PRINCE EDWARD ISLAND.

THE Cunard Atlantic Steamers having commenced plying between Liverpool, England, and Halifax, Nova Scotia, a new era is formed in the History of the North American Colonies. This expeditious mode of conveyance will, doubtless, bring to their shores a number of individuals in search of health-ful and fertile locations; and the Advertiser, therefore, solicits such persons, having agricultural views, to visit Prince Edward Island, so justly styled by writers "*The Granary of British North America.*" It is situated in the Gulph of St. Lawrence, and is only two days' travel by Coach and Steamboat from Halifax, N. S. This Colony, with respect to salubrity of climate, fertility of soil, and excellent waters, is second to few, if any, in the British Dominions. The capitalist who determines on emigrating, may here purchase wilderness lands from 15s. to 25s. per acre; or improved Farms, in different sections of the Island, at from £2 to £6 per acre, according to situation, and the value of the Buildings erected upon the property. The soil of this Island produces nearly all kinds of grain, hay and vegetables; and cattle, as well as agricultural implements, suitable to the Colony, can be obtained at moderate prices. There are twelve Agricultural Societies, established within the last few years, actively employed in introducing from different countries the most improved breeds of Live Stock, Agricultural Implements, &c. suitable for the farmer.

To the Emigrant, even though but a small capitalist, Prince Edward Island offers many advantages:—First, its general prosperity, which is sufficiently proved by the increase of its exports, and its steadily improving revenue. Second, a healthy climate. Third, a plentiful supply of good water throughout the whole Island. Fourth, the fertility of the soil, and its freedom from all taxes, burthensome to the Settler. Fifth, the convenience of settlement, whereby the ruinous expenses which are sometimes incurred, by having to travel hundreds of miles, after landing, to a place of location, are almost totally avoided. Sixth, a certain remuneration for the labours of the Agriculturist, by a sure market, and a fair price, for all the surplus produce of his farm. Seventh, the labourer readily meets with employment, and receives liberal wages. Eighth, to the British Emigrant it offers the enjoyment of the benefits to be derived from the laws, language, customs and manners of his native land; and he preserves in himself an identity of interest with that of the parent state. Ninth, Prince Edward Island *is now only thirteen days' travel, by Cunard's line of Atlantic Steamers, from England;* and, if a Colony affording regular opportunities of speedy intercourse with the mother country, and possessing the advantages before enumerated, be desirable, the Advertiser, who has spent twenty years in the Island, thinks he may safely venture to invite such individuals as have resolved, or shall determine to emigrate, to pay it a visit; and should they be induced to establish themselves and families here, in preference to a foreign state, they will have the satisfaction to know that their posterity will be scions of the British Empire.

☞ *To individuals intending to emigrate from England to Prince Edward Island, it may be well to observe, that Vessels are to be found in London, Liverpool, Bristol, Plymouth, Bideford, Newport, Gloucester, Southampton, Hull, Newcastle-upon-Tyne, Yarmouth, and all the principal ports in Britain, either direct for the Colony, or to Pictou, Nova Scotia; or Miramichi, New Brunswick: these latter ports being only a short distance from Prince Edward Island, and, between which and the Island, a Steam Boat and sailing Vessels are generally running weekly during the period of the navigation's remaining open. The charges of transit are moderate.*

For passage, application may be made to Daniel Davies, Esq., Warwick-street, London; Cannon, Miller & Co. Liverpool; J. B. Winters, Esq. Bristol; Messrs. Peake & Son, Plymouth; John Howe, Esq. Bideford; Messrs. Davids & Tapston, Newport; Phillpot & Co. Gloucester.

☞ Persons desirous of purchasing either Improved or Wilderness Lands, are respectfully solicited to apply (if by letter, post paid) to the Advertiser, at his Office, Charlottetown, Prince Edward Island.

WILLIAM DOUSE,
Land Agent.

VALUABLE PROPERTY IN GEORGETOWN.

THE Subscriber is duly authorized to SELL, by PRIVATE CONTRACT, that valuable *ESTATE* in *GEORGETOWN*, known as the Property of John Adams Wood, formerly of the Island of Antigua, but late of London, Esquire, deceased, and now belonging to Margaret Gilbert Wood, his Widow, comprising

Water Lots Nos. 17, 18, 19, 20 and 21, with the Warehouse and Premises situate thereon.

These Lots, from their very eligible situation for Mercantile Business, are too well known to require further description—and will be sold either together or separately, as may be agreed on.

A good title will be given.

JOHN LONGWORTH.

Charlottetown, 18th June, 1840.

THE Subscribers having been duly appointed the sole Agents of DAVID STEWART, Esquire, for his Estates on Lots or Townships Nos. 7, 10, 12, 27, 30, 46, 47, and Lennox Island, beg to intimate, that they are prepared to lease lands, with a liberty of purchasing, and to sell on the most liberal terms; and that all persons indebted to that gentleman, for rent or otherwise, are hereby required to make immediate payment of the same.

H. D. MORPETH,
PETER EMERY.

December 10th, 1840.

THE Subscriber having by the last Packet received full power to sell and convey the Lands on Lot 54, belonging to the Assignees of HENRY WINCHESTER, hereby gives notice, hat he is ready to dispose of the same to the occupiers, or others, on reasonable terms. Dated the 15th June, 1840.

J. H. PETERS.

N. B.----A good title can be seen at the Office of the Subscriber.

Man! Take care that you get a good Title!!!

THE Subscriber cautions any person or persons against having any thing to do with the good title of which J. H. Peters, Esq., speaks in his notice of the 15th inst.

Perhaps, on inquiry, they may find a Sheriff's Deed without a Sheriff—a Sale without an Appraisement, and one of the Executions (for there were two) an Equity of Redemption, which this extraordinary sale was intended to satisfy, of which there is no judgment on record; and the amount of sale was probably sufficient to liquidate a dozen Executions, which appears to be a manifest contravention of the Act.

ROBERT MEARNS,
Proprietor of Township 54.

Cardigan, 20th June 1840.

N. B.—After seven or eight years' prosecution, which I have suffered, standing alone as it were—I think this circumstance argues much in favour of the goodness of my title, particularly considering the weight of the parties opposed to me.

GEORGE BEER, jun.

Charlottetown, Dec. 21st, 1840.

CARD.

W. H. TAYLOR invites persons from the Colonies visiting London, to inspect his machinery, now in operation, for cutting wood into staves, laths, shingles, &c. By this invention, for which Patents for Great Britain and her Colonies have been obtained, a very simple machine, with two horse power, can cut upwards of two hundred staves or shingles in a minute, all, whether the feathered shingles or straight staves, as smooth as if planed or drawn, and without loss of wood or even sawdust. Those who have seen the machinery, admit that it is not only simple and efficacious, and likely to supersede in a great measure the present mode of manufacturing those articles. Mr. Taylor's object is to sell his patent for the various Colonies, or grant licences for its use, and he earnestly solicits those who are concerned in the wood trade, to call and satisfy themselves at the Square Shot Tower, Surrey side of Waterloo Bridge.

London, November 5.

ALL Debts due to the Subscriber for Smithwork, since the 25th November, are requested to be paid to Mr. GEORGE HOOPER.
