainthood for 22 tribesmen martyred in the 19th century by a pagan African chief.

Their canonization in the ceremonial splendor of St. Peter's Basilica Oct. 18 before 2,500 bishops here from around the world for the ecumenical council will emphasize dramatically the Roman Catholic Chorch's stand against racial discrimination.

The 22 Uganda martyrs were the largest group of laymen canonized by the church since the formal declaration of public saints was begun in the year 993. Heretofore there had been only a few black saints, including a fourth-century Ethiopian bishop and a 16th-century Franciscan, the son of African slaves.

Certain features illustrated or mentioned are optional at extra cost.

This is the new "LTD"... the most elegant FORD of all!

This new LTD is limited only by good taste ... it is the ultimate in luxury in the elegant new FORDS.

It is built only as a 4-Door Hardtop. And it begins with the delightful new features you'll find in the other new FORDS. The incredibly silent interiors, where noise is hushed to a murmur. The smooth, limousine ride on soft coil-springs. The many new conveniences ... keys that fit either way up, an accelerator that adjusts to your foot, a swept-away instrument panel. To this elegance may be added an optional vinyl roof covering, giving it the chic of a convertible (with the comfort of a hardtop).

LTD luxury touches include new Silent-Flo ventilation and courtesy-lights in all four doors. Luxurious upholsteries are fitted over deeply-padded seats, and special luxury trim is added ... with wheel covers and roof-line mouldings.

You'll know the new LTD by its distinctive monogram on the side of the roof. But for an unforgettable introduction, your Ford Dealer will be pleased to arrange a Test Drive. Call him today.
