FOUL PLAY.

By Charles Reade.

CHAPTER XX.

Hazel thought her reason was going; and

instead of looking at the men's eyes, it was

hers he examined. But, no; the sweet

cheek was white, the eyes had a fearful

hollow all around them, but out of that

cave, the light hazel eye, preternaturally

large, but calm as ever, looked out, full of

fortitude, resignation, and reason.

"Don't look at me," said she, quietly;

"but take an opportunity and look at them.

They mean to kill me!"

Hazel looked furtively around; and, being

enlightened in part by the woman's intelli-

gence, he observed that some of the men

were actually glaring at himself and Helen

Rolleston in a dreadful way. There was a

remarkable change in their eyes since he

looked last. The pupils seemed dim-

inished, the whites enlarged; and, in a word,

the characteristics of humanity had, some-

how, died out of those bloodshot orbs, and

the animal alone shone in them now—the

wild beast, driven desperate by hunger.

What he saw, coupled with Helen's posi-

tive interpretation of it, was truly sicken-

ing.

These men were six, and he but one.

They had all clasp-knives; and he had only

an old penknife that could be sure to double
