Cynical philosophers say that the last man to whom you should look for help is the man on whom you have conferred substantial benefits. Hard as it is on humanity, this aphorism is borne out by the experience of the Duchess of Santonna, who died recently in the deepest poverty at Madrid. She spent a fortune in charity, her gifts for half a century back being of the most generous description. On one occasion, hearing that a noble Spanish lady was about to sell her jewels to pay a debt, the Duchess sent her a check for $200,000. She died in want, and none of those to whom she had given abundantly thought enough of her to see that her days were ended in comfort.

ENDORSES DR. ROSE.

A Quebec Physican who Corroborates Dr. Rose's Opinion.

PORTLAND, Dec. 3.—The letter of Dr. A. G. McCormick, of Richmond, Que., testifying to his complete and permanent cure from Bright's Disease by Dodd's Kidney Pills, has been read with much interest here, supporting as it does the recent letter of Dr. E. A. Rose, of this place, who was cured of Diabetes by the use of these pills. Of course no furthe corroboration of the curative qualities of Dodd's Kidney Pills was required other than the testimony of Dr. Rose, but it is a satisfaction to know that other medical men are able to join the Dr. in testifying to the worth of the pills from personal trial.

Mistress—Did anyone call while I was out?

New Girl—Yis, mum; Mrs. Wayup called.

Mistress—Did she seem disappointed when you said I was not at home?

New Girl—Well, she did look a little queer, but I told her she needn't get mad about it, 'cause it was really true this time.

No one need pity you if you die of consumption, without having tried Miller's Emulsion of Cod Liver Oil, "the kind that cures" coughs, colds, bronchitis and all pulmonary diseases Every bottle warranted. No oily taste like others. In big bottles, 50c. and $1.00, at druggists.

Once give your mind up to suspicion and fear, and there will be sure to be found food enough for it. In the stillest night he air is filled with sounds for the ear that is resolved to listen.

I am not sure I ever told you what a safe and excellent, as well as palatable cure for Coughs, Colds, Consumption add all Wasting Diseases is made in Halifax, Nova Scotia. If not, let me now say that there is no other Remedy quite as good for these ailments as PUTTNER'S EMULSION I need not enlarge—a word to the wise is sufficient—remember it is PUTTNER'S EMULSION—for sale in your town by all the first-class Druggists, in large eight ounce bottles for 50c.

Mrs. Mallersby—I wonder why they make women's theatre hats so high?

Mr. Mallersby (with bitter significance) —So they'll harmonize with the bills, I suppose.

Nervous debility, general debility, then consumption; step by step, that's the way hey go. Take a course of Hawker's nerve and stomach tonic, the greatest nerve and brain invigorator, blood builder, appetizer and digestive aid ever discovered, ere you, too, reach the final step.

He—I can never get further than the first chapter of one of "Mrs. Maffin's" books.

The Authoress—Sir, "Mrs. Maffin" is my nom de plume. I wrote the books!

He (calmly)—As I was saying, I can never bring myself to leave the beauties of the first chapter and go on with the rest.

Neuralgia and toothache are speedily relieved by a free application of Dr. Manning's german remedy, the universal pain cure.

Miss Caustique—So you are engaged to that Mr Atkinson, are you? Now, tell me honestly, what can you see in him that distinguishes him from all the other men in the world with whom you have ever met?

Miss Passee (with unlooked-for frankness) He asked me to be his wife.

Dumps—I'm glad I am living in this age notwithstanding all this talk about future progress.

Crumps—How's that? I thought you were a firm believer in the millennium.

Dumps—Well, here's a German statistician that has knocked that thing sky-high. He calculates that 3,000 years hence there will be 22 women for every man.

Ask your tailor to show you the celebrated "*tyke*" Serge. You will know the genuine by the word "*tyke*" stamped on every 2¼ yards.

"Who trew de brick at Gilhooley?'

If the new comer doesn't feel like treating he replies:

"Faith, I did not."

Then his interrogator observes:

"Ye lie, ye mud thummper."

And then the battle begins.

Priestley's Dress Fabrics

In the long run it is the quality of the material that will determine the success of a lady's costume. Every lady who has at all studied the matter knows this. Priestley's Black Dress Goods are the best that the market affords. That is conceded on all hands. The ladies of Great Britain cordially acknowledge it. The American ladies prefer Priestley's dress fabrics to French. Our Canadian ladies are now asking for them. They wear better than other goods; but their great charm consists in a peculiar richness and softness of appearance, and a flexibility which enables them to drape in the costume with that suggestion of flow and rhythm which it is the dream of all tasteful women to realise.

See that the goods you buy are stamped "every five yards" with "Priestley's name." No others are of their manufacture

Castoria is Dr. Samuel Pitcher's prescription for Infants and Children. It contains neither Opium, Morphine nor other Narcotic substance. It is a harmless substitute for Paregoric, Drops, Soothing Syrups, and Castor Oil. It is Pleasant. Its guarantee is thirty years' use by Millions of Mothers. Castoria destroys Worms and allays feverishness. Castoria prevents vomiting Sour Curd, cures Diarrhœa and Wind Colic. Castoria relieves teething troubles, cures constipation and flatulency. Castoria assimilates the food, regulates the stomach and bowels, giving healthy and natural sleep. Castoria is the Children's Panacea—the Mother's Friend.

Castoria.

"Castoria is an excellent medicine for children. Mothers have repeatedly told me of its good effect upon their children."

DR. G. C. OSGOOD, Lowell, Mass.

"Castoria is the best remedy for children of which I am acquainted. I hope the day is not far distant when mothers will consider the real interest of their children, and use Castoria instead of the various quack nostrums which are destroying their loved ones, by forcing opium, morphine, soothing syrup and other hurtful agents down their throats, thereby sending them to premature graves."

DR. J. F. KINCHELOE, Conway, Ar

Castoria.

"Castoria is so well adapted to children that I recommend it as superior to any prescription known to me."

H. A. ARCHER, M. D., 111 So. Oxford St., Brooklyn, N. Y.

"Our physicians in the children's department have spoken highly of their experience in their outside practice with Castoria, and although we only have among our medical supplies what is known as regular products, yet we are free to confess that the merits of Castoria has won us to look with favor upon it."

Guilty or Not Guilty?

We plead NOT GUILTY to the charge of attempting to shirk a portion of the 27½ per cent. duty on American Ranges by undervaluation.

GUILTY, we believe, of having sold more Ranges this season than any other firm in the city.

MOST GUILTY of selling the best and most satisfactory Range ever offered to the people of P. E. Island.

P. S.—We take this opportunity to thank the friend who so kindly interested himself in our behalf, by bringing to the notice of the customers the fact of our selling Ranges so cheap as to lay us under the suspicion of having undervalued them; but we quite understand his mistake, because he is evidently paying a great deal more for an inferior article.

"MAKE HENS LAY."

Such is the caption of an advertisemen that appears not only in the local, but many leading agricultural papers, and which suggests the propriety of a few thoughts upon the subject. It may be laid down as a rule that most people indulge in raising poultry not for the pleasure it gives, but for the profit that is realized from the same, which must come from young chicks or eggs, and since the chicks must come from the eggs, the real profit may be traced to egg production, so the advice given in these words is of vital consequence to the poultry raisers. "The advertisement referred to recommends Sheridan's Condition Powder to make make hens lay, and so do we," says Mr. A. F. Hunter, poultry editor of Farm-Poultry. A hen to lay prolifically must be in perfect health, must be in condition, and here is based the true theory of the value of Sheridan's Condition Powder—it promotes the general good health of the fowl, gently quickening digestion, and stimulating all the various organs of the body as well as the ovaries, to perform their functions." At this season of the year the use of Sheridan's Condition Powder is very valuable for laying hens and young pullets. By its use now they will get to laying earlier when the price for eggs is very high. I. S. Johnson & Co., Boston, Mass., the only makers of Sheridan's Powder, will send for 50 cents two 25 cent packs, five packs for $1.00; or for $1.20 one large two pound can of Powder, postpaid; six cans $5.00, express prepaid. Sample copy of the best poultry magazine free.

The latest with the swell young man is to send his adored one a "symphony in bon-bons"—pink, lavender, yellow, or whatever is her favorite color.

COD LIVER OIL has long been known to the Medical Profession as perhaps the *best single remedy* for CONSUMPTION and other Wasting Diseases—but most sick or ailing people have an unconquerable aversion to it, *in its crude state.*

The Hypophosphites of Lime and Soda are only second to COD LIVER OIL in their curative effects in the above complaints. In PUTTNER'S EMULSION the Oil, while retaining all its medical virtues, is completely disguised both from eye and palate, so as to be agreeable to the most delicate stomach, while its curative effect is enhanced *one hundred per cent.* by its scientific association with the salts of Phosphorus.

For sale by all Druggists at 50 cents a bottle.

Let me quote you prices on BLANK BOOKS which you will require for the first of the year.

We can supply you Bill Heads, Letter and Note Heads, Receipts, etc., lower than any other firm in the city. This is beyond doubt. My offer for Bill Heads at $2.75 per thousand will remain open during this month.

WHAT WE CAN'T GET.—As we intend making a change in our business we are going to let the Court collect those old accounts that "we can't get." We've asked for them often. But the polite invitation to "call again" is monotonous to our ears. So don't be surprised, for WE MUST HAVE MONEY.
