Vangale, who has just returned from the Congo country, states in an interview that he believes that he himself is the man described as the "White Pasha," and who is said to have been seen in the Bahr-El-Gazelle district. He says that at the beginning of the year he had a number of conflicts with the natives in the direction of Bahr-El-Gazelle. Capt. Vangale's description corresponds with that of the "White Pasha" as given by the natives who reported his presence in the district.

This is believed to be the occasion of Mr. Spargo's visit to his native land. It is stated that the amount involved is half a million sterling, the income from which would be a sensible addition to the pay of a Methodist country parson." Mr. Spargo returned in the Peruvian from England on Sunday, and registered at the Albion Hotel. He left for home yesterday morning. Mr. S. is one of the young English Methodist clergymen brought out here some years ago. It is said he will settle here.—H. Z. Recorder.

Referring to the candidature of Mr. R. S. White, editor of the Gazette, of Montreal, the Toronto Mail says: "It is more than probable that Mr. R. S. White, the eldest son of the late Minister of the Interior, will represent Cardwell in the House of Commons for the remainder of the present parliament. Mr. White is a young Canadian, and it is pleasant to see the young men coming to the front. He has in addition to that recommendation numerous qualifications. He is thoroughly posted on all political questions, and he will bring to the performance of his parliamentary duties a good heart, a fine intellect, and a store of sound common sense. If a Conservative and a non-resident is to be elected, Mr. White is the man who will do honor to Cardwell."

RACING AT HALIFAX.

Island Horses Ahead in Both Races

BLACK PILOT'S SPLENDID WORK.

HALIFAX, Sept. 20.

About 2,500 people were at the Riding Grounds to-day to witness the trotting stallion race. There was no excitement, except at the conclusion of the second and third heats, when there was a little anxiety lest one of the horses should be distanced. Four horses started:—

Black Pilot, Charlottetown. Slipp's Melbourne King. McLeod's Hernando. Rood's Highland Chief.

The horses came in in the order named in the first heat. Time, 2:39.

In the second heat Highland Chief and Hernando were distanced; Time, 2:30; and Melbourne King only escaped being distanced by a few yards.

The last heat was raced, Black Pilot winning as he liked, in 2:32.

This is the best time made on a half-mile track in the Maritime Provinces, and was only beaten on a mile track at Fredericton some years ago.

Black Pilot did not break once in the second or third heat.

In the three-minute races, Telephone, owned by McKie, of Charlottetown, won in three straight heats, Gideon being second. The best time was 2:47.

Why Postponed?

OTTAWA, Sept. 20.

It is understood that the indefinite postponement of the Newfoundland negotiations was owing to a recent intimation from the Canadian Government that it was not desirable to hold any conference, unless a reasonable unanimity prevailed in Newfoundland. The Government are said to be in possession of recent despatches, showing that the Newfoundland delegates have acted on the suggestion, and will await a more favorable opportunity before making overtures to Canada.
