A Fallacy About Cheese.
"Cheese," said some wisacre long ago, "digests everything but itself." Never was there a greater error perpetuated by a popular proverb. It aids in the digestion of nothing, and, being almost totally indigestible, simply adds another burden to an already overburdened digestive system. The feeling of comfort produced in a person of robust digestive faculties by partaking of a little—a very little—cheese is due entirely to the excitation of the flow of digestive fluid provoked by the ingestion of a completely indigestible substance.—National Druggist.

Strange Things In Nova Scotia.
It was here I met a woman who had never seen a peach, a young lady who had never owned a box of chocolates and, best of all, a handsome, intelligent young fellow who had never seen a drunken man. It was here I attended a concert consisting of songs, recitations, organ solos and a duet, all furnished by one woman. The duet, she announced, was between herself and the organ, the organ taking the soprano and she the alto.—Bay of Fundy Letter in New York Post.

A Sure Thing.
Biggs—On my last trip to Europe I lost \$200 betting on the ship's daily run.
Boggs—You must have been very unlucky.
Biggs—Yes; I found out afterward that I had been betting with the chief engineer.—New York Journal.

India Tea

This week we received a new Tea from India, which we have tried, and found to be of extra good cup quality. When drawn it is a beautiful golden color, and being strong it has a very nice flavor and aroma. It's cheap too, being only—

Watch Attention

That will cause your watch to mark the hours and minutes exactly.

As you value your time piece, do not allow it to run on without attention from year to year. Such treatment will soon ruin the finest watch.

It's economy to have it examined regular intervals. I am sure I can do it to your satisfaction.

CITY COUNCIL.—Regular monthly meeting this (Monday) evening.

ELECTRIC LIGHTS.—Newcastle, N. B., is to be lighted by electricity.

BOYS WANTED.—Boys are making more selling THE DAILY EXAMINER. It is no trouble for a smart boy to make a fair amount of pocket-money each evening. Boys should be on hand at the office each afternoon at four o'clock.

THE BURGLARS HARVEST.—Burglars are reaping a rich harvest in Montreal and other Canadian cities. It is estimated that within the past two weeks over \$100,000 has been taken by burglars.

CHEAP GRAIN WANTED.—The Governor General has received a letter from Matni, India, stating that there is a famine there and asking if cheap grain can be had in Canada. His Excellency has referred the matter to the trade and commerce department.

A HARD EXPERIENCE.—A little French boy who arrived only a few days ago from France, walked from Halifax to Sydney arriving at the latter place on Friday. The little lad cannot speak English and during his long and weary journey he lived on cabbage leaves and turnips. He is now engaged as water boy on the iron works.—North Sydney Herald.

AN OLD AND WELL TRIED REMEDY.—Mrs. Winsloe's Soothing Syrup has been used for over fifty years by millions of mothers for their children while teething, with perfect success. It soothes the child, softens the gums, allays all pain, cures wind colic, and is the best remedy for Diarrhoea. It is pleasant to the taste. Sold by druggists in every part of the world. Twenty-five cents a bottle. Its value is incalculable. Be sure and ask for Mrs Winsloe's Soothing Syrup.

When they put a man in jail, he cannot follow his natural inclinations. He cannot eat what he wants to—he is limited to a very frugal diet. Is it not equally true of a dyspeptic? For all of the real enjoyment he gets out of life, he might as well be in jail. He cannot eat what he wants nor enough. He suffers much, gets little sympathy. At first perhaps a little heaviness in the stomach, a little sourness, windy belchings and heartburn; headaches and biliousness and a foul taste in the mouth in the morning. Chronic constipation is almost inevitable, and means that the body is holding poisonous, impure matter that should be gotten rid of. The poison is being reabsorbed into the blood and the whole body. Impurity in the blood may lead to almost any disease. Constipation is the start of it all. Dr. Pierce's Pleasant Pellets cure constipation, cure it so it stays cured. No other remedy in the world will do that.
