SPECIAL TELEGRAMS

TO THE

Charlottetown Associated Press.

Sackville, Dec. 28.

King William telegraphs to the Queen that General Manteuffel won a victory on the 23rd near Amiens taking 1000 prisoners. He pursued the French in the direction of Airas to-day. Accounts of the battle of the 18th at Nuitz from French sources says: the force opposed to the Prussians numbered 19,000 and 3 batterie of artillery. Contest lasted all day, and at evening the French retreated in an orderly manner 1000 yards. The new levies fought like veterans. Prussians abandoned Nuitz on the morning of the 19th, but subsequently returned and occupied the place. French lost 1200 killed and wounded, and they claim that the enemy lost 5000. French loss in sortie on the 21st reported 800. The sinking of six English ships in the Seine by Prussians, for the purpose of obstructing the navigation, has occasioned great indignation throughout England. British Vice Consul at Rouen has presented to Prussian commander formal protest against the acts of spoliation committed upon British subjects. Manteuffel in active pursuit of the French army of the North, captured some prisoners at Albert. Eight persons killed by railroad accident at Hatfield this morning.

JOHN P. MOTT'S CHOCOLATE BROMA AND OTHER COCOA PREPARATIONS, APPROVED OF AND RECOMMENDED FOR MORE THAN A QUARTER OF A CENTURY BY THE MOST EMINENT PHYSICIANS OF BRITISH NORTH AMERICA.—To those who desire the best productions of Cocoa, free from deleterious substances, unsurpassed in quality, and more nutritious than Tea or Coffee, the undersigned offers the above articles manufactured by himself. His Broma, owing to the peculiar process of manufacture, by which the oil of the nut is completely neutralized, while all its virtues are retained, affords, as well to the robust as to invalids, and those whose digestion is impaired, a delicate and salutary beverage. That its value as an easily digested and highly nutritious article of diet is recognized by the highest medical practitioners in the Dominion, the following testimonials amply demonstrate.

JOHN P. MOTT.

Having tried the Broma made by Mr John P. Mott, of Halifax, N. S., and having been made acquainted with its several ingredients, we are of opinion that it is a combination at once innocent and highly nutritious, not only to persons in health, but also to the weak and debilitated; and that, from the facility with which it may be prepared, and the salutary properties of its ingredients, it is a valuable compound, and we cheerfully recommend it to convalescents and all who require a mild and strengthening food.

HURRAH! HURRAH! HURRAH! FOR
BROADWAY!

"All Bunkum," or "No Bunkum," Bin, ask the Quane for what you want on her own strate; but hould your whist about

BROADWAY.

The cold, chilly winds of autumn have gradually and perceptibly, as the season advances, brought on the frosts and snows of grim King Winter, and favored Jack and Jill with their festive sports; and while nature is now busy weaving her white mantle to spread it again over the earth, may I take the opportunity of enquiring how you are off, gentlemen, for CLOTHING? Please examine your wardrobe, and if there are any garments required, walk into

BROADWAY

and get them. We can suit you to Overcoats, Jackets, Undercoats, Pants, and Vests, already made—made by ourselves—in the Latest

BROADWAY

Styles, Cheap and Durable. You can also order whatever kind of garments you require from our Stock of Cloths and Trimmings, *Unsurpassed*; which we will make at short notice, in the most fashionable New York Styles, which

BROADWAY,

and only Broadway, know how to furnish. Gentlemen, you can have all these cheap at the New York Clothing Emporium, on
