## UPEI Junior Varsity Team BattERS

### NSAC Rams

By Matthew Beardsey

The UPEI Ladies Junior Varsity Basketball team won its first game of the year in impressive fashion trouncing Nova Scotia Agricultural College 71-44 Saturday at Alumni Game.

The Junior Varsity Team was sparked by former Lady Panther Ria Bahadursingh who scored 26 points and shot a sizzling 88% from the field. It was obvious that the NSAC team had never played against a team of this calibre. Bahadursingh had 7 steals on the day and forced the Ram Guards into numerous turn overs or travelling violations.

The game remained close in the early going with the Rams being able to close the gap at the end of the first half to 9 points. Then to start the second half the Junior Varsity Team switched it's defense from a zone to a straight man to man and it made the difference.

The first three time the Rams brought the ball up the court Bahadursingh stole it and flew in for easy lay ups. The entire JV team caught fire in the second half and hit everything the put

up. Charlottetown Rural grad Heather Campbell time and time again was able to drive inside and score on easy lay ups.

Guards Bonnie McQuaid, Cathy Lawlor and Jennifer Dunn all had good second halves from the field and were able to pressure the NSAC guards into countless mistakes. As a team they shot

44% in this second half as apposed to a paltry 29% in the first. The game was also a successful debut for Cindy Doyle who made her coaching debut at the University level.

The Junior Varsity Team should be an entertaining team to watch so if you get a chance to come out and support UPEI's newest team.
