DAILY MARKET QUOTATIONS

SUMMARY

BY THE CANADIAN PRESS

Toronto: Market mixed to lower; moderately heavy trading.

New York: Market higher; blue chips gain.

Montreal: Market continued to drop; active trading.

CURRENCIES

MONTREAL (CP) — The United States dollar in terms of Canadian funds was unchanged at $1.07 25-32. Pound sterling was unchanged at $3.01¾.

NEW YORK

NEW YORK (AP)—Continued heavy demand for outstanding blue chips today helped to push popular stock market averages into record high ground Monday day but losers outnumbered gainers in the list as a whole.

The popular market averages, taking off from their all-time peaks of Friday, rose substantially.

Standard and Poor's 500-stock index, which reckons in the number of shares of a stock as well as its price, advanced .47 to a new peak of 74.48.

The Dow Jones average of 30 industrials rose 3.78 to a peak of 759.39. At 2 p.m. the Dow industrials had crossed the 760 mark, reading 761.45, but late profit-taking cut back the gain which then stood at 5.84.

The Associated Press average of 60 stocks advanced .7 to a new high of 292.4 with industrials up 2.3, also to a new all-time peak, rails off 1.1, and utilities up 1.

Volume swelled to 7,190,000 shares from 6,380,000 Friday and was the largest since Sept. 6 when the 7,200,000 shares changed hands.

CONTINUE RISE

Following up their large gains of Friday, General Motors rose 2⅞ and American Telephone 1½, each touching new highs.

Despite this preponderance of winners on the most-active list, a loser was the volume leader, Raytheon, down 4⅜ at 28⅜ on 440,400 shares. This stock, which spurted last week on advance notice of its new laser device for the detection and treatment of cancer, was sold heavily on word from the company that revenues will not be enhanced immediately by the device and by further reports in the course of the session to the effect that a cancer cure for human patients could not be claimed.

Second was Sperry Rand, up ⅛ at 17⅜ on 258,300 shares. Third was General Motors, its gain of 2⅞ putting the stock at 87⅞ on 215,500 shares.

Next came Chrysler, off 3⅛ at 94, and Ford, up 2¼ at 54.

It was a good day for IBM as this stock re-crossed the 500 line for the first time since the dismal spring of 1962 when it sank from its 1961 high of 607 to a low of 300. IBM touched a day's high of 501¾ but closed at 497¼ for a net gain of 3¾.

Among Canadian issues traded, Hudson Bay Mining and International Nickel each gained ½ while Canadian Pacific was down ⅝ and Aluminum Ltd. ⅛.

On the American Exchange, volume was 1,510,000 shares compared with 1,490,000 Friday. Jupiter Corp. rose ¼ and Molybdenite 1-16 while Scurry Rainbow Oil dropped ⅝, Canadian Javelin ⅜ and Canadian Marconi and Brazilian Traction ⅛ piece.

NEW YORK

NEW YORK (AP)—Continued heavy demand for outstanding blue chips today helped to push popular stock market averages into record high ground Monday day but losers outnumbered gainers in the list as a whole.

The popular market averages, taking off from their all-time peaks of Friday, rose substantially.

Standard and Poor's 500-stock index, which reckons in the number of shares of a stock as well as its price, advanced .47 to a new peak of 74.48.

The Dow Jones average of 30 industrials rose 3.78 to a peak of 759.39. At 2 p.m. the Dow industrials had crossed the 760 mark, reading 761.45, but late profit-taking cut back the gain which then stood at 5.84.

The Associated Press average of 60 stocks advanced .7 to a new high of 292.4 with industrials up 2.3, also to a new all-time peak, rails off 1.1, and utilities up 1.

Volume swelled to 7,190,000 shares from 6,380,000 Friday and was the largest since Sept. 6 when the 7,200,000 shares changed hands.

CONTINUE RISE

Following up their large gains of Friday, General Motors rose 2⅞ and American Telephone 1½, each touching new highs.

Despite this preponderance of winners on the most-active list, a loser was the volume leader, Raytheon, down 4⅜ at 28⅜ on 440,400 shares. This stock, which spurted last week on advance notice of its new laser device for the detection and treatment of cancer, was sold heavily on word from the company that revenues will not be enhanced immediately by the device and by further reports in the course of the session to the effect that a cancer cure for human patients could not be claimed.

Second was Sperry Rand, up ⅛ at 17⅜ on 258,300 shares. Third was General Motors, its gain of 2⅞ putting the stock at 87⅞ on 215,500 shares.

Next came Chrysler, off 3⅛ at 94, and Ford, up 2¼ at 54.

It was a good day for IBM as this stock re-crossed the 500 line for the first time since the dismal spring of 1962 when it sank from its 1961 high of 607 to a low of 300. IBM touched a day's high of 501¾ but closed at 497¼ for a net gain of 3¾.

Among Canadian issues traded, Hudson Bay Mining and International Nickel each gained ½ while Canadian Pacific was down ⅝ and Aluminum Ltd. ⅛.

On the American Exchange, volume was 1,510,000 shares compared with 1,490,000 Friday. Jupiter Corp. rose ¼ and Molybdenite 1-16 while Scurry Rainbow Oil dropped ⅝, Canadian Javelin ⅜ and Canadian Marconi and Brazilian Traction ⅛ piece.
