ADVICE GRATIS! To Purify the Blood. The Blood is the basis of all vitality, and the source of all strength. It is the life and health of the system, and its purity is essential to the well-being of the body. Holloway's Pills are the best remedy known in the world for the following diseases:—

Ague, Dysentery, Liver complaints, Rheumatism, Dropsy, Indigestion, Constipation, Headache, Stomach and Bowels, Female Complaints, Scalds, Burns, Sprains, Bruises, Frost Bites, Chills, as well as the Biting of Insects, Scorpions, Centipedes, and the Bites of Poisonous Insects and Venomous Reptiles. See Directions accompanying each bottle.

Female Complaints. All disorders of the sex, and diseases in every crisis perilous to the life and health of woman, whether of a single, married, or single, may be radically and quickly cured without risk or trouble by a few doses of these Pills, taken according to printed directions.

Indigestion with languor and want of energy. When these Pills are taken, they immediately purify the blood, and cleanse the system, and the result is a renewed vigor and energy. The improvement, though it may be gradual, is thorough and lasting. DROPSY. The efficacy of Holloway's Pills in dropsy is extraordinary. They act with such power as to draw out the water, and the fluid arising from this distention is immediately carried off and prevented from returning. The sufferer regains a buoyancy of spirits and rejoices in a completely renovated constitution; but it is indispensably necessary that the Urinary should be most efficiently aided in the discharging process.

Stomach, Liver, Kidneys, and Bowels. Those who suffer from liver and kidney complaints, should try the effects of this valuable remedy, a few doses of which will immediately relieve the distress, and remove all impurities, and give a healthy action to the liver; if bilious attacks be allowed to continue, serious casualties may arise, and the sufferer be constrained to a bed. A few doses of these Pills, taken according to printed directions, will rub out the small of the back once or twice a day—and the Pills acting in union, will cure any complaint arising from these organs.

Puffiness—Shortness of Breath with Weakness. Very few symptoms, which if not corrected, may tend to some serious disorders of the heart, or other vital organs. Eat moderately of solids, take six Pills nightly for some little time; take plenty of fresh air, moderate exercise, remove all impurities, and you will be quickly restored to health and vigor. Try this but for three days, and the result will be marvelous.

Complaints incident to Children. All complaints of children, if early and judiciously attended to, may be cured by the use of these Pills. They purify the blood, correct the action of the liver, and cleanse the stomach and bowels; a few doses of these facious Pills will immediately relieve the distress, and remove all impurities, and give a healthy action to the liver; if bilious attacks be allowed to continue, serious casualties may arise, and the sufferer be constrained to a bed. A few doses of these Pills, taken according to printed directions, will rub out the small of the back once or twice a day—and the Pills acting in union, will cure any complaint arising from these organs.
