Ch'town Pitching Great Is Leaving For Vancouver

By JIM CULLEN
Sports Editor

The pride of Prince Edward Island baseball followers, Vern Handrahan, and the Island's only baseball son to ever perform in baseball's major leagues will be leaving Charlottetown today for Vancouver where he will lineup with the Vancouver Mounties, the number one farm team of the Kansas City Athletics in the American Baseball League.

Handrahan spent a good portion of last season with the Athletics, but when the parent team realized that they were definitely not going anywhere in the American Baseball League they optioned Handrahan out to the Rochester Red Wings. While doing mound duty for the Rochester club he recorded a most respectable 2.24 earned run average and had a record of five and four.

Vern is a hard throwing right-hander who tips the scales at 195 pounds when in top playing condition. Vern spent the last winter performing in the Dominican Republic Winter Baseball League with the Kansas City Athletic's entry in that loop. He returned to his home in Charlottetown a couple of months ago and was wed to the former Ann Bradley of this city. Vern's wife will be accompanying him today when he leaves for Vancouver.

Handrahan is one of the most dedicated athletes this writer has ever come in contact with and he possesses an extremely well balanced set of values. He has been keeping in shape while at home by doing roadwork whenever possible, but the Island's weatherman hasn't been to cooperative with Mr. Handrahan.

The 195-pound chucker won't be attending training camp this season, but will be starting right in with the Mounties when the season gets off the floor officially.

If he is pitching well when he kicks off the season with the Vancouver club he will undoubtedly be getting a call from the parent club for further mound duty in the American Baseball League.

The big, good natured pitching ace got his start in semi-professional baseball when he left the Island to display his talents with Stellarton of the Halifax and District League in 1958.

After his first season with the Stellarton forces he inked a pact with the Milwaukee Braves and he was assigned to class 'D' ball in his first season on the Braves' payroll.

The Kansas City Athletics obtained Handrahan's services from Milwaukee in 1963 and they liked what they saw when he attended their Florida rookie camp. This Charlottetown lad is the son of Mr. and Mrs. Victor Handrahan of 5 Pond Street, and you can bet he will be throwing his heart out when he takes to the mound this season.

With his apparent ability and burning desire to succeed he is likely to find himself back on the Athletic's mound before very long. We say apparent ability because we haven't had the opportunity of seeing Vern pitch competitively since he was a young hurling sensation around Memorial Field.

This writer's most vivid recollection of Vern Handrahan was when the big hurler was a schoolboy at Spring Park and Vern was one of the 'bigger boys' while this writer was just beginning to get a taste of education. Vern was noted at that time for being able to throw snowballs harder and more accurately than any member of the student body.

VERN HANDRAHAN

Handrahan is a modest gentleman not prone to talk about himself and his deeds, which are many, and he credits most of his early success to Charlottetown's Tom MacFarlane who coached Vern during his formative years at Memorial Field.

Meeting For Rangers

There will be an important meeting for the members of Rogers Rangers at the Charlottetown Forum tonight at 7 p.m. sharp in room four.

All players are requested to be on time for this meeting.

Tracadie Nips Fort Augustus

Tracadie defeated Fort Augustus 3-2 at the SDU Rink Sunday to win their best of three semi-finals 2-1 in the CYO Hockey League.

F. MacNally was the big difference in the game as the Tracadie goaltender saved the game for the winners time and time again.

J. MacNally, F. MacDonald and E. Walsh scored the goals for Tracadie with MacNally's counter being the winner.

I. Smith scored both goals for Fort Augustus.

The Tracadie team now meets Corran Ban in the finals. The first game in the finals will be played this Sunday with game time at 8 p.m.

Rangers Blank Moncton Hawks

NEW GLASGOW (CP) — The New Glasgow Rangers blanked Moncton Hawks 3-0 here before 2,556 fans Monday night to take a commanding 3-0 lead in the best-of-nine series for the Maritime Senior Hockey League championship.

Daryl McMillan set the pace with two goals in the first period. The second period was scoreless. Hawks put on their best performance of the finals but couldn't seem to come up with a goal.

The final frame, playing coach Fleming Mackell drove one in for the Rangers at 1:46 to new up the game for the formidable Rangers. A rash of penalties put 10 men off the ice in the hotly-contested final period.

New Glasgow's Lyle Carter stopped 25 shots in making the shutout. Don Larin pushed aside 29.

New London Tops Kensington 7-3

KENSINGTON — New London defeated Kensington 7-3 in one of the roughest games played here this season. Campbell was the main downfall of the Kensington as the New London goalie played a heads up game all the way.

Nelson and Morrison scored hat tricks for winners to assure New London of the win.

LARRY REGAN Has No Intention Of Backing Down

By BOB MacKENZIE

OTTAWA (CP) — Fighting with hockey brass is nothing new to Larry Regan.

The former centre with Boston Bruins and Toronto Maple Leafs of the National Hockey League has no intention of backing down from European amateur authorities in his latest dispute.

Regan was suspended from professional hockey after going to Austria as playing coach of the Innsbruck team.

Now his plan to staff a hockey school with NHL stars this spring in Innsbruck, Austria, has struck a sour note with the International Ice Hockey Federation.

But that hasn't stopped Regan.

"I have commitments with people in Innsbruck, and they have commitments to me," he said Monday in an interview here where he is in the real estate business.

"I intend to keep mine, and I'm sure they will keep theirs."

Regan's trouble started last Friday when IIHF president J. F. (Bunny) Ahearne announced the federation would bar its teams from playing in any rinks that allowed "performance by professional hockey players in any way, shape or form."

Ahearne said the ruling was in answer to a request from the Austrian Ice Hockey Federation for support in opposing the school.

TAKE SIX NHL STARS

Regan plans to take six NHL stars, including right winger Gordie Howe of Detroit Red Wings, to help as instructors at the Innsbruck school after the Stanley Cup playoffs.

Others on his list are goalie Terry Sawchuk, defenceman Tim Horton and right winger Rom Stewart of Toronto, and defenceman Marcel Pronovost and centre Alex Delvecchio of Detroit.

"I'm not sure what the IIHF has in mind," Regan said.

He said he phoned his partner, Dr. Rodolph Wieser, an Innsbruck lawyer, and was told to continue with his plans.

His decision to operate the school was made for two reasons: To show Europeans how Canadians play hckey and to prove that Canada's best players are in professional leagues, not competing in amateur tournaments.

"Some people find it impossible to believe we don't send our best players to the Olympics and world championships. I decided they should get a chance to see some of the pros and judge for themselves."

Regan's troubles with the pros date back to 1961 when Toronto sold him to Pittsburgh Hornets of the American Hockey League.

He decided to retire rather than go back to the minors, but when he decided to play amateur hockey in Europe, Pittsburgh promptly suspended him. The suspension is recognized by the NHL and all other pro leagues but not by the IIHF.

PVI Warriors Topple Flyers

Thursday night the Charlottetown Forum was the scene of a well played hockey game. Jake Kennedy, the Gordie Howe of the Vocational Institute hockey team, scored four goals, including the winner with two seconds remaining in the third period by beating Duck Wooldridge, the Flyers net minder on a beautiful solo effort.

Bob Gallant got credit for PVI's other singleton. Flyers goals were by N. Morrison, Al Gregory, G. MacCallum and G. Vessey

Black Hawks Split Games

By JIM CULLEN

The Chicago Black Hawks took a 4-1 beating from the defending Stanley Cup champion, Toronto Maple Leafs on Hockey Night in Canada on Saturday night, but then bounced back to wallop the Montréal Canadiens 7-0 the following night.

Saturday's night's game was exciting to watch, although, we don't imagine Billy Reay found it much to his liking as Saturday's battle with the Imlach coached forces was a crucial point in the Black Hawks attempt to land their first league championship in the history of the club.

We thought the Hawks made their mistake when they apparently attempted to outbump the Maple Leafs. This columnist feels they haven't got the hitting power for such a task and by even attempting it they are playing into Toronto's hand due to the fact that the Leafs have several members with tired old legs, but when it comes to bumping they have the weight and experience to take the wind out of the Windy City band of pucksters.

In our opinion the Hawks shared a greater margin of play then the 4-1 score indicated, but Terry Sawchuck made several breathtaking saves in the Toronto cabe. Bobby Hull was back in action with the Hawks but he didn't look at all up to par as his terrific skating ability was definitely hampered by the injuries to his knees.

The Hawks apparently took their revenge for their defeat out on the 'Flying Frenchmen' as they blanked the Blakeman Sunday night. Sid Abel's Detroit Red Wings are being touted by the 'wiseones' as the pennant winner at this point in the schedule and we must admit they are enjoying decided advantages but we think the Hawks will come up with some more of that drive that squelched Toe Blake's forces and lead the way to the wire.

Tid Bits From Here And There

Charlottetown Rural Regional High School will meet Queen Charlotte High School in the first game of their best of three semi-final series in the Charlottetown Interscholastic hockey league, tonight at the Charlottetown Forum. Game time is set for 7.30.

St. Dunstan's Varsity hockey team split a pair of weekend games in the Maritime Intercollegiate hockey league. The two games didn't have any bearing on the Red and White team's first place finish in the Maritime college loop. The Kanemen dropped a 10-7 decision to St. Thomas on Friday night and bounced back to topple the University of New Brunswick Red Devils 8-6 at Fredericton on Saturday. Their loss to the Tommies was the only defeat suffered by the Kane coached forces in the elevn gam schedule.

The New Glasgow Rangers look like this year's Maritime Senior Hockey Champs. The Rangers belted Moncton Hawks 5-1 in Moncton, Saturday night to take a 2-0 lead in their best-of-nine series with the Hawks.

We saw a clipping from a Florida paper recently and the people to the south have apparently taken a liking to Charlottetown's Ralph 'Boo' Shepherd. Ralph is playing his hockey out of Fort Lauderdale in the South Florida Hockey League and by all indications is a real super-star in the southern circuit.

Veteran Gordon McTavish of Winnipeg will replace Ron Braunstein on the Canadian rink in the world curling championships at Perth, Scotland, starting next Monday. Braustein skipped the Winnipeg rink to victory in this year's Brier but cannot make the trip because of medical studies.

Canada copped its third consecutive victory yesterday in the world hockey championships which are being held in Finland. The Canadians toppled the United States 5-2 to move into a points-tie with Russia and Czechoslovakia for first place after completion of the third round of the seven-round world hockey tournament.

St. Dunstan's High School took a 1-0 lead in their best of five series with Rogers Rangers for the Charlottetown and District junior hockey league championship. The Saints toppled the Rangers 7-3 in the first game of the series at the Forum, Sunday afternoon.

Canada Defeats Yankees; Tied For First In Tourney

By ROD CURRIE

TAMPERE, Finland (CP)—Al Johnson of Winnipeg scored three goals and goalie Ken Broderick of Toronto allowed his first goals in three games Monday night as Canada defeated the United States 5-2 to move into a points-tie with Russia and Czechoslovakia for first place in the world hockey championships.

The Canadian victory wasn't easy. The U.S. tried desperately to keep the game close and actually outshot the Canadians 39-35.

But Johnson was the big difference when he clicked for two goals in the second period to put Canada ahead 2-0. Canada was leading 4-2 when Johnson got his third goal with just 16 seconds left to play.

Bob Forhan of Newmarket, Ont., and centre Gary Dineen of Montreal scored the two other Canadian goals in the third period, while Paul Coppo and Tom Roe were the American marksmen.

Josef Golonka, Josef Cerny and Jaroslav Jirik each scored two goals in leading Czechoslovakia to a 9-2 victory over Norway. Four of the Czech goals came while Norway was shorthanded.

Only these two games were scheduled in the championship round-robin Monday, and they completed the third round of the seven-round tournament.

Canada, Russia and Czechoslovakia had 3-0 won-lost records and were tied for first place with six points. Sweden was fourth with five points from two victories and a tie.

Broderick, a 22-year-old student at the University of British Columbia, ran up a string of more than 163 minutes of shutout hockey before he was beaten by Coppo at 3:33 of the third period. However, he still has the best record in the tournament.

TWO SHUTOUTS

The Canadian win over he U.S. followed two shutout victories, 4-0 over Finland and 6-0 over Norway.

Three of the top four clubs now have met the U.S., with the Russians scheduled to meet the Americans Thursday. Sweden beat the U.S. by the same 5-2 margin as the Canadians, while Czechoslovakia trounced the U.S. 12-0.

The fourth round in the championships gets under way today with two games scheduled. The U.S. plays East Germany and Finland meets Norway.

Canadian coach Gord Simpson said after the victory over the U.S. that he's "not too happy with the way things are going, but there's no reason to panic."

Canada doesn't meet any real opposition until it plays Czechoslovakia Thursday, and the Czechs are rated one of the toughest teams in the tournament.

"The boys got a little mad with themselves after the Americans scored and they started wandering a bit from what we had arranged," Simpson said.

"But our main trouble is that our timing and passing are still just a bit off."

U.S. coach Ken Yackel, highly delighted with his club, said it was "the best game we've played yet."

"We made mistakes and they cost us goals. We let Johnson break us up three times and three times he scored."

DULL FIRST PERIOD

The Americans held the Canadians about even during a scoreless first period that was on the dull side. Simpson tried experimenting with new lines but the results were ineffective.

The first real Canadian break came when Larry Johnson of the United States drew a tripping penalty at 8:20 of the second period. Just 30 seconds later Al Johnson scored his first goal. He snared a goalmouth pass from Reg Abbott of Winnipeg Maroons and fired a shot that went in from an angle.

The Canadiens had two men inthe pealty box late in the period and the Americans let loose with a barrage of shots. Clever defence work and some smart saves by Broderick kept the gates shut.

Then, with 37 seconds left in the session, Johnson picked up a pass from Dineen and beat American goalie Tom Haugh from 15 feet.

Coppo got the first U.S. goal on a play with Bob Lund on which Broderick didn't have much chance. Coppo took Lund's pass and sped down the middle to end the Canadian goalie's shutout magic in the fourth minute of the third period.

PLAYING FOR TIE

The U.S., obviously playing for a tie, swarmed to the attack again. But the Canadians suddenly assumed the upper hand and struck for two goals in less than a minute, and that was the game.

First Dineen clicked on a play with Forhan at 6:44 Then Forhan, assisted by centre Brian Conacher of Toronto, made it 4-1 at 7:19.

Roe scored the second American goal at 18:40 and then, at 19:44, Johnson hit for his third goal on a play with Jim Mackenzie of Winnipeg.

Broderick totalled 37 saves, easily his busiest game of the tournament, while Haugh stopped 30 shots.

In the penalty department, the Canadian squad drew five of the nine minors in the game.

CZECHS LEAD

Czechoslovakia leads in the competition for the Fair Play Cup, with only eight minutes in penalties, of which six minutes came in the game against Norway Monday. The Russians are last with 36 minutes. Canada has 26 minutes.

The United States, Norway and East Germany all have lost their first three games and are mired at the bottom.

The Czechs pounded Norway's goalie, Kare Ostensen, with 53 shots, while Czech goalie Vladimir Nadrchal was called on to handle only 16.

Czechoslovakia led 4-2 at the end of the first period and made it 8-2 in the second.

Bjorn Eivenes and Christian Petersen scored for Norway, while the other Czech scorers were Frantisek Sevcik, Frantisek Tikal and Jan Suchy. Of the eight minors, Norway drew five.

In the B pool, only one game was scheduled. West Germany downed Austria 2-1 to move into a first-place tie with Poland. Each has three wins for six points.

SUMMARY

First period—No scoring. Penalties— J. MacKenzie 6:33, Nielson 7:27.
