WONDER OF THE WORLD.

Gravel Cured of five years standin

Messrs. Curtis & Perkins, Agents, Bangor, Me.

Gentlemen,—I have been entirely cured of the Gravel, by the use of your *Cramp and Pain Killer*. I had suffered from it for five years. Cramp and Pain Killer in the Spring of 1847. I had been a great sufferer for ten years previous; some four or five years of the time I suffered from it almost all the time. Yours, &c.

Bangor, Me. Jan. 20, 1851.

We, the undersigned, are well acquainted with the above case, and certify to the above statement of facts.

CHARLES BROWN, HANNAH CLIFFORD,
STANTON ELLIS.

Doctor Toby, a regular practising Physician, of East Machias, writes us under date of March 20, 1847:

"Please send me half a gallon of your Cramp and Pain Killer—it is the best medicine to cure what it is represented to, that I ever used."

The Doctor first made use of it in his own case, for a severe sprain in the shoulder, caused by the upsetting of a stage, and found immediate relief, and has since used it in his practice.

Read the following. It speaks for itself.

CURED IN FIVE DAYS.

I certify, that I was afflicted with a violent Rheumatic pain in the small of my back, which entirely disabled me from labor, and had got up without the greatest pain and effort; nor could I walk without a cane, and but very little with. I applied Doctor Johnson's Anodyne Liniment, Liquid Opodeldoc, and several other remedies, without any relief. After applying in this way about a week, I purchased a bottle of *Cramp and Pain Killer*, prepared by CURTIS & PERKINS, Agents, and after *three applications* was entirely relieved and free from pain, and am now entirely well. I also cured a friend of mine, who had been suffering for a long time with a lame side, with the same bottle. I believe it the best medicine in the world, and am happy to add my testimony in its favor to those already before the public.
