A Great Book Free.

When Dr. R. V. Pierce, of Buffalo, N. Y., published the first edition of his great work, The People's Common Sense Medical Adviser, he announced that after 680,000 copies had been sold at the regular price, \$1.50 per copy, the profit on which would repay him for the great amount of labor and money expended in producing it, he would distribute the next half million free. As this number of copies has already been sold, he is now giving away, absolutely free, 500,000 of this most complete, interesting and valuable common sense medical work ever published—the recipient only being required to mail to him, at above address, (31) one-cent stamps, to cover cost of mailing only, and the book will be sent postpaid. It is a veritable medical library, complete in one volume. Contains 1608 pages, profusely illustrated. The Free is precisely the same as that sold at \$1.50 except only that the books are in strong manila paper covers instead of cloth. Send now before all are given away.

A Pleasant Surprise.
 For those who have thought that catarrh is incurable, and to whom the constant use of snuffs and ointments has been almost unbearable, is to learn of catarrh-ozone, the new medicated air treatment for Catarrh, Bronchitis and Asthma. Catarrh-ozone is a guaranteed cure for these diseases and never fails to cure them. It cures by inhalation of medicated air and always reaches the right spot. This is no theory, but the results of actual experience, and thousands of testimonials back up all we say for our medicine. Price \$1.00 at all druggists, or direct by mail on receipt of price. Send 10 cents in stamps for sample outfit to N. C. POLSON & CO., Kingston, Ont.

No More War

Swords will be beaten into plough shares later on; but farmers do not need to wait till the "Peace Conference" is over, before buying their plough shares, as they can do so at once, by calling at the Masonic Temple Store, where the share, or other plough extras can be had for less money, and better than any imported. Prove this at once, by trying them.
