BRIEFS TO BE

Continued from page 1 valled all over the Island. The growers had felt there should be no discrepancy in price and so had set the same minimum in both the inner and outer zones under review.

Commissioner H. B. Chase raised the question of dealers and farmers buying potatoes for storage but was told there was not enough storage space in the Province to permit this on any large scale.

On the question of trucking potatoes to the inner zone it was explained that the average grower had to truck his potatoes for shipment to some rail point anyway and the slight difference involved in taking them a few extra miles was more than paid for by the higher price received when they were sold in the inner zone.

When the question of trucking from the Durrant Harbour area arose, Mr. Durrant suggested that especially in the Lake Verde to Southport area the convenience of trucking at any convenient hour was better than waiting on train schedules.

Mr. Reid further stated: "If we had bought all our potatoes during our years in business in the inner zone we would have had three quarters of a million dollars profit." Commissioner Chase asked, "What profit would you have had if you had bought in the outer zone?"

Revised Rates For Trucking To Remain Unchanged

Queried on the matter of truck rates and the reported refusal of truckers to continue hauling gravel to the paving job on the Georgetown Road, an official of the Department of Public Works and Highways stated yesterday that his Department was not prepared, at this time, to go beyond the recently revised rates which became effective on June 1st.

These rates, which have been published and distributed to all road foremen and contractors, provided for payment of 11 cents per yard mile up to five miles and 9 cents thereafter. Hourly rates for gravel trucks has been raised to \$2.75.

He added that the schedules of other Provinces have been obtained and it has been found that the rates now offered locally compare favorably with any other part of Canada.

French Language Newspapers Protest Proposed Postal Rates

QUBEC, June 6—(CP)—Two French language afternoon dailies, Le Soleil and L'Action Catholique, said today in a joint telegram to Prime Minister St. Laurent and Postmaster-General Rinfret that new postal rates, up for third reading in Parliament, "strike arbitrarily" at them.

Telegrams of protest were also dispatched to the Prime Minister and Mr. Rinfret by Mayor Lucien Borne of Quebec and the Retail Merchants' Association, Quebec section.

Mayor Borne's telegram said the postal increase "does not seem equitable" while the Quebec merchants said it was "unreasonable and discriminatory."

Both telegrams asked that the new rates not be put into effect. Le Soleil and L'Action Catholique said in a three-point telegram drawn up in French:

"1. According to the Post Office Department, the new rate of four cents a pound for the transportation of dailies in Canada would produce annual additional revenue of \$1,000,000, another \$1,000,000 coming from weeklies and magazines.

"2. Of this additional \$1,000,000 revenue, two newspapers, Le Soleil and L'Action Catholique would be called upon to pay nearly 1-4, \$113,000 in the case of Le Soleil and \$120,000 in the case of L'Action Catholique.

"3. If it is considered there are about 100 dailies in Canada, it is evident that the sharing of this new postal rate strikes arbitrarily at Le Soleil and L'Action Catholique."

Political Meeting At Vernon River

Mr. J. Angus MacLean, Progressive candidate in the forthcoming Queens County by-election spoke last night at a well attended and enthusiastic meeting held in the C.M.B.A. Hall, Vernon River.

Mr. MacLean, in his speech, outlined the processes by which democracy has been attained and implored those present to exercise their franchise wisely.

Returning to the City by popular request "Aunt Jemima," well known for her tasty cake mixes, will be at Atkinson's Groceteria on Grafton Street today, tomorrow and Saturday.

During her three day visit "Aunt Jemima" will put on cooking demonstrations of her cake mixes and cake flours. She will share her cooking too, giving out samples to those surrounding her.

"Aunt Jemima" was here last fall and proved a big favorite. Possessed with a jolly disposition and friendly nature she made a big hit with all shoppers who viewed her work.

7 German War Criminals Hanged

LANDSBERG, Germany, June 7 (Thursday)—(AP)—Seven German war criminals were hanged by the United States army early today for the murders of innocent thousands.

The Nazi henchmen who carried out Hitler's policy of racial extermination were hanged behind the heavily-guarded walls of Landsberg Prison, the place where Hitler wrote much of "Mein Kampf."

Three generals, two colonels and two junior officers of the infamous S.S. (Elite Guard) dropped to their deaths after the last of a long series of mercy appeals was rejected last night by the United States Supreme Court.

Gen. Oswald Pohl, destroyer of the Warsaw ghetto and chief administrator of the Nazi concentration camp system which annihilated hundreds of thousands of Jews.

Gen. Otto Ohlendorf, who confessed that extermination units under his command slaughtered 90,000 civilians in the Soviet Union. Gen. Erich Naumann, whose extermination force wiped out 3,530 Jews and Gypsies on the Central Russian front in less than a month.

Aunt Jemima In Person At Atkinson's Again

Returning to the City by popular request "Aunt Jemima," well known for her tasty cake mixes, will be at Atkinson's Groceteria on Grafton Street today, tomorrow and Saturday.

During her three day visit "Aunt Jemima" will put on cooking demonstrations of her cake mixes and cake flours. She will share her cooking too, giving out samples to those surrounding her.

"Aunt Jemima" was here last fall and proved a big favorite. Possessed with a jolly disposition and friendly nature she made a big hit with all shoppers who viewed her work.

Intensive Probe Of Fire In Army Ordnance Depot

OTTAWA, June 6—(CP)—Defence Minister Claxton indicated today the Defence Department is going to unusual lengths to try to find out whether sabotage caused the \$1,000,000 fire which destroyed part of an army ordnance depot here last Saturday night.

Gordon Fraser (PC—Hastings-Peterborough) asked the Minister in the Commons why there was no report in the press of a second fire which broke out "at the far end" of the depot some hours after the first one.

LONDON, June 6—(AP)—The Duke of Windsor, here on a private business trip, today paid a sick-room visit to his brother, the King. The King is recovering from influenza. Later, the Duke called on his mother, Queen Mary, at Marlborough House.

To Put Parking Meters In Operation

Parking meters in Charlottetown will be put into operation on Saturday morning, June 9. It was announced yesterday morning following a committee meeting in the City Hall.

The City will in no way be implicated in the dispute between the two meter companies, Mr. K. M. Martin, City Recorder, has been informed, said Mr. Cox. The meter companies dispute has so far refrained City officials from putting the meters into operation.

TIMMINS, Ont., June 4—(CP)—Fire which during the last five days spread over 10,000 acres of cut brush on the Ontario-Quebec border 60 miles east of Cochrane was reported under control today.

KINGSTON, Ont., June 4—(CP)—Max Gordon Saunders, 54, chief engineer at the Aluminum Company of Canada plant here, died Saturday. Born in Elgin, N. B., Mr. Saunders at one time was assistant professor of engineering at Acadia University, Wolfville, N. S. In 1927 he joined the Aluminum Company and for 15 years was mechanical supervisor of its plant at Arvida, Que.

U. S. Eighth Army, Tougher, Cockier

EIGHTH ARMY HEADQUARTERS, Korea, June 6—(AP)—The United States Eighth Army is tougher and cockier than at any time since the Korean war started 1½ months ago.

The troops are getting cocky because, after turning back two Communist offensives since April 22, the Eighth has battled back to the gates of Chorwon—where they were six weeks ago when the Reds' first spring offensive was touched off.

Since April 22, the Eighth Army has retreated 25 miles, fought its way back and killed or wounded almost 200,000 Reds.

Preparations are being made to have the annual P. E. I. Cancer Drive staged the first week in September. The P. E. I. Division of the Canadian Cancer Society vacated its place in April in 1950 so as not to interfere with other major drives. Likewise the campaign committee is pushing plans this year to have the Cancer Drive over the last week in September.

Considerable progress has been made in Cancer Control in this Province, but the need for education, research and early detection is still great. The modest objective for Cancer Control in this 1951 Cancer Drive is urgently needed.

digging in again with only tank-led raiding parties lashing out at the retreating Reds.
