The Week at S.D.U.

Since the term's opening St. Dunstan's has received two widely-known official visitors. The first of these, Mr. Ralph Mosher National Secretary of the International Students Service, spoke of its progress in Asian Universities and also of the increasing educational benefit to those participating in Canadian I. S. S. He also stressed the extent of St. Dunstan's reputation in this organization devoted to the help of others.

The "Week" would like to add its congratulations and best wishes to those now being received by Father Terrence Campbell on the successful completion of another phase of his priestly career.
