

CHEVROLET FOR 1952 features greater riding comfort through redesigned shock absorbers; improved performance through refinements in carburetion and through new type engine mountings; and a wide variety of new exterior colors combined with harmonizing interior trim and fabrics of deluxe models. A new radiator grille, fresh ornamentation and bright metal work contribute to a lower, longer appearance. Eleven models are available including the popular Bel Air, the Convertible and the Station Wagon. Shown here is the 1952 Chevrolet Styleline Deluxe four-door sedan.

enjoying this nice climate and taking your turn driving the colts and horses on morning. Please give my finest regards to my friends in the Maritimes. Thanks Don, and we congratulate you on being promoted to the highly responsible position of second trainer to one of the best in the world—Harry Whitney—and to be associated with the stable of Lt.-Col. Dunbar W. Bostwick, treasurer of the U.S.T.A.

Our next correspondent is a very old friend, Glen Jenkins, Chatham, N. B., who has trained some of the best trotters and pacers in the Maritimes, including the famous Colonel Dan, 206. "Just thought I would drop you a line, and give you some news from this neck of the woods. I was over to Woodstock and up through Maine recently and saw all the new horses that came from the Harrisburg sale and had a long talk with Earl Avery, who was back visiting Woodstock.

"Earl looks well and had his best season's racing since he went to Uncle Sam's country. While at Fort Fairfield, Maine, I was talking to Bob Mackey. He is with the Reed Bros., of Fort Fairfield. He was asking about you and other Island friends he made on his trips to Old Home Week with the Reed Bros. horses. He considers Johnny Conroy one of the best and says that if he was up on the Grand Circuit with some good horses he would be among the top drivers.

"Personally don't think Bob is far astray. I had a good look at Bob Brown's new pacer Skelter 207. He is a big, beautiful chestnut horse, sound as a dollar and Earl Avery says he was one of the bargains of the sale.

"Your old friend, Allan Quartermain of Newcastle has a splendid prospect, a five-year-old mare Arlene's Money by Real Money, 209 1/2, dam Tara Hanover. He raced her two or three times at Truro last fall and expects her to take quite a decent record this year. B. J. Ryan of Newcastle, who is just coming into the sport, has a three-horse stable—Edward's Pride by Mac Abagail, dam Miss Mac Dele, also Doyle McKinney and a brood mare by Grattan Bars 159 1/2, Alphonse Napke of Newcastle and I have in partnership Jim S., 218, by Lauderdale, and Norman Frisco 210, by Real Frisco 159 1/2. Jim S. is a pacer with good feet and legs and can brush terrific. He would make a good ice horse.

"Norman Frisco is a trotter and a real prospect. He won the horse that Earl Avery won the ice championship with at Fort Fairfield, Maine, trotting a quarter in 28 1/4 seconds. Before I bought him I had a talk with Earl and he said that the Frisco horse had more speed than any trotter he ever drove. I hope we'll get a chance to cut him loose somewhere but we may have to go up to Maine to meet Grattan Bars 159 1/2. Thanks Glen for remembering us again and we hope you "clean up" the potato state speeders.

We also acknowledge a letter from a very fine horseman, Hugh Cann, Yarmouth North, N. S. and are glad to hear that he still keeps up an interest in racing. He is a great admirer of Baron 211 and wants to know about his whereabouts. We don't blame Mr. Cann for liking Baron. We have the same feeling ourselves. Maybe the new owners can make a deal with him when they are through racing.

Our next correspondent is James L. Read of the firm of C. E. Bentley Inc. importers and distributors of dry goods and furnishings, Truro, N. S. This firm is celebrating its 100th anniversary, having been established in 1852 and continued in business ever since.

Mr. Read is one of the best informed horsemen in the Maritimes and has a wonderful memory for a man of his age. He was born in 1890, when New Glasgow, Truro, Amherst, Halifax and Saint John were rivals in possessing the fastest trotters and pacers and great civic pride was taken in their achievements.

Charlottetown came into the Nicholson, Dr. F. C. Dougan, Bill Brown, Bill Boyles, Duck Acorn, Johnny Williams, John Simmonds, Sam Kennedy, Arnold Callbeck, Florence Poole, Rolly Jewell, Ivan Docherty, Don McDonald, Bob Dalziel, Art McLean, J. B. Murrey, Art Robinson, Harper McNeill, Wilfred Drake, Francis Drake, Clifford White, Bus Jones, Had McInnis.

MIAMI, Fla., Jan. 18 (AP)—A.H. (Al) Nun, 68, widely known racing official at many of the major U. S. tracks, died today in a hospital after a short illness. He was stricken Jan. 9 while serving as a timer at Tropical Park and had been in a coma for several days.

picture in 1890 when the present splendid grounds and track was opened up and it was from Prince Edward Island that Saint John, N. B., got its greatest race horse of the 1890's Special Blend by Black Pilot 230, winner of the famous Black Pilot-Hernando race at Summerside in 1886. Special Blend set up track records all over the Maritimes and left a reputation in that respect probably as great for his era as Watchim 204 has at the present time.

Mr. Read writes: "Thanks for Review and its very interesting contents. It must have taken a great amount of work to compile. Racing last year was no doubt one of the best through the Maritimes and elsewhere and we must agree that those who classified races at Charlottetown, Truro and Sydney did well and gave all horses a chance to win. With the large number of horses that raced last year and the new ones brought in, and the young ones to race, we should have another good year.

"I was very much interested in the racing back in 1913. I saw all those horses race and they were certainly great horses and considering the heavy tracks and the many heats they might be classed as exceptionally good. Now that the snow has arrived in quantity I would love to have a horse and sleigh as memory takes me back to the good old days when that sport made the winter pass so rapidly.

Notice where colts stakes are advertised to be raced in August, sponsored by the Provincial Exhibition Association. That will give more opportunity for owners of colts to win some money and encourage them to train for the P. E. I. Futurity Colt Races in September." Thanks friend Jim for your kind compliments and letter.

Hymie MacArthur, Shediac, N.B. one of the fastest hockey players and top scorers of the Big Four hockey of the 1930-33 era, has paid Charlottetown a short visit and renewed his acquaintance with his many friends. Hymie has horse racing as a hobby now and he and his brother are getting four ready to campaign the coming season. Among them is Buddy Clegg 216 2-5, that is in beautiful shape and may possibly be given a start over the ice if opportunity occurs. We look for Buddy and Hymie to make the headlines when racing over the clay rolls around.

Fred Lahey of Dartmouth, N.S. on his recent trip to Charlottetown bought the three-year-old pacer City Budlong by Calumet Budlong 202 3/4 from Sam Kennedy. This youngster is royally bred also on the dam's side being out of Margaret Aubrey by Captain Aubrey 207 1/4, dam June Bingen by Bud Axworthy 214 2nd dam Sally Bingen 225 1/2 by Bimfolia 217 3/4.

His dam Margaret Aubrey is the dam of Alma Budlong 208 3/4, May Budlong 210 2/5, Aubrey Budlong 211 2/5 and several others.

"Hats off" to Jack Scott of Halifax who formerly raced such good horses as Tracey Hanover p203, t210 but is now again promoting an International Ice Race Meet at Dieppe just outside of Moncton, N. B. where a successful two afternoons racing were held last winter.

From Maine and the Maritimes top ice trotters and pacers are getting ready for a \$500 Free For All Trot and a \$500 Free For All Pace and various other classes will be programmed for March 1st and 2nd.

We have just received from the originators, Messrs. Mead and Haswell, the results of the Universal Driver Rating System and Chart for 1951. This includes all the licensed drivers in the United States and Canada.

The top driver making 200 or more starts in the year was William MacMillan, and in second place was Benny J. Shue who drove Pronto Don, and "The Horse of the Year," and many other horses. In third place was Alvin Miller who had one of the largest stables including that of the late Mr. Reynolds the horses from which were sold at auction in November for nearly half a million dollars.

In 12th place on the list is our own Maritime driver Worrrell Lewis, of Reserve, C.B. In 17th place is Johnny Simpson whose horses won the most money in 1951.

The results of the drivers who made from 100 to 199 starts show Fred Johnson as number 1. In the number 6 spot is George Maugher who raced the stable of Harry Hirsch, Sydney. In 12th place is Roy Barnett, Woodstock, N. B., and in the 19th spot is Rannie Macdonald, Sydney, C.B. In 23rd place is Clayton MacLeod, Westville, N.S., and in 24th place is Johnny Conroy, Truro.

The above showing by Maritime drivers is to say the least highly creditable and our congratulations are extended to them.

Sports Forum

WANTED!

Sir.—Would some kind, charitable, sports-loving fans donate the Forum some new Band records, as evidently they can't afford them, or otherwise they have some that haven't the least idea of what kind of music goes with a hockey game. Since hockey started here in 1950, the fans have been subjected to listen to everything from jigs, rumbas to Carmen Lombardo's crooning, and to some records so old and scratchy that it's hard to distinguish just what they are playing. A few I can recall that we have been forced to listen to between periods and before games are such rousing airs as "Silver Threads Among the Gold", "Prince Edward Island is Heaven to Me", yes, and of all things during the festive season, "The Easter Parade."

During the old Big Four days we were fortunate in having the Band to put us in the hockey mood with such rousing march pieces as "Col. Boogie", "The Thin Red Line" and numerous Band selections that you associate with sports, but of course we all realize that today we haven't the accommodation for the Band, but at least give us the next best thing—some good Band records to put one in the spirit of the game. One of these nights I shouldn't be surprised to hear a solo rendered by either Bill Brown or Coach Leo Lamoureux. Who knows? they might be a big improvement on what we have been accustomed to. I am, Sir, etc., MARCH HAPPY

WHY HAVE SORE FEET? JUST RUB IN MINARD'S "KING OF PAIN" LINIMENT

IMPORTANT FISH and GAME MEETING

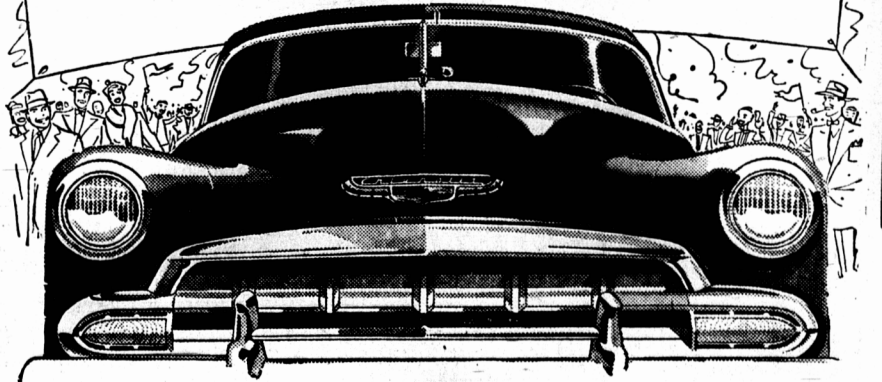

A General Meeting of the Queen's County Branch Fish & Game Association will be held WEDNESDAY EVENING, JAN. 23, 8 P. M. at the Vocational School, Charlottetown.

All members are asked to be present as the important fall shooting problems will be discussed.

Only members will be present and you may become a member by paying \$1.00 for yearly membership.

Please bring reports on the need of feeding the Partridge and Pheasant.
