NEW YORK

NEW YORK (AP) — Wall Street's mood changed Wednesday from gloom over a stalemate in the railway labor dispute to cheer because of progress in tax-cut legislation and the result was another stock market gain. Trading was fairly active.

An irregular decline that prevailed most of the session was reversed in late dealings as word came that the House of Representatives ways and means committee had approved an across-the-board slash in individual income tax rates.

In early trading the market seemed depressed by prospects that a railway strike was possible Aug. 29. However, the decline was irregular and small on balance. It didn't take much of an improvement to tip the scales to the upside.

The Dow Jones industrial average advanced 3.32 to 714.95.

Volume remained at a lively 4,420,000 shares compared with Tuesday's 4,450,000.

The Associated Press average of 60 stocks made a small gain of .2 at 273.4 with industrials up 1.5, rails off 1.2 and utilities off .3.

Parke, Davis once again was the most active stock, recovering ⅝ at 32⅜ on 114,500 shares. Second was Chrysler, off ⅛ at 61¼ on 85,200 shares.

News of proposed stock splits and dividend boosts was accompanied by gains of 3⅜ for Unilever N.V. and 1⅜ by Unilever Ltd.

Among Canadian issues, Aluminium Ltd. and Hudson Bay Mining dropped ¼, Dome Mines ⅝ and McIntyre Porcupine ¾. International Nickel gained 1¼, Distillers Seagrams and Walker Gooderham ⅜ and Canadian Pacific ¼.

American Stock Exchange prices were mixed. Canadian Javelin recovered from a selling squall and rose ½ to 11¾ in active trading. Molybdenite dropped 1-16. Fargo Oil gained ⅛ and Scurry Rainbow Oil ⅛.
