Mr. Branscomb's home is in Chipman, Queens Co., N. B. It was there that a representative of the Groder company, called upon him, Sept. 1st, of the present year. His greeting, was most cordial. He gladly acknowledged his thanks, giving expression to the following statement:

"It is five years since I first became afflicted with a form of indigestion. Last winter it became more severe, developing into chronic diarrhoea. I cannot tell you how much I suffered for SIX LONG WEEKS. It seemed as though relief could not be found. You will remember how I told you of my condition and asked your advice about taking a bottle of GRODER'S SYRUP. You told me that the medicine was a laxative and might not meet my needs. I delayed buying for a few hours until I began to hope that it would help me. Even my clothes seemed a burden because of bloating of stomach. It was with difficulty that I kept about sufficiently to attend to my business. But I am a well man now from the use of your remedy. In three days after I bought GRODER'S SYRUP the terrible pain and distress across my stomach were removed. My bowels rapidly assumed a natural, healthy condition. Now I eat and drink as well as I ever could. I have gained constantly in flesh since March last. I am perfectly cured. It seems a duty for me to state my case fully, that others who suffer as I did may know where to find a cure."

Deservingly Popular. Our readers have no doubt read with interest the dispatches almost weekly appearing in this and other Canadian journals regarding cures of a most startling nature made by Dodd's Kidney Pills. These pills have proven themselves to be a certain cure for all diseases of the kidneys and blood, such as lachache, rheumatism, Bright's disease, diabetes, dropsy, etc.

Enquiry amongst local druggists elicits the facts that they have a very large sale and are an infallible cure for kidney disorders. Dodd's Kidney Pills are manufactured by Dr. L. A. Smith & Co., Toronto, and are sold everywhere, or by mail on receipt of price, 50 cents a box, or 6 boxes for \$2.50.

A man in Nova Scotia was in doubt as to the genuineness of the reported cure of Mrs. Broad Maguire and ex-Councillor Lingley, of Peteraville, Queen's Co., by a course of Dodd's Kidney Pills. He wrote to Dr. L. A. Smith & Co., Toronto, and they promptly assured him that the testimonials were genuine.

Here and there, in almost every town of our province, are "chronic" cases over which doctors disagree; cases that become worse year after year. It is to reach such that the gentleman to whom these lines refer, and whose portrait is here given, has written the story of his case.
