Growers Prove Green Cross Potato Protection Increases Yields—Pays for itself over and over

YEAR after year Green Cross users have reported increased potato yields due to Green Cross potato protection. Too, Green Cross users consistently take a big share of Winter Fair potato honours. You can get *quality* and *quantity* with Green Cross potato protection.

5% DDT BASI-COP DUST. A combination insecticide-fungicide for the complete protection of potato crops against all common potato pests including early and late blights, Colorado potato beetles, flea beetles and leaf hoppers.

3% DDT DUST. Micronized* DDT for the control of Colorado potato beetles, flea beetles, leaf hoppers and other pests. If you prefer to use a stronger dust, ask for 5% DDT DUST. Also Micronized*.

DAY-LITE DUST. For early and late blights. Because it is a neutral copper, dampness or dew not necessary for it to be effective. Can be used *any time*.

SERVE IN THE CANADIAN ARMY ACTIVE FORCE WITH THE

27th Canadian Infantry Brigade Group

Canada is a magic word of freedom in many lands under the dark shadows of oppression. To keep this country free — to keep hope for a free world alive everywhere, we must help to discourage armed aggression wherever it threatens. This is our best hope for freedom — for world peace.

Thousands of Canadian men have joined the Active Force to make sure that we are able to discourage any threats to our way of life. We must *all* play our parts to make sure that Canada *remains* a bright word synonymous with — FREEDOM.

MEN ARE NEEDED IMMEDIATELY FOR

Signal Corps — Linesmen, teleprinters, telegraphers — tradesmen to help keep the Army communications system operating.

Service Corps — Automobile mechanics, drivers, butchers, cooks, stenographers and many other trades to keep our Army mobile and well supplied.

Medical Corps — More doctors are urgently needed; also men who have qualified or who would like to train as specialists in X-ray or laboratory techniques, as Nursing Orderlies, or Operating Room Assistants.

Dental Corps — Dentists are required as well as men qualified or ready to train as Dental Technicians and Assistants, Instrument repairers, clerks, and storemen.

Ordnance Corps — To obtain and distribute stores and fighting equipment, tradesmen of every description are needed — from storemen and ammunition examiners to tailors and shoemakers.

"RCEME" — The Electrical and Mechanical Engineers need automotive mechanics, fitters, toolmakers, instrument makers, welders, machinists — over fifty types of tradesmen.

Bandsmen — Men qualified in any musical instrument are required for military bands, this includes a special requirement for pipe bands.

MEN ARE WANTED NOW!

Enrollment Standards:

To enlist you must:

1. Volunteer to serve anywhere.
2. Be 17 to 40 (Tradesmen to 45).
3. Meet Army requirements.
4. Married men will be accepted.

Terms of Engagement:

You will be enrolled in the Canadian Army Active Force for a period of three years.

All men are eligible for Overseas Service. If the military situation permits, married men after one year's Service Overseas and single men after two years' Service Overseas may be returned to Canada at which time they may request discharge even if they have not completed full three years' service.

Conditions of Service:

Current rates of pay and allowances. Serve for 3 years or make it a career.

Veterans' Benefits:

Reinstatement in civil employment, Unemployment Insurance and other appropriate benefits under Veterans' Charter as extended by Parliament.

Men — Retention of present Reserve Force rank or the rank held in Second World War, subject to proving qualifications in service within a 90-day period.

Officers — Short Service Commissions will be granted to officers who do not wish to enroll in the Active Force on a career basis. Further information should be obtained from your own unit or the nearest Army Personnel Depot.
