LADIES appreciate Anti-Dandruff from the fact that it not only thoroughly removes dandruff with three applications, but stops falling of the hair, restores fading hair to its original color, and makes it soft and pliable without leaving any indication of a dressing being used. Clear as crystal, clean to use, it is a valuable toilet preparation.

INQUEST.—An inquest was held yesterday before Dr. McLeod, coroner, in view of the body of John Cahill found drowned in Scott's mill pond at Kingston on Monday. The evidence showed that Cahill had been melancholy for some four weeks past, and was last seen alive standing by the side of the pond on Friday last. The verdict of the jury was in effect that Cahill drowned himself while laboring under a fit of temporary insanity.

BACK FOR FUMIGATION.—Five Swedish emigrants, four males and one female, arrived at Halifax the week before last. They remained in the city for one week and then started for Bangor, Me. Upon their arrival at McAdam Junction, the ever-vigilant Yankees, upon ascertaining that their baggage had not been fumigated at Halifax, ordered them back. After their arrival at Halifax their baggage was fumigated and they departed Saturday for their destination.

SEWERAGE FOR SUMMERSIDE.—At the last meeting of the Summerside Town Council, Mr. Hunt brought up the matter of sewerage. He read a letter from Col. Waring in which that gentleman said the cost of a plan and survey would be \$560, and after the plan was made the work would not cost more than \$30,000; indeed if the conditions were as favorable as it was thought they were, the Col. hoped, with a good man in charge, to bring the cost down to about \$25,000.

FACTS

are the foundation of our advertisements. They are likewise the ground floor and second story.

FACTS are indisputable, so are our advertisements. Facts need not be discounted, neither need our advertisements.

We deal in Dry Goods, Millinery, Fur Goods and FACTS.

To-day we ask your attention to some:

FACTS about FURS.

Persian Lamb is as popular as ever, the result, doubtless, of its splendid wearing qualities. In Capes, Muffs, Collars or Caps it makes a most serviceable and acceptable present.

Beaver also retains its hold in public favor, owing to its beauty and soft warmth. Bear and Sable, in Muffs and Collars, are very fashionable.

Astrakhan, in Jackets, Muffs, Capes and Collars, continues in great demand. Less expensive than the furs just named, it is nevertheless very popular, and forms a splendid Xmas Box.

Opossum, for Misses' Muffs and Collars, is the leading fur.

Grey Lamb is also used for Caps, Collars and Muffs.

As we make a specialty of Fur Goods, our stock will be found very large and complete.

We keep the quality up and the prices down.

That's why we do the trade.

His subject will be "A Trip Through Europe," and will be illustrated with stereoscopic views. The lecture will be exceedingly interesting, and there should be full house.

SHOOTING ACCIDENT.—This morning two little sons of Mr. P. S. Brown were sent to school at the usual hour. Instead of going to school, however, they went to Belvedere on a shooting expedition. In the excitement they were brought into town—one with a revolver bullet in his hand and the other with a flesh wound across the palm of the hand. Dr. Warburton is in attendance.

A GOOD PROGRAMME.—Invitations are now being sent out for Miss Russell's entertainment which is to take place on Wednesday evening 21st. The price of admission is 25 cents, by invitation. This course is necessary owing to the fact that the hall holds only a limited number of people. Tickets may be obtained at the door on the evening of the entertainment. A French play, "Les Cousins," by the cantata, A Garden of Sleeping Flowers, piano solos by Miss Vere Hyndman, Miss Heywood, Miss Katie McLean, Miss Winnie Jenkins; vocal solos by Mrs. E. H. Norton and Miss Kate Hyndman; and cornet solos by Mr. Fletcher will make up one of the choicest programmes presented to the public this season.

CANADIAN ART AT CHICAGO.—The executive commissioner for the World's Fair has received information from the secretary of the Royal Canadian Academy to the effect that the academy exhibition, from which pictures will be selected for the Canadian Art Exhibit at the World's Fair, will be opened in the Art Association Gallery, Montreal, on the 28th February, 1893. The gentlemen who have been chosen to form members of the Selecting Committee, appointed by the academy, are: Robert Harris, William Brymner, Montreal, and H. R. Watson, Oshawa, Ont. Mr. Harris has been selected as one of the Hanging Committee to place the pictures in position in Chicago. Preparations are also being made for an exhibition to be held in Toronto under the auspices of the Ontario Society of Artists, but the date for this is not yet announced.

PENNY READINGS.—The "Readings" in St. Paul's Schoolroom last evening were a decided success. Hon. L. H. Davies occupied the chair. The programme was carried out in a very pleasing manner. The children's chorus was very well rendered. Mrs. Norton sang in her usual sprightly style. Miss Millie Palmer is quite an addition to our soloists and we hope to hear her again in the near future. Messrs. Davison and Cooke were at their very best, both of whom are one always glad to hear. The piano solo by Miss Amy Moore showed good execution and altogether was played in an admirable manner, and Miss May Palmer's selection was very much enjoyed. We must not forget the piece of the evening "Curfew must not ring to-night," rendered by Miss Gertrude Davies a manner worthy of professionals. Mr. George Peake delighted the audience in his humorous piece taken "Handy Andy." The choruses were well performed under the leadership of Rev. Mr. Hamlyn. The entertainment was brought to a close with the National Anthem. The piano used was kindly loaned by Messrs. Willis Bros., and the thanks of the Society are tendered to all who took part in any way contributed to the successful evening.

Basket Social.

Crapaud Hall was the scene of a very pleasant time on Tuesday evening, December 6th, when an entertainment and basket social was held. At 7 o'clock the hall was packed and a number of seats had to be brought from the schoolhouse.

At 7.30 our popular ministers, Revs. Mr. King and Ives, arrived, and Mr. Ives was promptly voted to the chair, and after a few remarks opened the meeting. The following programme was then carried out in a highly creditable manner:

At the close of the entertainment O. B. Wadman auctioned the baskets. The bidding was lively and a large number of the baskets were quickly disposed of, netting the handsome sum of forty dollars, the proceeds to purchase a library for the Crapaud Corner Sabbath School.

After ample justice had been done the good things provided, a vote of thanks was tendered the ladies who worked so energetically to make the social a success.

A vote of thanks was also tendered the people of Victoria and Hampton for kindly assisting, and a vote of thanks to the chairman closed one of the most successful basket socials ever held in this part of the country. The night was charming, and you could hear the merry voices mingling in the midnight air as we wended our way home. Oh, what a delightful time we had.—Cont.
