

# Borden Paving Tenders Cared

OTTAWA — Tenders have been called for paving, sidewalks, curbs, and miscellaneous works at the Port Borden ferry terminal, Solicitor-General J. Watson MacNaught announced today.

"With the new dock completed at Borden and the paving and other work to be done on the approach, visitors will have a much safer and a more pleasant atmosphere on and about the pier," Mr. MacNaught commented.

The approach road, parking area and other areas will be paved and concrete sidewalks will be laid. The work is to be done in two phases. The first phase will consist of all surface preparation, the installation of catch basins and the construction of a 1,600 feet of asphalt curb and paving of the roadway. When the first phase is completed, final touches will be added and Mr. MacNaught said it is expected the Borden ferry will present an entirely new and improved appearance by October 15 of this year.

The tenders will close on August 25 and the work should start following the rush of the tourist season sometime after Labor Day. The tender specifies that the work must be done in such a way as not to interfere with traffic. The contractor will be instructed to conduct the work so there will be an opportunity for traffic to proceed safely and without interruption at all times.

## ELLERSLIE Shop Centre Is Opposed

A shower was held for Miss Patsy Hutchinson recently at the home of her parents. The girls were opened by Miss Joyce Birch, good visiting friends by Miss Judy Banks and girls arranged by Miss Margaret Bishop, after which Patsy thanked a delicious lunch was served.
