

THE LOVAT SCOTS PIPE BAND ALWAYS A CROWD PLEASER

**Finest band collection lined up for big parade**

Strike up the band! Come on, boys, pick it up on the downbeat this time. Let's go.

When the great Gold Cup and Saucer Parade gets the word from parade marshal John Butler to move off their will be no dearth of top grade band music for marchers, other paraders and the watching and listening public. One of the greatest band assemblages in a long time will be on the march with stirring martial, marching and even catchy music.

A collection of some of the finest bands in the eastern part of the North American continent will be on hand for the big show. And how they can play! From the United States come the famed Katahdin Rangers of Millinocket, Maine. Nova Scotia is sending the internationally known Royal Canadian Artillery Band and the twirling, swirling kilted of the lovely Balmoral Girls Pipe Band; and New Brunswick contributes no stranger to the local parade in the Fredericton Air Cadets Band.

Prince Edward Island itself, boasting some of the best bands anywhere, has no less than five musical entries in the parade. They include a local band with a far from local reputation that has been acquired through production of excellent music everywhere. It is the city's pride.

**MOTHER-BUTTONS LIP.** MONTREAL (CP) — A local mother given to expressions of horror at such decadent dances as the Frug, the Watusi and the Jerk had the misfortune to find her teenagers poring over snapshots showing her executing a vigorous Black Bottom and a sprightly Charleston. Dance criticism in the household died from that moment.

here as the Recce is the top group of musicians from Summerside RCAF Station. Ably supporting these better known groups in the field of band music will be the local Queen Charlotte High School Band which is fast building a reputation for excellence. Just one pipe band will never be enough for Island taste so parade watchers will be triply thrilled by the liting music of no less than three pipers and drummers of the two local groups let everyone hear the ring of the pibroch. Taking part will be the much loved Burke's Lads and Lassies and Lovat Scots.
