

Eleph-ino Intramurals

During the Christmas holidays there were two hockey tournaments. In the first, Mean Machine took home the Mulligan Bowl by defeating Marian Hall in the final game.

Mean Machine got to the final by defeating the Juniors and the Sophomores. M & M completely outplayed the Juniors in their first game and M & M looked impressive in their first start. But no one picked them to win, not even yours truly, the sports expert. In their next game they beat the choking Sophomore team by 5-3. M & M were up 5-0 and the Selects fought back to 5-3 but they just could not surpass that 5 goal deficit. The Selects loss was due to Kirk "Carrier" MacRae spreading an unknown disease around the Selects bench. If this

keeps up then Kirk will get a job blowing up tires at Michelin Tire.

No one ever expected M&M to even survive the first round, let alone win the tournament. Hats off to the players of M&M: Lem, Moe, Curly, Mickey, and the Mouseketeers.

Korakin, with ex-Select Larry "Spock" MacAdam, won the big tournament at Christmas time. The tournament featured two Holland College teams which proved no match for UPEI. Larry MacAdam was picked up in the free agent draft after receiving his release from the Selects because he never shampooed his hair and always thought he was playing basketball. MacAdam did what was expected of him in the tournament... nothing. If Larry keeps this up he will

be drafted by the Winnipeg Jets.

The Korakin team rolled over every other team as they beat Jim "Beaver Teeth" MacDougall's Holland College Team.

They also walloped the Selects with new recruits. Dic "Willie Nelson" Carroll and "Pus-filled Moose" Moore did not help the Selects. The trouble here was that two players, James "Optical" Nicholson and Kevin "Colgate" Francis were working. This game featured the resignation of the Selects coach and the signing of "Big Bubbles no Troubles" Jones. But he wants to move the franchise to GJ's...

With the alcoholics we have it might be possible.

Korakin also beat the other Holland College Team and M & M.

M & M continued their losing ways. With players like Sandy "Fars" MacDonald and Steve "Disco" Burden what do you expect?

I was recently asked what the Freshmen were going to be like this semester. Only results can answer that, but they have players like the MacDonald trio, Gentle Ben, Beaver, Buckwheat, the Mac Eachern Duo, Woodie Woodpecker, MrMagoo and the 200-pound Glen Gaudet the Freshmen look good and vastly improved.
