GET SPORTS BANNER FROM THE KING

Members of the Brackley Point Calf Club are seen after they had been presented with the sports banner by King James Gunn of the Rural Youth Fair yesterday afternoon. The banner went to the Brackley club for amassing a total of 15 points in the sports meet held yesterday afternoon on the track at the Exhibition grounds.

Durelle Gets Fight Offer

DETROIT (AP) — Promoter Julius Piazza said Friday he has offered Yvon Durelle $7,500 or 30 per cent of the gate to meet Chuck Spieser in a light heavyweight bout in Detroit Oct. 17 or 24.

Piazza said he upped the ante when Durelle bypassed a previous $5,000 offer. The promoter still is awaiting a reply to his latest bid.

Piazzi's offer followed a challenge Thursday by Joe Spieser, brother and manager of the Michigan fighter, to Durelle. Spieser estimated the fight would draw $50,000 here.

Chuck Spieser, a former Michigan State University and Olympic boxer, was the No. 1 challenger for light heavyweight Champion Archie Moor's crown until he was knocked out by Tony Anthony of New York in a surprising upset last spring. Anthony got a shot at the champion last week in Los Angeles and Moore won by a knockout.

Durelle, the Canadian light heavy champ, drew with Anthony here in what was to have been a prep for the Moore fight. Anthony was groggy and near a knockout in the late stages of the 10-rounder.

NEEDS WIN

Joe Spieser said in challenging that "Durelle needs a good win in the light-heavy division before he can think of taking on Archie Moore," and added:

"Right now a Moore-Durelle fight wou lnd wdta anythingand fight wouldn't draw anything and Moore knows it."

He said Durelle didnt' improve his chances of a championship fight in outpointing German heavyweight Willie Besmanoff in a nationally televised slow 10-rounder in Detroit Wednesday night.

Chuck Spieser has been idle since his knockout by Anthony, but Joe said he could be ready for Durelle in two weeks. He blamed the Anthony loss to "a real bad night," which he said was the first of Chuck's career.

Golf Matches Are Stopped

Due to the fact that the days are getting shorther and the darkness closes in so early in the evenings it has been necessary to discontinue the Five o'clock golf matches for the ladies.

This five o'clock group had a get-together about the middle of the month and prizes for the quickie matches were awarded to winners of twelve events. Prizes for these games were obtained through the generosity of Mr. Thomas Rogers, Club President and Mr. Cecil Dowling the Club Pro.

Curry Comes To Town

Another great all-star wrestling card will be presented at the Charlottetown Sports Arena on Thursday, Oct. 3rd.

As usual a story about one or more of these wrestlers will appear in this column each day. Todays article will be about Bull Curry.

Wrestling fans in the Maritimes know the name of Curry means action, everywhere he appears, new box office records are set and Charlottetown will be no exception.

Bull hails from Hartford, Conn but he's such a big name in wrestling and such a big draw at the box office that he's seldom home. He just recently returned from a torrid trip of the Mid-West and Texas, breaking records everywhere.

His wrestling "technique" usually consists of a hard right hand punch to the wiskers. But he can move fast to he's never still once the action starts and if there ever was a quiet bout in which he was the principal, nobody ever heard of it.

Whereved he goes he perks up the crowd and is such a consistance box office attraction that not a week goes by that he doesn't receive offers for his services from promoters all over the United States and Canada.

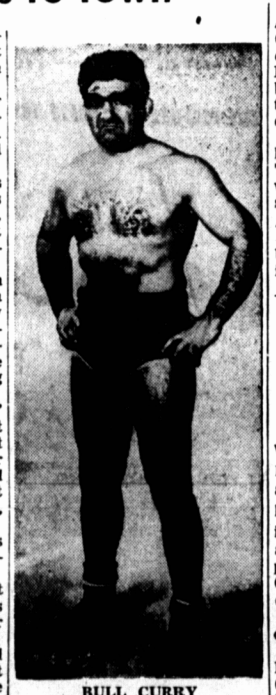
Curry has black curly hair and black, beetling eyebrows that give him a look of an owl. He spreads some 228 lbs. over his well formed body.

When Bull was in Texas, wrestling fans stuck the nickname of "Cactus" on him and he still carrys it wherever he appears.

MIDGETS ARE BACK

Those of you who missed the midgets, the last time they were here, will be pleased to hear that they are back again.

This time a different troupe will perform before Charlottetown fans. They include, Pee Wee James, who is a product of the New England states, Lord Clayton Littlebrook, who comes from London England, Tito Infante, the little Mexican and last but not least, the most hated Midget wrestler of them all Fuzzy Cupid. Fuzzy hails from Providence, R.I. but was reared in Texas among the rough oil men.



BULL CURRY

All in all this should be a wrestling card to delight all kinds of fans. Those who like rough tactics, those who would rather some scientific wrestling, and those of course (which includes almost everybody) who enjoy watching the Midgets in action.

ABBIES ARE GONE

The Charlottetown Abbies left the City last night to continue their battle with the St. Stephen nine. We wish the Abbies good luck on their trip and hope they come home with the Senior Crown.

DOWN THE BACK STRETCH

We had been waiting to hear from Archie Llewellyn, who left here a few weeks ago for Blue Bonnets Raceway, Montreal, and we are greatly delighted to have this letter from him, dated September 22. "Arrived at Richelieu September 5 and stayed there a few days, and then went to Blue Bonnets Raceway and got a job with trainer-driver Alfred T. Day, who has 10 horses, among them the good trotter Topsail, that won in 2.03 this year and is racing tonight at Quebec City in an Invitation Trot.

"He also took up Kahla Key; she was second here in 2.07 in the mud a week ago, and we expect her to win there. I have three in my care — Seatta Chief, p, 2.06 this year; Vicki Rosecroft p, 2.09 this year; and B. E. Hal, a D pacer that can go around 2.10 and was third here last night. Mr. Day is a very fine man, very quiet spoken, and drives a horse good."

We looked up Mr. Day's record for last year and found that he was born in Danville, New Hampshire, and resides in Rochester, N.H., and was 28 years old on February 13, 1957. He won 54 firsts, 51 seconds and 57 thirds in 1956 and his winnings were $47,927 — quite a nice sum of money. Archie went on to write: "There are about 1,000 horses at Blue Bonnets, and they are having good racing but getting lots of rain and only had a dry track two or three days in two weeks. Howard MacKay is here with Ted Genesee, 2.10, and Keppoch Playgirl, 2.10 3-5; she was second last night in the mud in 2.15. Ted doesn't like the mud and was unsteady but will be o.k. when the track gets back to normal.

MORE ISLANDERS

"I was greatly pleased to see H. B. Willis here yesterday, but hope some more Islanders will come along. Your friend Vern Oatway came over to see me and brought some papers with him; he is certainly a friendly man, and he told me that if there was anything he could help me with he would be glad to do it. I see a friend of yours, Bill Gardner, every day; he asked about you and he has a good stable here. Tell Art MacInnis that you heard from me and that Howard MacKay is getting along fine, and we have our meals together. I am a busy man. We race every night and Sunday afternoons, so I haven't much time for anything else.

GOOD PURSES

"The purses are good here; they raced today from $600 to $2,000 per dash, but you have to have a good horse. Sometimes the D pace is won in 2.09, when the track is good. Talking about pari-mutuel betting, they set a record at Richelieu track the last day of the racing there. The attendance was 25,000 paid and a half a million dollars went through the mutuels." . . Thanks Archie, and we hope that you will continue to remember us.

HUNTER'S CORNER

It's A Scant Three Days Till Hunting Season Opens

The morning of mornings is a scant three days distant and hunters have their blinds in readiness. Decoys have received their ye ea rcahlytendhmkcetl their yearly check and the time honoured shooting, iron given a final lubricating. On Tuesday morning ducks, geese, woodcok, snipe (Wilson's) Hungarian partridge and pheasants will be legal game Ruffed grouse season. (Native partridge) opens on October 15th and brant on October 29th. We have thousands of wild-geese with us for the opening morning but with the odd exception they are sticking with the were the 'goose onion' abounds, eel grass beds and on the flats it's a round white object that grows at the root of a certain type of marien grass. Old time hunters called it 'goose grass'.

A few died-in-the-wool goose hunters are by-pahsing the ducks n the opening morning and rigging out in the stubble fields. Scattered flocks of geese are not yet weaned from the stubble and its mealy kernels of golden grain. They'll have to learn the hard way that high living can be dangerous and to be content with the plainer fare found on salt water. We had a top hatch of July black ducks this season and opening morning duck prospects are quite favourable. Reports indicate that quite a few hunters jumped the gun and gave the ducks some advance training on how to avoid getting shot on opening morning. We still have a few highly trained educators along this line and ducks learn fast.

PHEASANTS SPOTTY

Pheasants are definitely spotty. They're as thick as rabbits in a few out-of-the-way swamps and barrens but are away below par on former well frequen-

Track And Field Meet At Memorial Fleid Today

Weather permitting, the Annual Provincial Interscholastic Track and Field Championships will be run off today at Memorial Field commencing promptly at 2.30 p.m.

A larger entry list than ever for today's big meet shows the popularity of Track and Field events in the eyes of our young students and bodes well for a return to the general interest shown by our community in such events during our glorious past when our Island athletes swept all competition before them in Maritime circles. Entries have been received from the following schools:—Prince Street Queen Square, Notre Dame, Rochford Square, West Kent, Central Royalty, Spring Park Parkdale, Georgetown, Queen Charlotte High, Summerside High, and Prince of Wales, Saint Dunstans and Union Commercial Colleges.

The usual competent officals will be on hand to supervise and run off the events today which will feature age races for boys and girls, open events for older boys and girls and, of course, the usual highlights — the Interschool Relay. This is the finale for the track and field season in this Province. There is always plenty of excitement in the many close finishes at these meets so if you want a real afternoon's good, clean entertainment and an opportunity to encourage our young athletes be on hand today at Memorial Field at 2.30 p.m.

Toronto At Ottawa Today Looking For First Victory

By THE CANADIAN PRESS

Ottawa Rough Riders play host to Toronto Argonauts today, but much of their attention probably will be focussed on he other Big Four football games scheduled.

Riders are tied with Montreal Alouettes and Hamilton Tiger-Cats for the league lead. Alouettes and Tiger - Cats clash in Hamilton, and Rough Riders may be excused if they hope their contenants of the top spot knock each other silly.

Ottawa has a good chance of keeping a share of first place. They've won their last six games with Argos—winless in six games so far this season.

ALL FOUR PLAY

Senior Ontario Rugby Football Union action has all four teams in action today. Sarnia, tied for first place with London, plays at home to the winless Toronto Balmy Beaches. Second - place Kitchener plays in London.

Two intercollegiate exhibition football games are set for today as well. At Kingston, Queen's Gaels take on the heavy McGill University Redmen, while at Guelph, Ontario Agricultural College Redmen play at home to the University of Western Ontario Mustangs.

AERIAL ATTACK

The Ticats are talking of an aerial offence for the first time this season. End Paul Dekker returns from the injured list, and Ray (Bibbles) Bawel, another import, makes his debut at the other end post. The pair will give quarterback Bernie Faloney two agile pass targets.

Jack Sandford Wins 19th; Yanks Defeat Red Sox

PHILADELPHIA (AP) — Jack Sanford gave up only six hits in winning his 19th game of the dying season as the Philadelphia Phillies defeated the Brooklyn Dodgers 3-2 Friday night. Billy Harris, from Dorchester, N.B., was the loser. He was relieved in the eighth.

Willie Jones ninth homer of the year in the sixth provided the winning margin and enabled the Phils to even their won-lost record at 76 for the season, with only two games to go.

Sanford held the Dodgers score less until the ninth when Gino Cimoli doubled and Sandy Amoros drilled his seventh homer over the right field wall. The only other time Sanford was in trouble was when loser Bill Harris, Junior Gilliam and Cimoli hit successive singles with one on in the sixth Sanford then got Elmer Valo and Gil Hodges on flies.

MILWAUKEE (AP) — Righthander Lew Burdette tossed a four-hitter and Andy Pafko and Del Crandall backed him up with solo home runs Friday night as the National League champion Milwaukee Braves defeated Cincinnati Redlegs 2-1.

In addition to the victory the Braves also posted a new National League season attendance record when a crowd of 23,676 pushed total attendance to 2,145,926. The Braves held the old mark of 2,131,388 set in 1954, the second year the club was in Milwaukee.

It was the 17th victory for Burdette against nine defeats, and the 17th victory for the Braves over the Redlegs who have won only three games from Milwaukee this year. Burdette now has beaten the Redlegs six times this year while losing to them only one.

CHICAGO (AP) — The second-place Chicago White Sox, playing on the string, defeated Cleveland 2-1 Friday night, eliminating Tribe hopes for a first division finish.

It was the frst time the Indians had finished out of the money since 1946.

Southpaw Jack Harshman making his first start in over a month, limited Cleveland to six hits and struck out nine to even his record at 8-8.

ST. LOUIS (AP)—Eddie Hass' pinch double in the eighth inning highlighted a two-run rally that sparked Chicago Cubs to a 3-2 victory over St. Louis Cardinals Friday night.

Trailing 2-1 in the eighth, the Cubs made three hits good for a pair of runs. The victory jumped the Cubs out of last place and into a seventh-place tie with the idle Pittsburgh Pirates.

Jim Brosnan, in relief if fireballing rookie Dick Drott, was the winning pitcher. He pitched three hitless innings and allowed only one base-runner on a walk. Lynn Lovenguth, recalled Sept. 1 from Omaha of the American Association, suffered his first defeat of the season.

WASHINGTON (AP) — Roy Sievers crashed his forty-second home run for Washington Senators Friday night, one of five hits off Skinney Brown, but Baltimore walloped Washington, 7-3. It was the Senators' 15th loss in their last 18 games and assured them of an eighth place finish.

Sievers hit his homer for Washington with two out in the first inning. It was the only hit winner Skinny Brown allowed until Julio Becquer got a pinch single in the eighth.

BOSTON (AP)—Rifle - armed Bob Turley surrendered only two hits in seven innings and Harry Simpson drove in four runs Friday as New York Yankees flexed their world series muscles in a 10-2 victory over Boston.

Turley appeared sharp in his tuneup for Milwaukee Braves despite chill winds as he struck out eight and walked four. He allowed Billy Consolo's fourth homer in the second inning and Marty Keough's first major league hit—a sixth inning single.

Riders Behind Eight Ball Weekend Outlook Is Bleak

By THE CANADIAN PRESS

Frank Filchok's Saskatchewan Roughriders are behind the eight ball.

The Riders, touted in pre-season speculation as the threat to the national champion Edmonton Eskimos, are six points and three wins away from the third and last playoff spot in the Western Interprovincial Football Union.

And the weekend outlook is bleak.

First: Riders must meet the league - leading Eskimos at Edmonton in the only WIFU game Saturday night.

Second: Bobby Marlow and Ken Carpenter, both outstanding halfbacks, are doubtful starters.

Third: In one of the two games Monday Saskatchewan visits Vancouver for a go at the British Columbia Lions who should be desperate after losing eight straight.

Meanwhile, Eskimos have received good and bad news.

The good is that fullback Normie Kwong, half Ken Hall and quarter Don Getty will be ready for action Saturday.

The bad is that Half Rollie Miles re-injured his right knee in pactice Wednesday and his pulled knee ligaments will keep him out of the game Saturday night.

COULD BE BIG NIGHT

The league lead could be at stake in the second game Monday night when Edmonton is in Winnipeg to take on the Blue Bombers.

An upset win by Saskatchewan at Edmonton on Saturday night would set the stage. Edmonton now is two points ahead of Winnipeg.

Two points behind Winnipeg are Calgary Stampeders, who lost four straight before winning 22-21 over British Columbia in Calgary Wednesday night.

A apri of Saskatchewan losses this weekend would drop Riders into a last-place tie with Lions.

Lions, with only a slim mathematical chance of qualifying for the playoffs, have begun to think about next year. Half Bill Roberts, a former Dartmouth College player cut by Green Bay Packers of the National Football League, has been signed.

Giardello Beats Young Bob Lane

CLEVELAND (AP) — Joey Giardello toyed with Bobby Lane of Miami for six rounds Friday night at the Cleveland Arena, then unleashed a barrage of punches that sent the 23-year-old Florida fighter reeling to a technical knockout at 2:25 of the seventh round.

Giardello, from Brooklyn, weighed 161 and Lane 159.
