Fergus, April 6, 1894

To Robert Phillips, Druggist, Fergus.

This is to certify that I have suffered from piles for a long time and tried several articles recommended for this complaint, but none of them benefited me till I tried Chase's Ointment, which has completely cured me.

MRS. JOHN GERRIE.

R. Phillips, jr., Druggist Witness.

"My six-year-old daughter, Bella, was afflicted with eczema for 24 months, the principal seat of eruption being behind her ears. I tried almost every remedy I saw advertised, bought innumerable medicines and soaps, and took the child to medical specialists in skin diseases, but without result. Finally, a week ago, I purchased a box of Dr. Chase's Ointment, and the first application showed the curative effect of the Remedy. We have used only one-sixth of the box, but the change is very marked; the eruption has all disappeared, and I can confidently say my child is cured. (Signed) MAXWELL JOHNSTON

ITS VALUE PROVED.

Opinions expressed on Quebec with regard to the New Specific.

QUEBEC, June 3.—There has been considerable discussion in this city, both among the medical fraternity and private citizens, with regard to the numerous undisputed cures from various diseases of the kidneys through the use of Dodd's Kidney Pills. The matter has been not only discussed privately among the friends and acquaintances of those who have received benefits from the use of the remedy named, but has been chronicled in public press. The general consensus of opinion is that the medicine has undrgone a thorough test and has proved itself fully deserving of the great praise which has been bestowed upon it.

15 Years of Itching.

W. Golding, commercial traveller, 130 Esther St., Toronto, says: "For 15 years I have suffered untold miseries from Itching Piles, sometimes called pin worms. Many and many weeks have I had to lay off the road from this trouble. I tried eight other pile ointments and so-called remedies with no permanent relief to the intense itching and stinging, which irritated by scratching, would bleed and ulcerate. One half a box of Chase's Ointment cured me completely."

DR. G. C. OSGOOD, Lowell, Mass.

"Castoria is the best remedy for children of which I am acquainted. I hope the day is not far distant when mothers will consider the real interest of their children, and use Castoria instead of the various quack nostrums which are destroying their loved ones, by forcing opium, morphine, soothing syrup and other hurtful agents down their throats, thereby sending them to premature graves."

DR. J. F. KINCHELOE, Conway, Ark.
