

Panther Prints Personals

SCY:

I hope you had a great trip. Tell me all.

— SCE

Missing: One stuffed chicken.

He is soft, fuzzy, white, slightly overweight, and has a string coming out of his back. Missed very much. If found return to Jen at the Panther Prints.

Jane Lucricia:

If somebody does send you that prince you are going to have to fight for him. I am not letting you have first dibs!

— Princess Charming

TJ:

Look math girl! Your name is in print. See how easy it is. Now it is your turn

— Colleen

Vicky:

I am still amazed about Rudy's performance. Die Todd die! And Kurt's pants still make me light headed.

— CE

Jodi:

Well now, when do you want all your stress to be relieved? I give great massages but first we must do lunch. You know one can't massage on an empty stomach. You know how to reach me.

— Mr. Stress Reliever

Biology Man (aka Darcy Man):

I've noticed you around. You have caught my eye and I think you are cute.

— An admirer

Clancy:

Get well soon, bud! I miss your playful attitude, and the way you way you always try to climb onto my lap.

— Kitten
