## WANTED

A university student who is honestly and sincerely trying to rediscover what Christianity means to his or her's life. We are all confused to some extent about who we are and what to expect of this life. If we are trying to decode the riddle that has thrown us for a loop, we must at least attempt to find some sort of meaning, and purpose in that riddle. If you are interested in finding out more about yourself in relation to who Christ is and What does he mean to me! it is strongly recommended that you make the ACT Weekend which is being held on March 19, 20, 21. If we take life seriously, the ACT Weekend is one way in which we as students of society can help find the meaning, purpose and direction that we all need. If you are interested, please contact Kent Burdette-117 Blanchard Hall, Linda Campbell, Fr Bren Megannety or Art Laffin 310 Blanchard Hall.

Thank you.
