ONE MINUTE NEWS ABOUT JOHNS-MANVILLE

ROOF ON COTTAGE FIT FOR PALACE

Imagine allowing the treasures of a palace to be exposed to damage from a leaky roof! Yet the treasures in the modest cottage are just as prized by their owners. And all are safe under a roof of Johns-Manville Asphalt Shingles!

J-M Asphalt Shingles are adaptable to most types of architecture. Their first cost is low, and the long years of trouble-free service they give is an added economy!

Would you like a free copy of our folder on J-M Asphalt Shingles? It shows the various colours and styles available, also gives details of J-M Flexstone Shingles which are made on an asbestos base to give extra fire protection. For your copy write Canadian Johns-Manville, Sun Life Bldg., Montreal, or see your nearest J-M dealer.

Grain

WINNIPEG, May 16 — (CP) — Oats and barley continued to show a firm trend today on the Winnipeg Grain Exchange, despite declines in United States markets.

Commercial demand, although small, was sufficient to take care of light offerings.

Class two wheat prices dropped two cents from yesterday.

Closing grain quotations (basis lakehead).

Oats — May 1.11 1-2; July 98A; Oct. 86 1-4B.

Barley—May 1.43 5-8; July 1.38A; Oct. 1.21 7-8A.

Rye — May 1.50B; July 1.51 1-4; Oct. 1.52B.

Flax — May 3.78 1-2; July 3.71 3-4N; Oct. 3.46 3-4.

Cash prices:

Red Cross Plays Very Active Part In Disasters

The Prince Edward Island Division of the Canadian Red Cross Society is pleased to announce the appointment of Mr. Lawson Jenkins of Charlottetown as Provincial Chairman of its Disaster Services Committee. Similar Committees are at present being organized in Summerside and will also be set up in other centres throughout the province.

The work of the Red Cross in bringing immediate relief to the sufferers of disaster has been carried on for many, many years. Because of the magnitude of the Manitoba disaster a conference has been held by the national officers of the Red Cross and other interested parties and the following policy has been adopted. The Red Cross continued to provide emergency aid including food, clothing, shelter, medical and nursing care and registration for disaster victims until they are re-established. This is costing the Red Cross very large sums of money daily, and Red Cross branches everywhere will be glad to receive donations of money as contributions towards this cost.

The Manitoba Relief Fund which is locally carried on through The Guardian is entirely independent both in raising and administering this money. The purpose of this Fund is to refurnish flooded homes only and this on the basis of need. The Red Cross does not participate in this aspect of the relief.

As the heavy burden now being carried by the Red Cross is likely to continue for some time, it is hoped that generous contributions will be made as Red Cross disaster books are now open.

One-Act Plays Well Performed At The Empire

Two excellent one act plays were offered Little Theatre members last evening at the Empire Theatre. Production by the Little Theatre was Elsie Park Gowan's "The Royal Touch", and the second play was a guest production by the St. Peter's A.Y.P.A. "Moon-up".

The "Royal Touch" is a drama, and co-directors Betty Kennedy and Esther Pletch were responsible for bringing it to life in such a way as to make it wholly believable. A simple, but very attractive setting of the front of a church, set the mood for the sympathetic treatment of the characters by members of the cast.

Lillian Lewis, as Princess Nata, gave her best performance to date, ably supported by Earl Carmody as Ivan, from whom Little Theatre members have come to expect excellent characterizations in each of his roles. Grace Diamond brought Maria, the peasant woman, to live in the hearts of the audience with the absolute faith and trust which she personified.

The excellent supporting cast consisted of Leith Sweeney as Nicola, Joan Graham as Serena, Fred Coyle as Joseph, Carol MacDonald as another flower girl, and Milton Cutcliffe as a bystander.

"Moon-up" was presented recently at the A.Y.P.A. contest here when it defeated the St. Paul's entry. Last evening's presentation was smoother than previously, and all characters were a little stronger. Hilda Pickard as Ma Holloway showed much improvement over her former clever characterization, and lost herself entirely in the part of the trusting old invalid. Both Peter and Harry Shama put more spark in their roles of Tom Holloway and Sheriff Dexter respectively, and Arthur MacLean played the part of the despicable Harry Hollaway to the hilt.

If any criticism could be offered of the play it would be that the pace is a little too slow, thus preventing the players from reaching the climax which is very sudden and very unexpected.

"Moon-up" is an excellent type of play for Festival, and great hopes are pinned on it when it competes in the Diocesan Drama Festival in Stewiacke, N. S., on Friday night of this week.

Other members of the cast were Edward Carbonnell as the radio announcer, and Gordon Morrison as radio technician.

Following last evening's performance, the cast of "Moon-up" were guests at the home of Mr. and Mrs. B. W. Patterson.

Between plays last evening, Mr. G. Foster, acting president of the L.T.G., announced the annual meeting of the Guild which is to be held on Friday, May 26, at the Brighton Club.

CRASWELL for Photographs.

REDDIN BROS. will be the only drug store open this afternoon and evening.

CITY POLICE COURT — At the Stipendiary Magistrate's Court yesterday, a man charged with having care and control of a motor vehicle while intoxicated was dismissed. A man charged with vagrancy was committed on a previous commitment while a case of non-support was dismissed after satisfactory arrangements had been made.

LEGION CARD PARTY — The weekly card party of the Charlottetown Branch of the Canadian Legion was held last night at the Clover Club. The prize winners follow: ladies' first, Mrs. Charles MacDonald; ladies' 2nd, Mrs. Murray McTague; ladies consolation, Mrs. H. Vessey; gentlemen's first, Mr. R. A. McIsaac; gentlemen's 2nd, Mr. John McCallum; gentlemen's consolation, Mr. W. H. Cudmore; door prize, Mrs. W. Larter; freeze-out, Messrs H. A. Ebers and Henry A. MacLeod.

POLICE GIVE CHASE — City Police had their turn at giving chase to a motorist last night and they also "got their man". They spotted a jeep passing through the City without lights about 11 o'clock and immediately took after him. The jeep followed by the patrol sped around the City, over the Hillsboro Bridge to Kelly's Corner in Southport. Here the motorist ditched the jeep and took to the fields. He was soon overtaken by the fast running Police Officers and is scheduled to appear in court this morning. The jeep, it was learned later, was stolen from the Armouries.

Island Graduates At Acadia University

WOLFVILLE, N. S., May 16—(Special)—Students from Prince Edward Island graduating at the 107th convocation of Acadia University here today included:

Bachelor of Arts: John Murdoch Bruce, Heatherdale; Donald Grant Curry, Souris; George Arthur Halliwell, Tryon; Ralph Irwin Jenkins, Charlottetown; Donald Blair MacBeath, Charlottetown; Jack Osgood Proud, Charlottetown.

Bachelor of Science: George Fulton Kitson, New Wiltshire; Sydney Wade Leightizer, Charlottetown; Rupert Heath MacNeill, O'Leary; Robert Alexander Stuart, Wood Islands.

Certificate of Applied Science—Henry Frederick Coffin, Mount Stewart.

Diploma in Secretarial Science—Hazel Doreen Yeo, Montague.

Those receiving honorary degrees included Rev. Ross Chipman Eaton, Truro, N. S., (Doctor of Divinity.) a former minister of the Charlottetown Baptist Church.

Wine Bottle Trial Opens

OTTAWA, May 16 — (CP) —An assizes cour jury today began hearing evidence in the trial of Simon Normand, 65-year-old laborer, charged with the knife-slaying April 13 of Malcolm Donaldson of Saint John, N. B.

Police claim the stabbing occurred during an argument over the price of a cheap bottle of wine.

Women's Club Here Presented With Charter

A most impressive and inspiring ceremony took place Monday evening, May 16th., in the main dining-room of the Charlottetown Hotel when Mrs. Allie Ahern, Halifax, Vice-President for the Dominion Federation of B. & P. Clubs, presented to Miss Gertrude A. Love, President of the Charlottetown Club, the official charter. Present at the function were His Honour the Lieutenant-Governor and Mrs. Bernard, His Worship the Mayor and Mrs. MacDonald, The President of the Rotarians, Mr. Ruel LePage and Mrs. LePage; the President of the Gyros, Dr. J. A. MacMillan and Mrs. MacMillan; the President of the Kinsmen, Dr. L. I. Duffy and Mrs. Duffy; and the President of the Kiwanis, Mr. Lawson Jenkins and Mrs. Jenkins, and about sixty-five members of the B. & P. Club.

The head table was beautifully decorated with daffodils and candelabra containing green and gold lighted tapers, while at each of the other tables were vases containing daffodils. Most attractive place cards with the club emblem and colours were set at each guest and member's place. After a delicious dinner was served, the President proposed a toast to "The King", and while the tables were cleared all joined heartily in a sing-song with the Club pianist, Miss Florence Simmons at the piano.

Two National Officers of the Federation were present and took part in the proceedings. Mrs. Allie Ahern, Vice-president, and Miss Jessie MacKnight, National Membership Chairman, both of Halifax, N.S.

Congratulatory remarks were given by His Honour the Lieutenant-Governor, His Worship the Mayor, and the President of each of the Service Clubs represented, after which Mrs. Ahern presented the Charlottetown Club Charter to Miss Gertrude Love, its first President. Mrs. Ahern said she was thrilled to see such a large number of members in the Charlottetown Club, and invited as many as could to attend the National Federation Convention which is being held in Halifax next July. B. & P. Clubs were first organized in Canada in 1910, and today there are 130 clubs with a membership of nearly six thousand. Almost every country in the world has B. & P. Clubs, and from Canada alone there are nearly one hundred delegates going to attend the International Federation which meets in Westminster, London, in August.

Mrs. Ahern concluded her remarks by speaking of the advantages of women of various nations getting together to meet and know one another. If we are to have peace it is essential that women understand one another, and this will never happen until they know one another.

The Charter Ceremony was conducted by Miss MacKnight, who also congratulated those instrumental in the formation of the Club, and the Federation Plaque was presened to Miss Dorothy Cullen, Secretary. A very informative interpretation of the Emblem was then given by Miss Lillian Duchemin, Membership Chairman, and the ceremony concluded by the singing of "O Canada".

A meeting of the Club was then held when Mrs. Fred Pickard gave the report of the Nominating Committee, and the officers and executive for the coming year were elected and installed in office by Miss MacKnight. Those elected were:

President — Miss Gertrude A. Love.

Vice-President — Mrs. Dorothy Rogers.

Recording Secretary — Miss Dorothy Cullen.

Corresponding Secretary — Miss Ethel Sutherland.

Treasurer — Mrs. Emma Bruce.

Executive — Misses Lillian Duchemin, Ella Cronin, Gladys Hart, Patricia MacMahon and Mrs. Ireta Sutherland.

Miss Adele MacLellan and her committee were thanked for the very beautiful decorations, and letters and telegrams were read which had been received from clubs all over the Dominion. Two new members were welcomed — Mrs. Florence Poole and Miss Edith Inman, and a special guest — Mrs. Ralph Noonan of Summerside.

After the meeting the Executive entertained in honour of Mrs. Ahern and Miss MacKnight at the home of Miss Lillian Duchemin. During the evening refreshments were served by the hostess assisted by Mrs. Ireta Sutherland, Mrs. Christene Pickard, Miss Jeanne Simmons, Miss Gladys Hart and Mrs. Emma Bruce.

Hon. James R. Walker, Newfoundland's Minister of Health, is pictured signing the visitors' book in the Confederation Chambers during his visit here last week. Watching the signing from left to right are Mr. H. D. MacGillivray, Director of the Newfoundland Flying Club; Hon. A. W. Matheson, Minister of Health and Welfare; Mr. Walter Fowler, Eastern Superintendent of Trans-Canada Airways at Moncton; Hon. Eugene Cullen, Minister of Industry and Natural Resources and Premier J. Walter Jones.

Argument Over Aid To Southeast Asia

SYDNEY, Australia, May 16—(CP)—A rift developed between Britain and Australia at the Commonwealth Conference today on the question of immediate economic aid to Southeast Asia, an authoritative source disclosed.

Australia proposed the establishment immediately of an £8,000,000 ($24,800,000) Commonwealth fund to finance speedy technical aid to countries menaced by Communism.

The British delegation opposed the Australian plan on the grounds that offers of technical assistance could be made conditional on the submission by the beneficiary countries of their development plans.

Canada, India and New Zealand were largely on Britain's side while Pakistan and Ceylon supported Australia.

Fisheries Minister Robert W. Mayhew of Canada told reporters after the closed meeting that the Dominion's viewpoint was: "We should begin with a little plan, gradually developing into a bigger plan."

Britain's view is that the countries in Southeast Asia should themselves survey their requirements and get carefully-estimated costs.

The Australians believe that only by establishment of their suggested fund could the Commonwealth countries show their good faith in proposals to aid such countries as Indo-China, Indonesia, Thailand, Malaya and Burma.

All the delegations have indicated that they believe the U. S. must make a major contribution to stability of the area.

Lord MacDonald, leader of the British delegation, denied that Britain's attitude would delay the timely dispatch of economic aid.

The argument delayed submission of a second part of the program of Percy Spender, Australian External Affairs Minister. This proposal calls for establishment of a capital investment fund by the Commonwealth to help southeast Asia establish new industries and develop transport, irrigation and agriculture.

Mayhew was among those who denied reports today that the conference threatened to founder on the alternatives of immediate or long-range aid.

City Workers Active In Red Shield Campaign

Volunteer collectors in the first day's general canvass of the city for the Salvation Army turned in almost $2,000 at the supper meeting held in the Citadel last night. This amount along with the $3,000 reported by the Special Names Division put the city within sight of its $5,500 objective. The provincial objective is $9,500. Another supper meeting will be held Friday when final returns will be made by city workers.

Mr. J. C. Montgomery, co-chairman of the city campaign along with Mr. N. D. MacLean, presided at last night's function.

High division in the opening day's drive was the Y-Grads, under Mr. R. E. Giggey, which reached 85 per cent of its objective. High team was No. 25, Capt. Hal Moore, which collected 190 per cent of its objective.

Among the outstanding collections reported was that received from the ladies at Sunset Lodge who contributed a sum of $45.

The ladies of the Salvation Army who catered to the large turn-out of workers were thanked, on behalf of the meeting, for their splendid turkey supper by Mr. J. M. MacFadyen.

GRAVELY DANGEROUS

Continued from page 1

evacuation of the city slowed.

"Headquarters said about 8,500 persons left yesterday by rail, planes, bus and car to boost the total of evacuees close to the 90,000-mark — one-quarter of the normal population of the sister cities of Winnipeg and St. Boniface and their low-lying suburbs.

The idea was to thin out the population, swollen by arrival of homeless from inundated southern Manitoba, to make a general evacuation necessary.

Brig. Morton's "disaster" plan would go into effect if the river rose to 32.5 feet, putting water over most of Winnipeg's flat business area. He urged all non-essential persons — women, children, the aged and infirm — to leave the danger area.

But with the prospect that the river's peak was near, the tempo of evacuation has slowed. Yesterday's figure was about 3,000 below the total for Sunday and compared with the one-day peak of about 15,000 persons who left greater Winnipeg last Friday.

P.E.I. HOSPITAL

Continued from page 1

equipped Isolation and Premature Departments—in fact everything possible will be done to give the very best care to the new-born. The new ambulance entrance is also a decided improvement over the old. Instead of removing a patient from an ambulance in the open, the ambulance will drive right into the entrance which is enclosed, and in stormy weather this will add much to the comfort of the patient. It will also make it much easier for patients who come or go by car."

During the past year crude oil burners have been installed in the boilers in the hospital and the nurses' school. This has done away with the fly-ash nuisance. There is still considerable work to be done in connection with the installation of the burners.

Repairs to the roof have been completed, and the second floor of the hospital has all been painted; also part of the second floor and the corridors of the Veterans' Wing, and it is hoped to have the rest of the hospital painted during the coming fall and winter. The rooms have been painted different colours, and with the new drapes, etcetera, the rooms have been made much brighter for the patients.

The arrangement with the Victoria General Hospital of Halifax re Interns is working out very satisfactorily, and now we have an Intern at all times, a new one coming every two months.

Mr. MacLean went on to say that the Hospital has a signed contract with the Workmen's Compensation Board, whereby they pay a flat rate per day for all patients coming under their care.

Dr. R. R. Hogg has been added to the Medical Board, and Mr. Frank Jelks has been added to the staff as Bacteriologist.

The laboratory is at present being remodelled in keeping with present-day needs, and when this has been completed our staff of technicians, all of whom are fully qualified, will be able to render a very efficient service to the hospital.

The hospital has been very fortunate in securing the services of Miss J. MacRae as dietician. Miss MacRae has proved very efficient and co-operative.

In March the resignation of Mr. Ingham Palmer as credit manager, was received. This position will sooner or later have to be filled again.

Legacies Received

During the year the following legacies were received: Estate Annie B. MacLeod, $100.00; Estate Jessie A. Nicholson, $447.95; Estate Mrs. R. S. Lea, $5,000.00.

Again this year two donations were received of $500.00 each—one from Mr. Alex H. MacKinnon of Montreal, and the other again does not wish any publicity. Several other donations of various amounts bring the total up to $1,341.00. "I do not know of any better memorial a person can have than to leave a legacy to the hospital where it will do a lot of good in helping to care for the sick," Mr. MacLean said,. "And I hope that many more of our friends, when making their last will and testament, will remember the Prince Edward Island Hospital, which, since its establishment, has never closed its doors to anyone, regardless of their ability to pay."

In November the Prince Edward Island Hospital Training School for Nurses will celebrate its 60th Anniversary. It is one of the oldest training schools in the Dominion. The first graduates were the late Miss Sarah J. Arthur of Summerside, and Miss Ella M. Tynan, now Mrs. Stewart of Saskatchewan. Miss Tynan was at a later date Superintendent of the Hospital.

The Board of Trustees also paid tribute to Miss Anna Mair, who will be starting her 25th year as Superintendent of the Hospital in October of this year. Miss Mair was commended for her unselfish interest in the welfare of the hospital. Receiving her training as a nurse in the P. E. I. Hospital, Miss Mair has devoted all her career as a nurse to its welfare.

Congratulations were extended to the nineteen young ladies who received their diplomas, and graduated from the P. E. I. School of Nursing on May 11th, 1950. They were wished every success in their chosen profession, and appreciation for their devotion to duty while taking the course was expressed.

At the Nurses' Graduation this year prizes were awarded to the nurses. For this we have to thank the Medical Board of the Hospital and the Lucy Maud Montgomery Chapter of the I. O. D. E. for their contributions which made the awarding of the prizes possible.

On behalf of the Trustees, Mr. MacLean expressed appreciation for the excellent work done during the past year by the Ladies' Aid, the Junior Ladies' Aid, the Wo-He-Lo Club, and the League of Mercy.

Increasing costs are a problem, and a serious one. Not only rising costs of food, supplies and help, but the many new medicines and treatments, all of which added together have more than doubled our costs per patient day—yet charges to the patient have been increased very little. If it were not for the Blue Cross and the increased grants from the Provincial Government, the Hospital would not be able to operate, "How much longer we can continue to give adequate hospitalization to all who need it, without increasing our charges," Mr. MacLean said, "is something the new board will have to deal with in the near future."

The following trustees retire this year—R. S. P. Jardine; J. A. Likely and N. D. MacLean — all of whom are eligible for re-election.

The trustees extend to all who in any way assisted in the work of the hospital their grateful thanks. Particularly does the Board thank the Press, the Clergy, those in charge of Prince of Wales College Hall, which was used for the Nurses' Graduation, and the many friends of the hospital who helped in so many different ways.

Tribute was also paid to Mr. Mould, business manager; Mrs. MacDonald, superintendent of nurses; supervisors and all employees of the hospital for their services during the past year.

HOLMAN STORE NEWS

— G. H. M. —

JUNE is the Month for Brides and JUNE is very rapidly approaching. - - - More than probably there is a "June Bride" to whom you'll want to give a Wedding Present. The China Departments of Both the Charlottetown and the Summerside Stores are chock full of Gifts that every Bride will adore.
