A FIRM handshake and good wishes is given D. C. Schurman (right) by Premier Walter R. Shaw at last night's 17th annual dinner of the P.E.I. Rural Beautification Society. Mr. Schurman has found it necessary to resign his capacity as a director of the society, a position he has held for the past eight years. Mr. Schurman has agreed to serve the society in an advisory capacity. Premier Shaw also presented a gift to Mr. Schurman on behalf of the society.

Rural Beautification Society Congratulated

"There is no province in Canada as beautiful as Prince Edward Island and you people are working with Divine Providence in making it more beautiful than it is in its natural state," Premier Walter R. Shaw told those attending the 17th annual dinner of the Rural Beautification Society at the Charlottetown Hotel last night.

He said the members were to be highly commended, highly congratulated and highly thanked for the contributions they have made to the province.

He reminded them that a prize or a trophy was just a small part of the satisfaction an individual receives from the contest.

"There are bigger and better things than winning the prizes. The others are amply paid in the beauty they have created and it stays with them.

"May this work go on with greater development and greater interest than before and may you continue to make this province more beautiful than it is now," Premier Shaw said.

A presentation was made by Premier Shaw on behalf of the society, to D. C. Schurman, who is retiring after being a director for the past eight years. However, he will act in an advisory capacity.

Robert B. Snazelle, Bunbury, president of the society, said an extra effort should be made in 1963 and 1964 to show our visitors in 1964 that "we have the fairest province in Canada."

Seated at the head table were Lieutenant-Governor F. Walter Hyndman and Mrs. Hyndman; Premier Shaw and Mrs. Shaw; Mr. and Mrs. R. C. Parent, Mr. and Mrs. Snazelle, Provincial Secretary J. David Stewart, Mr. and Mrs. Schurman, Mr. and Mrs. S. C. Wright.

The list of prize winners in the various events were published during the latter part of October.

In the Kings County division, Murray River under D.B. MacLure, leads with an additional $511.10 brought in yesterday.

The Charlottetown residential division now stands at $10,068, or 200 per cent of the quota. The residential canvass under Mrs. J.W. Liberals To Hammer Out Platform Today

By NEIL A. MATHESON
Provincial and Farm Editor

"The provincial election call came at a reasonably good time for the Liberal party, as we had organizational work for today's policy-making rally at Summerside well underway, and now we'll have the opinion of the people, as of November 14," Provincial Leader Alex Matheson said yesterday.

"If our committees have done a reasonably good job, we'll know what our people are thinking all over the Island", Mr. Matheson observed.

Jack Pickersgill, MP, will not be able to come although, he had been expected to speak to the rally. His place will probably be taken by Allan MacEachern, MP, Inverness-Richmond, N.S., Mr. Matheson said.

Policy ideas suggested will be incorporated into the election platform, "but I'll not accept any policy idea that cannot be implemented in the period of the next legislature.

"I'll not make any promises that I cannot fulfill," Mr. Matheson emphasized. Any idea that cannot fit into that category will be deferred for future action, he suggested.

Asked regarding his future plans, Mr. Matheson said "I'll remain as leader as long as my health permits, and so long as the party wants me to serve. I have no personal ambitions. I merely want to do what I think is best for the province, and will continue to do this so long as I am able."

Mr. Matheson was feeling fine yesterday and standing up well under the steadily developing pressures which invariably crowd in upon party leaders at election time.

The Liberal leader will not attempt to attend all of his party's nominating conventions, which would be physically impossible anyway. He will attend the convention on a given night of which he has received prior notification, he explained.

Today's rally will be under the direction of the Prince Edward Island Liberal federation. Federation President E.D. Reid, Charlottetown, will likely preside at the evening meeting. Morley Bell, QC, Summerside, is chairman of the policy committee. Rally chairman is Mrs. B. Earle MacDonald, Charlottetown.

The rally will be held in the Civic Auditorium.

S'side Sets Christmas Season Store Hours

SUMMERSIDE — Summerside store hours for the Christmas season were decided on at a meeting of the retail merchant's committee of the Board of Trade held last evening at Sheen and MacInnis store with the chairman, David L. Miller presiding.

Stores will remain open until 5 o'clock on the three Saturdays preceding Christmas, Dec. 8, 15, and 22. They will remain open until 9 p.m. from Dec. 17 to 21 inclusive and close Christmas eve, Dec. 24 at 5 p.m.

Stores will be closed Dec. 25 and Dec. 26 and Jan. 1.

It was agreed by committee members that the town should be responsible for effecting minor repairs to the three "Welcome to Summerside" signs, where necessary, and also for garlanding them with evergreen boughs and erecting adequate Christmas lighting.

It was felt that these archways, when decorated will add much to the beauty of the town during the festive season.

It is also planned to extend Santa Claus lane to include a portion of some of the north-south streets leading on to Water Street.

New Hall For United Church Is Dedicated At Freetown

KENSINGTON — Rev. Dr. W. A. MacQuarrie, chairman of P.E.I. Presbytery conducted an impressive dedication service when Freetown United Church hall was officially opened Nov. 4. J. T. Waldron, minister of North Bedeque pastoral charge preached the sermon.

Mrs. Lyman Smith, soloist, sang "Bless This House" and the choir rendered "We Gather Together to ask the Lord's Blessing" accompanied by the organist, Mrs. R. A. Profitt.

The new hall is of particular interest in that less than two months ago work was started on the old unused stable. Examination showed the shed structurally sound, and conversion feasible. Today, there is a modern, serviceable church hall, which will be divided into four classrooms by means of folding panels; and since no church hall is complete without a kitchen, this one has a large, well laid out kitchen.

Every hall needs furnishings, and friends have cared for this need with generosity and understanding hearts. Many have given money, others have given chairs, a pulpit, space heater, kitchen range and so on and not the least are the hours of dedicated service by interested men and women, it was stated.

Phone Co., Kensington Town To Discuss New Dial System

KENSINGTON — Mayor Everett Champion presided at the Kensington Town Council meeting Monday night with all councillors present.

A letter was read from the Island Telephone Company which stated that the installation of the dial system in the town set for June 2 next year will effect the alerting of the town fire department members and locating of the policeman.

This is done at present by the telephone operator.

The letter pointed out that since there will be no operator at Kensington after the dial system is installed these services will be cancelled. The council decided to acept the offer of the telephone company to hold a conference to discuss these and any other problems effecting the town in relation to the changeover from the present method to the dial system.

The mayor and councillors agreed to attend the semi-annual meeting of the P.E.I. Federation of Mayors and Municipalities to be held Nov. 21 in Montague.

A letter from Scales Hydro Electric Company stated that the firm is installing a street light above the Irishtown crossing. Under the winter works program shoulder paving on the streets is being commenced immediately and repair work around the sewage lagoon is also scheduled to be done immediately.

Tax arrears are being sent to a collection agency it was reported.

The policeman, Vernon Reeves, was authorized to disperse loiterers from the steps in front of a business place due to a complaint.

Presbyterian Young People Hold Fall Rally At Kensington

The annual fall rally of the Prince Edward Island Presbyterian Young People's Society was held Saturday, in Kensington Presbyterian Church.

Following a sing-song led by Hugh Lowry, a welcome was extended to the young people by Robert Adams on behalf of the Island executive.

The worship service was led by Alberton Young People's Society. The theme address on "Fellowship" was delivered by Rev. E. H. Stamp Dream Is Shattered

WASHINGTON (AP) — The U.S. post office shattered the dreams of riches of a few stamp collectors Tuesday by announcing that it will flood the market with their misprinted Dag Hammarskjold stamps.

Anyone who wants a misprint will be able to get one for four cents.

One collector, Leonard Shermon of Irvington, N.J., had a complete sheet of 50 misprinted stamps. He had estimated the eventual value at $500,000. Now $2 will get any collector the same — though deflated — prize.
