VOTERS, ATTENTION.

Revision of the Voters' List.

As the time for making applications to add names to the Dominion Voters' List is drawing near a close, we wish to direct the attention of all qualified voters whose names are not on the list, or those who are registered incorrectly, to the importance of immediate action. It is almost certain that the next Dominion election will be run on the present revision; therefore every man who wishes to have a voice in the affairs of the Dominion should see that he is properly registered. The people of this Province having now had some experience of Grit rule in local matters, should be roused to put themselves in a position to prevent a similar infliction in Federal affairs.

For the convenience of voters, the office of Charles R. Smallwood, Esq., will be open every evening until the 15th, from half-past seven until ten o'clock, where applications will be received for town and country.

City voters can also be attended to at the offices of Æneas McDonald and John T. Mellish, Esqs., during office hours.

GOSPEL TEMPERANCE MEETING in Philharmonic Hall to-night.

AN INTERESTING meeting in the Philharmonic Hall to-night. Don't fail to attend.

GOSPEL TEMPERANCE MEETING in the Philharmonic Hall to-night. It will be interesting and helpful.

PAY UP.—Householders and others interested, are again reminded of the fact that water rates are due.

CHURCH BROKEN INTO. — The Baptist Church was entered by some person unknown during Saturday night, but nothing was stolen. The front door was broken open to effect an entrance.

RESTITUTION MONEY.—Faulkner & Co., agents of the Western Assurance Company at Halifax, have received from Monsignor Carmody $542 restitution money received through the confessional.

TO-NIGHT in the Philharmonic Hall the Gospel Temperance Mission begins at 8 o'clock, conducted by Mr. John McInnis, assisted by the city clergymen. Those meetings will be both interesting and helpful. Come everybody.

POLICE COURT.—This forenoon the Scott Act cases against William Hawkins, Pownal Street, Margaret Callaghan, Sydney Street, and Owen Trainor and John Heber, Lower Queen Street, were adjourned for further evidence.

AN ISLANDER DROWNED.—The Summerside Pioneer says: Word has been received that Daniel McMillan, a native of Granville, and well known in this town where he resided for some time, has been drowned at Puget Sound, in Washington. He was a carpenter and leaves a wife and family in Tacoma in that state.

TO FORM A NEW PRESBYTERY.—We understand that a delegation from the Kirk Synod, consisting of Mr. Burgess, Mr. Stewart, and Mr. Putnam, at the request of Mr. Goodwill, intends proceeding to P. E. I. to form a new Presbytery there. On that occasion two ministers will be ordained there.—New Glasgow Enterprise.

FUNERAL YESTERDAY.—The funeral of the late Daniel Griffith took place yesterday afternoon, and, notwithstanding the inclemency of the weather, was attended by a very large number of citizens. The pallbearers were Judge Reddin, William Dodd, M. P. Hogan, Archibald McNeill, Michael Daly, and Capt John Nichol-son.

THE HORSE TRADE.—The Moncton correspondent of the St. John Sun says: The horse trade with P. E. Island has been quite brisk of late. C. B. Trites, of Moncton, recently made a purchase of four fine animals, and other parties are buying more or less extensively. The demand seems to be more largely provincial than in former years, and prices are better than last year for desirable stock.

DROWNED AT GEORGETOWN.—The six-year-old son of Mr. William Cherry, plasterer, Georgetown, fell over the railway wharf at that place on Saturday afternoon and was drowned. The little fellow was fishing over the side of the wharf, and losing his balance fell over into about twenty feet of water. His brother about eleven years old was with him at the time and made a plucky effort to save him, but failed. The body was recovered about three hours after the unfortunate accident.

'TWAS ALL ON SATURDAY.—Early on Saturday morning, as the schooner Georgie Harold was being brought in from her anchorage to Prince Street ferry wharf, she collided with the Boodler, lying at the west side of the wharf, and broke her (the Georgie Harold's) jib-boom. In the afternoon, as the Southport was coming up to her dock she came in contact with the mainboom of the Georgie Harold, which was projecting over the end of the wharf, and carried it away. Saturday was evidently an "off day" for the Georgie.

THE DAMAGED ELFIN.—Mr. H. C. McMillan, Government Engineer, in conversation with THE EXAMINER to-day said he thought the Elfin would be left where she now lies until an understanding is arrived at between the Government and the owners of the Florida. If the Plant Company fit up the Elfin and leave her in as good condition as she was before the disaster (doing this to the satisfaction of the steamboat inspector) and pay a reasonable amount for loss of time, the matter will be settled out of the courts. He declined to express an opinion regarding the extent of the damage sustained by the Elfin or the possibility of repairing her pending further examination. "You may say," said he, "that men are to-day engaged repairing the damage to the slip, and communication between Charlottetown and Southport is kept up by the steamer Southport, which is running to her own dock on this side. Arrangements are now being made to have another boat put on the Rocky Point and West River route, and she will likely begin work to-morrow."

LOCAL AND OTHER ITEMS.

GOSPEL TEMPERANCE.—The subject for the gospel temperance meeting this evening will be "A God-given vision of the drunkard and drunkard maker."

THEY LIKED THE CHEESE.—The cheese factory at Winsloe Road was entered by burglars last night. After sampling several cheese they selected one and departed.

MASONIC.—Victoria Lodge, No. 2, A. F. & A. M., meets in solemn conclave this evening at 8 o'clock, to confer the first degree. Brethern please be punctual. Strangers welcome.

FROM MONTREAL.—The steamer Coban, Captain Robert Fraser, arrived from Montreal about six o'clock this morning with a general cargo and the following passengers: R L Savage, John Ryan, Rev L Hayden, John Cadwell, John Stowe, Mrs Waugh Mrs Garrett. She left this afternoon for Harbor Grace, Bay Roberts and Salmon Cove with a cargo of produce, etc. Mrs H Y Bartlett and Miss Mary Taylor will be passengers to Harbor Grace and Salmon Cove respectively.

SCOTT ACT IN KING'S.—At Peake's Station on Wednesday, before Stanislaus Blanchard, Stipendiary Magistrate for King's County, Alexander J. Bambrick, was convicted of a first violation of the Canada Temperance Act, and fined in the sum of $50 or two months imprisonment. At Georgetown, on the following day, before the same Magistrate, W. W. Jenkins and Maurice Keough, of that place, and John J. Campbell, of Cardigan, were all convicted of first offences against the Canada Temperance Act, and each was fined $50 and costs or two months imprisonment. The summonses against Mrs. Ledwell, of Georgetown, and John McKenna of Pisquid Road and Edward Campbell, of Montague, were dismissed for the want of evidence.

THE CATHEDRAL BAZAAR.—In the rush of the Bazaar the names of these generous donors were omitted from the lists of acknowledgments: W Harris, $2; W Weeks, $1; J McKenzie, $1; L Harris, $1; J Bagnall, $1; G H Cook, $1; Mr Farquharson, a donation of grapes; A N Large, $1; Mrs A N Large, a cake; Miss Ina McMillan, a cake; Mrs J S Morris, a cake; Miss Bruce, a cake; Mrs Doyle, a cake; Mrs A McDonald, a cake; Mrs R McDonald, a cake; Mrs Samuel McDonald, a cake; Mr. John Crockett, a donation of canned peaches.

The handsome six story fruit cake which was presented to the Bazaar by the students of St. Dunstan's College, and which was won by the Rev. Dougald M McDonald, of Tignish, has been generously handed back by that rev. gentleman to the rector and students of the college. Well done Father Dougald!

TEACHERS' INSTITUTE.—There was a good attendance of teachers at the meeting in the Y. M. C. A. parlor on Saturday evening. The chair was occupied by Principal Miller, of West Kent School. Mr. Ewen Stewart, Secretary of the City School Board, was elected president for the ensuing term, and Mr. Thomas Cullen, of Queen Square School, was chosen secretary. Dr. Leeming was present and gave an interesting talk on drawing. A vote of thanks was tendered Dr. Dorsey and Prof. Robertson for their "talks" last year. The Institute will meet on the second and fourth Saturday of each month, beginning Oct. 27th. A short time each evening will be devoted to the study of music by the Tonic sol fa system, and lessons in drawing will be conducted by Principal McSwain. In order to make the work of the Institute as practical as possible lessons in different subjects will be given and the methods of teaching thoroughly discussed.
