Anniversary Services At S' side Church

Capacity congregations attended the 99th anniversary services at Trinity United Church in Summerside yesterday morning and evening. The sermon at both services was conducted by the Rev. C. Earle Gordon of First United Church, Truro, N.S.

At the morning service the subject of Mr. Gordon's sermon was "The Supper is Come" in which he said that Christians have a tremendous responsibility to pre-prepare the faith.

He referred to the aggressiveness of the disciples of Communism, and challenged Christians to be less apologetic in professing the faith of Christianity.

He said the time has come for a more intense spiritual life and that everyone is interested in religion, although many are indifferent about it.

He said this might well be the church's finest hour.

The subject of Mr. Gordon's evening sermon was "God's Glorious Church." The church was beautifully decorated with flowers on the occasion of the anniversary—S.

West Germans Drafting Plans For Air Supremacy

By Crack Curry DUESSELDORF, (AP) — The West Germans have drafted ambitious plans for a new aviation industry to challenge British and United States supremacy in the air when the eight-year Allied ban is lifted.

Core of the new industry will be the big three of wartime German aviation, Messerschmitt, Heinkel and Dornier.

They have agreed to pool their resources and to form one of four aviation companies to be established.

The planners of the new aviation industry confidently predict that within five years of starting, Germany will be one of the world's leading plane producing nations.

Plans Disclosed The blueprint for Germany's comeback as a power in the aviation field was disclosed Sunday by Hermann Kastner, associate director of the "Association for the Development of Air Transport."

This association was set up by officials of the former German aviation industry to prepare for the resumption of plane manufacture when Allied controls are removed with the ratification of the West German peace contract and the European army treaty.

In an interview, Kastner said: "First, we shall build sports and training planes. Then we hope we can build transport planes under foreign license."

"It will take us five years to produce a completely new plane. Tough Competitor "But once our aviation industry gets going, we'll be a tough competitor. After all, a German will work for two marks (46 cents) an hour while an American wants at least two dollars. So we can undercut American plane producers in world markets. We will be one of the leading nations in plane production along with America and Britain five years after we start."

Although the new German plane industry expects to concentrate on commercial and cargo types, Kastner said the Germans could produce fighters or fighter-bombers for Western defence quicker than heavy passenger planes.

Only the high authority of the projected European army could permit the Germans to produce military planes.

Richards Rides First Winner In Epsom Derby

By Sterling Slappery EPSOM, Surrey, England, (AP)—Sir Gordon Richards, world's top jockey, rode Pinza to a four-length victory Saturday over the Queen's Aureole in the 174th Epsom Derby —his first Derby triumph in 33 years of racing.

Earlier last week the Queen had knighted Richards, but Saturday Sir Gordon out-distanced the royal chestnut Aureole in the last two furlongs aboard Sir Victor Sassoon's colt.

This was Richards's 28th Derby ride, but his 4670 victories did not include a win in this great 1-2-mile race for three-year-olds.

Richards' horse was a 5-1 starting time co-favorite with Premonition while Aureole started at 9-1. Premonition finished out of the money.

Finishing in third place by another length and a half was Pink Horse, and in fourth in the 27-mount race was the Aga Khan's Shikampur.

Shikampur led for about three-quarters of the race but faded in the final push. Nearula, a favorite for more than a month last week, developed a bit of lameness last week, finished ninth.

An estimated crowd of 500,000 to 600,000 watched the race, England's flat-racing classic. High in the Royal box was the Queen, the Duke of Edinburgh, the Queen Mother and Princess Margaret. Their guest was Crown Prince Akihito of Japan.

Pinza was timed in two minutes, 35.6 seconds. The record for the Derby is two minutes, 33.8 seconds, set by Mahmoud in 1936. Mahmoud now is in stud in Kentucky.

Sassoon, member of the international banking family, won \$50,530. The Queen collected \$5,994 and Prince Said Toussoun, owner of Pink Horse, received \$2,856.

Baker-Rogers Wedding

At St. Paul's Church, Summerside, on Saturday morning at 7:00 o'clock the marriage ceremony of Mrs. Marie Marie, daughter of Mr. and Mrs. Stanley Rogers, to Earl William Baker, son of Mr. and Mrs. Odell Baker of Montreal, was solemnized by the Rev. G. J. MacLellan, V.G. The wedding music was played by Mr. Billy Cameron who accompanied the Ladies' Choir as they sang appropriate hymns during the Nuptial Mass.

The soloist, Mr. Donald Gouthro, sang "Ave Maria". The church was tastefully decorated for the occasion with vases of spring flowers.

Given in marriage by her father, the bride was crowned in white net over satin with full skirt in ballerina length. Her shoes were of white satin. The strapless bodice was topped with a lace jacket with lily point sleeves and Peter Pan collar with pearl trim. Her shoulder-length veil was held in place under a coronet of seed pearls and she carried a nosegay of Better Time roses.

Miss Joan Rogers was her sister's bridesmaid and she was attired in daffodil yellow net over taffeta, fashioned similarly to the bride's. Her nosegay was of Pink Delight roses.

The bride's mother wore a gown of navy sheer with navy and white accessories and a corsage of pink carnations.

Mr. Ivan Pineau was groomsman and Messrs. Norman MacLean and Walter Souler, Jr., were the ushers.

A reception for fifty guests was held at the home of the bride's parents where the dining table, with its attractive arrangements of tulips and lighted tapers, was centered with a three-tiered wedding cake topped with a miniature bride and groom under an arch of orange blossoms.

Mr. and Mrs. Baker left by automobile on a wedding trip to the United States before returning to Montreal where they will reside. The bride travelled in a suit of ice blue gabardine with navy and white accessories and a corsage of white carnations. The bride, who is a registered nurse, is on the staff of the Western General Hospital, Montreal, and the groom is on the staff of the Sperry Gyroscope Company Limited—S.
