**Purified Blood**  
Saved an operation in the following case. Hood's Sarsaparilla cures when all others fail. It makes pure blood. "A year ago my father, William Thompson, was taken suddenly ill with inflammation of the bladder. He suffered a great deal and was very low for some time. At last the doctor said he would not get well unless an operation was performed. At this time we read about Hood's Sarsaparilla and decided to try it. Before he used it a bottle of his appetite had come back to him, whereas before he could eat but little. When he had taken three bottles of the medicine he was as well as ever." FRANCIS J. THOMPSON, Postville, Ontario, Remember

**LETTER FROM CYRUS SHAW, ESQ**  
Sir,—Dr. Robertson, finding that a wave of public indignation is sure to engulf him, now that he has been unmasked and his duplicity and treachery conclusively substantiated, in the moment of desperation makes an effort to show that his services in the dairy business were really acknowledged; and for that object in the Weekly Examiner, he has just produced a letter from Mr. Hamilton to him, written, he says, on the return of that gentleman and Mr. Dillon from a tour to the west end of the Island in 1891. The letter, after describing the enthusiasm that prevailed in the West and along the North Shore, ended by stating, "you have kindled a perfect conflagration of indignation in the minds of the people of this Province, and your only attempt to build it up is to produce a letter from Mr. Hamilton to him, written, he says, on the return of that gentleman and Mr. Dillon from a tour to the west end of the Island in 1891.
