CERTAIN HELP.

Numerous Extraordinary, Anatomical, Explanatory Coloured, Engravings. In Six Languages. Fifty-third Edition. Price 2s. 6d. in a sealed envelope through all Booksellers, or sent post free from the Author, for 42 Postage Stamps.

THE MEDICAL ADVISER on the physical decay of the system produced by delusive excesses, infection, the effects of climate, &c.; with remarks on the treatment practiced by the Author with such unvarying success, since his settlement in this country. Rules for self-treatment, &c.

By WALTER DE ROOS, M.D., 35, Ely Place, Holborn Hill, London, where he may be consulted on these matters daily, from 11 till 4. Sundays excepted.

Dr. De Roos, from long practical experience in the most celebrated institutions of this country and the continent, has had, perhaps, unusual opportunities of observing the peculiarities relating to the physiology, pathology, and general treatment of the disorders referred to in the above work, and having devoted his studies almost exclusively to this class of diseases, he is enabled confidently to undertake their removal in as short a time as is consistent with safety.

PERSONS IN ANY PART OF THE WORLD, may be successfully treated by forwarding a correct detail of their case, with a remittance for Medicines, &c. which will be returned with the utmost despatch, and secure from observation.

The CONCENTRATED GUTTÆ VIVÆ, or Vegetable Life Drops, are recommended to all those who have been assailed by early excesses, and brought on Spermatorrhœa, Nervousness, Weakness, Languor, Low Spirits, Aversion to Society, Study or Business, Timidity, Trembling and shaking of the Hands and Limbs, Indigestion, Flatulency, Shortness of Breath, Coughs, Asthma, Consumptive Habits, Dimness of Sight, Dizziness, Pains in the Head, &c.

Their almost marvelous power in removing contaminations, Secondary Symptoms, Blotches, Sore Throat, Pains in the Bones and Joints, Scurvy, Scrofula, and all other impurities, must be felt to be believed. 4s. 6d.; 11s.; and 33s. per bottle. The £5 Packages, by which £1 12s. are saved: and the £10 packages, by which a still greater saving is effected, will be sent from the Establishment only, on receipt of the amount per draft on a London house, or otherwise.

PAINS in the BACK, GRAVEL, LUMBAGO, RHEUMATISM, GOUT, Indigestion, Bile, Flatulency, Headache, Nervousness, Debility, Diseases of the Bladder and Kidneys, Stricture, &c.

THE COMPOUND RENAL PILLS, as their name Renal (or the Kidneys) indicates, are the most safe and efficacious remedy for the above dangerous complaints, Discharges of any kind, and Diseases of the Urinary Passages, which if neglected, frequently result in stone in the bladder, and a lingering, painful death. They agree with the most delicate stomach, strengthen the digestive organs, increase the appetite, improve the general health, and will effect a cure when other medicines have utterly failed. Price 4s 6d., 11s., & 33s. per Box, through all Medicine Vendors.

GUARD AGAINST the recommendation of spurious or other articles by unprincipled Venders who thereby obtain a large profit. To protect the PUBLIC against FRAUD, Her Majesty's Hon. Commissioners have directed the words "WALTER DE ROOS, LONDON," to be printed in white letters on the Stamp affixed to the above, to imitate which, is felony.

BY ROYAL LETTERS PATENT.

THE HYDROMAGEN,

OR WATERPROOF ANTI-CONSUMPTIVE

CORK SOLES,

Manufactured by HARCOURT BRADLEY & Co., 38, Ann Street, N. Y., and at London and Manchester, England.

THE HYDROMAGEN is a valuable discovery for protecting the feet from damp or cold, and therefore a preventive of many Lung diseases, without *any doctoring whatever*. The Hydromagen is in the form of a sole, and worn inside the boot or shoe. Its *medicated* character is a powerful antidote to disease.

For Gentlemen it will be found agreeable, warm and healthy, to wear in the coldest or rainiest weather, as the foot cannot become wet, if the Hydromagen is inserted.

Ladies may wear the lightest soled boots or shoes in the most inclement weather with impunity; while consumption, so prevalent among the young of our country, may be thwarted by general adoption. They entirely *supersede over-shoes*, as the latter cause the feet to perspire in a very unhealthy manner; and, besides, are not dangerous wear to pedestrians in icy weather, like India rubbers. While the latter cause the feet to appear extremely large, the Hydromagen, being merely a thin slice of cork properly, peculiarly placed inside, does not increase the size of the boot, or cause the foot to appear untidy.

To Children they are extremely valuable, as they may engage in exercise, with comfort and healthy effects. Their expense is so slight as to scarce need mention; besides those who patronise them will find their *yearly doctor's bill much diminished thereby.*

As the Hydromagen is becoming more known, its sale is increasing to an almost incredible extent. Last year in London, Manchester, Birmingham, Liverpool, Glasgow, Leeds, Dublin, Paris, Antwerp, Hamburgh, and Berlin, our sales reached the almost incredible number of 1,732,450 pairs of cork soles. This year the number will far surpass that.

Ask the Faculty their opinion of their value as a preventive for COUGHS, COLDS, BRONCHITIS, ASTHMA, and CONSUMPTION.

Men's sizes per pair, 2s 3d.
Ladies' do. do, 2s.
Boys' and Misses' do. 1s 6d.

NOTICE.—From the Retail Prices we make a very liberal allowance to Jobbers and Wholesalers, so that any storekeeper can make a fine profit on their sale, whilethey are an article, that may be kept in any store, among any class of goods.

For terms, apply to HARCOURT, BRADLEY, & Co. 38 Ann Street, New York.

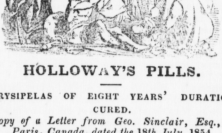
The Infallible Remedy!



HOLLOWAY'S PILLS.

ERYSIPELAS OF EIGHT YEARS' DURATION CURED.

Copy of a Letter from Geo. Sinclair, Esq., of Paris, Canada, dated the 18th July, 1854.

To Professor Holloway.

Sir,—I feel a pleasure and a pride in bearing witness to the wonderful benefit I have derived by the use of your inestimable Ointment and Pills. For eight years I suffered unceasingly from attacks of erysipelas; large purple blotches came all over my body; in addition to the unpleasant feeling of itching and burning, which affected me both night and day, rendering life a misery to me, as well as to all around,—so severe was the attack. I used several reputed remedies without deriving the least cessation to my misery. At last, I determined to try your Ointment and Pills; after taking them for a few weeks, a visible improvement took place, and I feel considerably better;—in three months, by continuing with your medicines, I was completely cured, and now enjoy the best of health. The truth of this statement is well known here, hence there is no necessity for me to request secrecy.

I am, Sir, yours respectfully,
(Signed) GEO. SINCLAIR.

ULCERS IN THE LEG,—REMARKABLE CURE.

Copy of a Letter from Mr. Edward Tomkinson, of Cape Breton, Nova Scotia, dated the 4th May, 1854.

To Professor Holloway.

Sir,—My sister, Miss Jane Tomkinson, suffered for seven years a number of years from a bad leg; in which there were several deeply seated and old wounds, defying the skill of some of the most eminent of the medical faculty, a variety of remedies were also used unsuccessfully; and it seemed to me that there was not any thing capable of mitigating the agonies she endured. At length, she had recourse to your Ointment and Pills, and after using them for about five weeks she was completely cured, after all other means had failed to afford her the least relief. I have no objection to these facts being published, if you feel disposed to make them known.

I remain, Sir, your most obedient servant.
(Signed) EDWD. TOMKINSON.

A BAD BREAST CURED WHEN AT DEATH'S DOOR!

Copy of a Letter from Mr. Henry Malden, of Three Rivers, Canada West, dated July 9th, 1854

To Professor Holloway.

Sir,—My wife suffered most severely after the birth of our last child with a bad breast. There were several holes in it one as large as a hand; all the doctors and strangers I tried would not heal them, but it assumed an aspect more frightful than before, and horrible to behold. As a last resource I tried your Ointment and Pills, which she persevered with for seven weeks, at the expiration of that time her breast was almost well; by continuing with your remedies for two more weeks, she was entirely cured, and we offer you our united thanks for the cure effected. I am, Sir, yours truly,

(Signed) HENRY MALDEN.

The Pills should be used conjointly with the Ointment in most of the following cases:—
