Styles in FURNITURE do CHANGE . . .

BUT --- for the furnishing or refurnishing of the rooms in your home YOU always have the CHOICE of ---

MODERN design

CONTEMPORARY design

or TRADITIONAL design

SELECT the design, the colors and the fabric because you LIKE them, because you want to live with them and because these create for you a pleasant environment—a restful HOME.

TO BE SURE of the furniture and furnishings for your home it is suggested that you spend as much time as you can studying the various articles of furniture in our store and at the same time visualizing those same or similar articles in your home. You will, of course, realize how impossible it is to have in stock everything you may require but **CROCKETT and STOREY LTD.** will help you get it.

PARDON! OUR "SLIP" IS SHOWING!

Errors do occur, sometimes just the result of misunderstanding—as in this instance. Somehow a slip occurred between the KROEHLER factory and ourselves—we have

8 very smart—2 pc. Chesterfield Suites with correct colors but wrong covers.

These suites are delightfully styled, nicely tailored, and with wide sloping arms—the cover is smooth where we thought we had a Frieze. These Suites will go out quickly at

159.00 CASH You guessed it—the reg. price is \$229.00
