Has the Cathedral Clock "stopped short, never to go again?"

INSPECTOR Kerr left for Nova Scotia yesterday morning.

HON. J. C. POPE arrived last evening from Ottawa.

LE TEMPS announces that President Grevy will soon pardon 1,468 political offenders.

MR. JOHN E. FERGUSON has been appointed Janitor of the new public school building.

A VERY GOOD article on "School Examinations"—copied from the Halifax Herald—will be found on the fourth page of the EXAMINER.

The request of Marshal MacMahon to be permitted to attend the funeral of the Prince Imperial, has been refused.

MR. JAMES BOURKE of Lot 49 had some magnificent cultivated strawberries on exhibition in market to-day. One is said to have measured 4 1/2 inches in circumference.

NEW VEGETABLES.—Mr. J. B. Gay—the enterprising gardener of Pownal—had on sale at the market to-day new peas, new carrots and new beets—all of prime quality. Mr. Gay is always up to time. He has our thanks for the nice assortment sent by him to the EXAMINER OFFICE.

THERE is now hanging in the window of the "Diamond Bookstore" a copy of the "Canadian Illustrated News" containing a well executed portrait of J. A. McDonald, Esq., Speaker of the House of Assembly in this Province.

IN our "ship news" yesterday we published a notice of the attachment and sale in Portland, Me., of the brig Fleetwood. We are informed that it was not the Fleetwood which was sold. It was the Fleetwing. A telegram to Messrs. Longworth & Co., of the 9th inst., announces the arrival of the Fleetwood at New York.

THE enquiry into the murder of Mrs. Connelly was brought to a close at Montreal on Monday, when the jury, after an absence of about an hour, brought in a verdict of wilful murder against Jacob Mears, Susan Kennedy (wife of Jacob Mears) and Michael Flanagan. It appears that, under the French laws existing in that Province, there is no provision for finding a verdict against an individual as an accessory before or after the murder.

SENDING STRAWBERRIES TO ENGLAND.—Six hundred crates of strawberries will be shipped on the Warren steamer "Victoria," which sails to-morrow. They will be packed on ice in a patent refrigerator. This is the first lot of perishable fruit that has been shipped to England from this port, and, if they prove a success, probably more will follow.—Boston Traveller.

MR. J. P. WISER, M. P., of the Rysdyk Stock Farm, Prescott, has arrived home from Europe. He sailed May 11th, on the steamship "City of London," and that vessel carried out for him 600 head of fat cattle, 145 hogs, and 70 sheep, the greatest amount of live stock ever sent across the Atlantic in one ship. On the "Cybele," a little later, 300 head of Mr. Wisser's cattle went over, and 300 more in the "Baltimore." They all found a ready sale in the foreign markets.—Mail.

A LARGELY ATTENDED and well supplied market to-day. Prices were as follows: Beef, (small) per lb., from 6 to 12 cents; do., per qr., from 5 to 8 cents; mutton, from 4 to 10 cents; veal, from 3 to 7 cents per lb.; lamb, per lb., from 6 to 10 cents; butter (fresh) 13 to 16 cents; do. (tub) from 12 to 13 cents per lb.; chickens, from 35 to 45 cents; potatoes, from 30 to 32 cents; oats, from 35 to 40 cents; eggs, from 9 to 11 cents per doz.; hay, from 35 to 40 cents; green peas (per qt.) 25 cents.

WE ARE pleased to announce that Mr. W. F. Burroughs with his dramatic company, supported by Mr. Nannery's company of Halifax, will arrive in this city this evening. They will inaugurate a short season in the Market Hall and will introduce Bulwer's celebrated five act play, "The Lady of Lyons," and Tom Taylor's great drama, the "Ticket of Leave Man," as well as many other equally prominent pieces. Judging from the tone of the press and the success these companies have attained in Halifax, where they have closed a series of grand performances, we may bespeak for our citizens something rare in dramatic performances. Tickets are now on sale at Dodd's Medical Hall. Persons who wish to secure a good seat for to-morrow evening, should purchase their tickets without delay.

AN amusing scene was witnessed on the Market Square this morning. An itinerant vendor of cement erected a suitable frame and platform for the purpose of selling his goods. Shortly after commencing his address to the "ladies and gentlemen," another street orator, perched upon a wagon quite close to vendor No. 1, also commenced his address on the great merits of his "Indian roots and herbs"—a duplicate, by the way, of Ton Ton Ter-mikem's. The crowd who had gathered around No. 1 immediately rushed to No. 2 and left the "cement man" without an audience. No. 1 took the situation in at a glance—he was the least attractive—and accordingly removed his portable store to a prominent position alongside the "doctor's" wagon. The confusion of tongues which followed was equal to Babel, and the amused throng cheered each contestant lustily on their several attempts to outspoke each other.

WARNING.—Last year part of this Island was visited and shamefully imposed upon by shoddy cloth pedlars, and many poor people duped into giving them notes at 6 months for sums varying from forty to one hundred dollars, for which they received a lot of worthless cloth—a lady's dress and a red and black or white and black plaid shawl. Some of the farmers on the Georgetown Road have reason to regret the visit of these thieves. Many of the poor people on the Island were written for last year's purchases, and the last dollar ground out of them to pay the notes they were duped into signing for this shoddy trash. This year they are visiting the parts that escaped them last season, and are, if possible, more unscrupulous than last year, and a number of really poor people around Three Rivers have been sadly deceived. If we judge by the number of plaid shawls appearing for the past few days, there must be a great many victims.—K. C. Advertiser.
