By THE CANADIAN PRESS

Toronto—Market lower; light trading.

New York — Market higher; steels and motors lead.

Montreal — Market lower; moderate trading.

CURRENCIES

MONTREAL (CP) — The United States dollar in terms of Canadian funds was unchanged at $1.07 25-32. Pound sterling was up 1-16 at $3.01⅞.

LIVESTOCK

MONTREAL (CP)—Livestock prices were steady on the east end market Tuesday. Trading was fair and demand moderate.

Receipts were: 74 cattle, 75 calves, no hogs and no sheep or lambs. Medium cows sold from 17 to 18, common 16-17 and canners and cutters were 11-16. Good vealers went for 24-28, medium 21-24 and common 17-21.

Hogs sold for 27 and sows were 17. Spring lambs brought 25 and sheep were 8-12.

NEW YORK

NEW YORK (AP)—On the first anniversary of the "black Monday" panic — the worst plunge since 1929 — the stock market mounted a sedate and irregular advance Tuesday.

Volume was a comparatively small, 3,880,000 shares compared with 3,760,000 Monday.

Steels, motors, non-ferrous metals, and drugs were mostly higher. The trend was a bit lower among airlines, electronics, and aerospace issues. Sugars rebounded from Monday's sharp losses.

Although more stocks advanced than declined, there was some disagreement among the averages. The Dow Jones average of 30 industrials dipped a modest .30 to 717.95, due in part to declines by du Pont and some other blue chip components. Standard and Poor's 500-stock index, however, rose .14 to 70.11.

The Associated Press average of 60 stocks gained .1 at 273.4.

CALM NOTED

The underlying mood of calm, almost indifferent confidence as the market continued its "consolidation" of its great upsurge of 1963 was in marked contrast to the hectic conditions which prevailed May 28, 1962. On "black Monday" the Dow industrials plummeted 34.95 to 576.93 as a week-to-week decline reached a climax. The AP average fell 13.4. A total of 9,349,110 shares was traded—the biggest total in 29 years—and the ticker tape ran late for five hours, 23 minutes.

General Motors was the most active stock, advancing ⅞ to 72⅛ on 47,300 shares.

Among Canadian stocks, Dome Mines, McIntyre Porcupine and Hudson Bay Mining were up ¼. Granby Mining lost ½ and Distillers Seagrams ¾.

Prices were irregularly higher on the American Stock Exchange. Scurry Rainbow Oil advanced ½. Brazilian Traction and Shawinigan were ahead ⅛. Jupiter Corp. dropped ⅛.

MONTREAL

MONTREAL (CP) — Stocks continued to decline on the Montreal and Canadian exchanges Tuesday, with banks leading the parade. Trading was normal in industrials, while mines and oils lagged somewhat.

Royal Bank was down 1 at 77, followed by Canadian Imperial Bank of Commerce, off ⅝ at 66⅝, and Bank of Montreal, off ¼ to 68. Banque Canadienne Nationale proved the exception, gaining ¼ to 78 under moderately heavy trading.

Among the utilities, Bell Telephone lost ⅜ to 56⅜. The rights for Shawinigan dropped three cents to 12 cents.

In the paper section, changes were mixed. Bathurst gained 1⅛ to 19⅞ and Great Lakes, moderately active, rose ¼ to 20. Moore rose ⅝ to 54⅞ and Price Brothers lost ½ to 38¼.

Declines outnumbered gains 104 to 59. The composite index dropped 0.2 to 127.0. Industrials were off 0.1 to 127.9, utilities off 0.2 at 122.3 and banks off 0.8 to 129.1. Papers were the only gainers, moving up 0.1 to 112.5.

Among mines, Cessland was down seven cents at $1.98 and Midepsa lost 20 cents to $1.10.
