GIRLS IN GREAT DEMAND.—The Revelstoke Herald speaks truthfully when it says: "If a couple of hundred good smart girls from the over-crowded Eastern cities would migrate to the Kootenays, they would find no difficulty securing employment at a respectable remuneration in the homes of our citizens, or hotels. At present the outlook in Revelstoke seems to indicate that we could do with about a dozen new ones a month, as they marry off at about that rate."—Rossland Miner.

AN OLD AND WELL TRIED REMEDY. Mrs. Winslow's Soothing Syrup has been used for over fifty years by millions of mothers for their children while teething with perfect success. It soothes the child softens the gums, allays all pain, cures wind, colic, and is the best remedy for Diarrhoea. Is pleasant to the taste. Sold by druggists in every part of the world. Twenty-five cents a bottle. Its value is incalculable. Be sure and ask for Mrs. Winslow's Soothing Syrup.

NOT NEW.—One who signs himself "A Student" writes to an English paper that the line from the once popular song "We've got the ships, we've got the men, we've got the money, too," is not new, but comes almost word for word from the Anabasis, in an appeal made to Xenophon by his soldiers to march on to Constantinople. Here is the Greek in the ordinary English alphabet: "Echeis triereis, echeis chremata, echeis andras toisoutis," which gives the phrase considerable dignified antiquity.

AN EXPENSIVE FUNERAL.—New York aldermen went to a funeral the other day—the funeral of a colleague, and the cost was charged to the city. The accounts are interesting, having been published by an impertinent New York newspaper. In addition to an item of \$367 for crape, and other items equally extravagant, there was a bill for a post-mortem dinner at the Astor house for the fifty aldermen who attended the funeral. While at the funeral they also found it necessary to relieve the eaverting effects of official sorrow by eating a lunch which cost \$27. The total expense for this spasm of grief was \$930.

Domestic Science.
"What do you understand by the department of domestic science?"
"It's where they teach women how to keep their husbands away from the clubs."
Of course the answer was wrong, but they all felt that she ought to go to the head of the class just the same.—Chicago Post.

MRS. WRIGHT, OF NORVAL, ONT. EXPERIENCES INTENSE SUFFERING FROM ECZEMA IN HER FEET.

Raw From Her Toes to Her Knees

Dr. Chase Makes a Wonderful Cure.

Mrs. Knight, 17 Hanover place, Toronto, makes the following statement:—

My mother, Mrs. Wright, who lives at Norval, near Doncaster, suffered a summer and winter with Eczema in her feet. She could not walk, and very seldom got any sleep. It became so bad that she was perfectly raw from the toes to the knees. After trying every available remedy without receiving any benefit, and almost hopeless of relief, she was advised to try Dr. Chase's Ointment. She has altogether used 8 boxes since commencing, but with the happiest results, for she is now completely cured. There is but one scar on one of her feet, a memento of her fearful suffering condition. Any person desiring further testimony in this case is at liberty to communicate with Mrs. Wright at her address, Norval P. O.

Mrs. Knight says after such a grand success, is it any wonder we recommend Dr. Chase's Ointment?
W. H. De Long, Civil Engineer, ex-Warden, and County Councilor, New Germany, Lunenburg Co., N. S., Oct. 28th, 1897, says:—"I had itching piles for thirty years, and have tried various kinds of pile cures, but none gave me permanent relief until I used Dr. Chase's Ointment. I have recommended it to others with the same result."
