THE AMERICAN FAMILY MEDICINE.

THAT Mr. MOFFAT'S Life Pills and Phoenix Bitters have long since obtained a high and enviable distinction amid a host of competitors, and that they acquired it solely by their invariable, and almost unlimited efficacy, without the usual aid of fulsome puffery and pretensions, are well known to the public, and cannot be denied. While very little has been said concerning these astonishing Life Medicines by the proprietor himself, and not more than was necessary to call the attention of the afflicted to a sure and speedy means of relief, their renown has rapidly flown from one individual to another, and from family to family, until they have long since become known in almost every town and village in the Union, as a wonderful and inestimable blessing. Voluntary and unsolicited testimonials of their absolutely astonishing efficacy, in diseases of the most dreadful and obstinate character, as well as in others of prevalent and ordinary occurrence, have been received by the proprietor from the persons they have cured from every section of the country, and still continue to be received in increasing numbers. It is with pride and pleasure that the proprietor refers the public to his Medical Manual, where a widely varied selection of these testimonials is published, with the names and residence of the writers, because he has no hesitation in saying that the annals of Medical Science do not contain a greater number of variety of cures effected by any medicine known to the profession, or cures of a more frightful kind or of longer standing, coming as these testimonials do from the cured persons themselves, who certainly know best, from their own happy experience, whether they are cured or not. The evidence they afford of the pre-eminent and unprecedented efficacy of these grand remedies is perfectly irresistible, and commands rather than solicits the respect of the public. In addition to those already published, the proprietor is in possession of a vast accumulation of these personal certificates, demonstrating that his Life Pills and Phoenix Bitters are promptly and uniformly efficacious in Scrofula, in all its hydra-headed forms; Dyspepsia, whether chronic or occasional, Rheumatism, both acute and chronic, Jaundice and bilious affections, and all other eruptions of the skin; Pleurisy, Asthma, Bronchitis, and other affections of the chest, lungs and mucous membranes; pimples, stings of the skin, and the foul unhealthy appearance of the complexion, arising from whatever cause, nervous or general debility, headach, and giddiness, together with a vast variety of other maladies, in proof of the speedy and effectual cure of which by these medicines alone, the proprietor has hundreds, nay thousands, of certified testimonials. Both the Pills and Bitters are mild and delightful in their operation, producing none of even the temporary prostrations and nausea occasioned by nearly all other medicines; and they can be administered with safety to young children, and females in the most delicate health. Prepared and sold by Dr. Wm. B. Moffat, 375 Broadway, New York. For sale also by the agents.—New York, May 30. COOPER & BREMNER, Agents for Prince Edward Island.

THE FAMILY LIFE MEDICINES.

THE celebrated Life Pills and Phoenix Bitters, prepared and sold by Dr. Wm. B. Moffat, 375, Broadway, New York may now be said to be the most respectfully established and extensively adopted family medicines in the United States. They have not only won the sanction and recommendation of all the candid and philanthropic portion of the medical profession, who have observed their invariable efficacy in general derangements of the stomach and bowels, and their astonishing effects in many varieties of acute and chronic disease, but what is far better, these medicines have recommended themselves, and fully and fairly achieved the distinguished and now certainly pre-eminent position which they now occupy in public and domestic estimation. They are proved by their works, and make no appeal to vulgar credulity. If the proprietor were disposed to make an invidious comparison between these self-established medicines and any others, he might confidently assert and challenge contradiction that there is no medicine known to the medical profession, or named in their books, concerning which so many clear, unquestionable and conclusive evidences of usefulness and remarkable cures are recorded as those which he can adduce concerning the Life Pills and Phoenix Bitters. If it be admitted that sufferers from debility and weakness, when a remedy has relieved them and restored them to health and strength, then is the evidence in behalf of these medicines decisive and irresistible. Dr. Moffat is in possession of an immense accumulation of voluntary testimonials from respectable persons and families in all parts of the Union, far and near, who give their names and residence to the unsolicited statement that they have been completely and speedily cured of the following diseases, and of many others not here enumerated, by these Life Medicines alone, when other medicines had been long employed in vain, viz: Scrofula, in its most dreadfully advanced and destructive stages, when large portions of the flesh and bones of the face had been destroyed; Piles of five, ten, twenty, thirty and even thirty-five years standing; Rheumatism, both acute and chronic, of the most hopeless character; Turgescence of the Liver, and various other liver complaints; Bilious Cholice, and every conceivable variety of bilious affections; Marasmus Tabes, or Decline, and Marasmus Phisic, or Consumption, in more advanced stages than any on record; Dyspepsia, in all its chronic and acute varieties, with its frightful train of distressing symptoms; Worms of all kinds, both in children and grown persons; Diarrhoea, both serous and bilious; Costiveness, both habitual and occasional; Fever and Ague, in its three principal varieties, and intermittent and remittent fevers, of all kinds; Hypochondriasis, and other extremely complicated nervous affections, with nervous debility in general; Salt Rheum, Running Scald, and eruptive diseases generally, including Eanathesis, Erysipelas or St. Anthony's fire, and scald, unhealthy complexion; Palpitation of the heart, and Determination of blood to the head, settled pains in the organs, limbs, back, head, jaundice, dropsy and gout; together with those general affections of the system which arise from complicated causes.

The certificates of these cures are in the proprietor's possession, and will readily be shown to all who desire to see them. A small selection from them have been published in Moffat's Medical Manual, of which a new and enlarged edition is preparing for the press. The reason why these medicines, which in ordinary family use operate merely as mild and effectual laxatives, cure so great a variety of formidable diseases is, that while as cathartics, cleansing the alimentary canal, and relieving the liver and the absorbent vessels of all impurities, they lay the foundation for the cure of all specific diseases, they are compounded of unique and almost unexampled variety of choice and exquisite ingredients, some of which many compounds unknown to the profession, which exert a specific action upon the system, otherwise than in the slightest degree affecting the general system, otherwise than as simple purifiers, when those complaints are not present. Both the Pills and the Bitters are mild and agreeable in their operations, causing neither prostrations nor nausea, and requiring neither confinement nor peculiar diet. Their effects are uniformly to produce an immediate sense of renovated health, and new life and vigour to both body and mind. They cannot be taken without benefit, and they should be procured both by individuals and heads of families, and constantly kept on hand, not only as remedies but as preventives of disease. They are prepared and sold wholesale and retail, by Dr. William B. Moffat, 375 Broadway, N. Y., and also by the AGENTS—NEW YORK: COOPER & BREMNER, Agents for Prince Edward Island.

HOLLOWAY'S OINTMENT.

HOLLOWAY'S PILLS.

EXTRAORDINARY CURE OF A CASE

ABANDONED BY GUY'S, THE METROPOLITAN, KING'S COLLEGE, & CHARING CROSS HOSPITALS.

This fact was SWORN TO this 8th day of March, 1842, Before the LORD MAYOR, at the Mansion-House.

SUMMARY OF AFFIDAVIT.

Wm. Brooke, Messenger, of 2, Union-street, Southwark, London, maketh oath and saith, that he (this deponent) was afflicted with FIFTEEN RUNNING ULCERS on his left arm, and ulcerated sores and wounds on both legs, for which deponent was admitted an out-door patient at the Metropolitan Hospital, in April, 1841, where he continued for nearly four weeks. Unable to receive a cure there, the deponent sought relief at the three following hospitals:—King's College Hospital in May, for five weeks;—at Guy's Hospital in July, for six weeks;—and at Charing Cross Hospital at the end of August, for some weeks more; which deponent left, being in a far worse condition than when he quitted Guy's, where Sir BRANSBY COOPER and other medical officers of the establishment had told deponent that the only chance of saving his life was to LOSE HIS ARM! The deponent thereupon called upon Dr. BRIGHT, chief physician of Guy's, who, on viewing the deponent's condition, kindly and liberally said, "I am utterly at a loss what to do for you! but here is half-a-sovereign: go to Mr. HOLLOWAY, and try what effect his Pills and Ointment will have, as I have frequently witnessed the wonderful effects they have in desperate cases. You can let me see you again." This unprejudiced advice was followed by the deponent, and a perfect cure effected in three weeks, by the use alone of HOLLOWAY'S PILLS and OINTMENT, after four Hospitals had failed!!! When Dr. Bright was shown by the deponent the result of his advice and charity, he said, "I am both astounded and delighted, for I thought that if I ever saw you again alive, it would be without your arm; I can only compare this Cure to a Charm!!!"

Sworn at the Mansion-house of the City } Wm. BROOKE, of London, this 8th day of March, 1842, }

Before me, JOHN PIRIE, MAYOR.

IN ALL DISEASES of the Skin, Bad Legs, Old Wounds and Ulcers, Bad Breasts, Sore Nipples, Stoney and Ulcerated Cancers, Tumours, Swellings, Gout, Rheumatism, and Lumbago, likewise in cases of Piles; the Pills, in all the above cases, ought to be used with the Ointment; as by this means cures will be effected with a much greater certainty, and in half the time that it would require by using the Ointment alone. The Ointment is proved to be a certain remedy for the bite of moschettos, Sand-flies, Chiego-foot, Yaws, and Coco-bay.

Burns, Scalds, Chilblains, Chapped Hands and Lips, also Bunions and Soft Corns will be immediately cured by the use of the Ointment.

THE PILLS are not only the finest remedy known when used with the Ointment, but as a General Medicine there is nothing equal to them. In nervous affections they will be found of the greatest service. These Pills are, without exception, the finest Purifier of the Blood ever discovered, and OUGHT to be USED BY ALL!!!

PARR'S MEDICINE, ALL THAT IS REQUIRED.

THE fine tonic properties it contains usually restore the stomach to a healthy appetite, so much envied, but so seldom enjoyed by the invalid; the gently stimulating powers it possesses assist the stomach to properly digest the food it receives; the balsamic powers it bestows, dispose both mind and body to healthy exercise, and the varied duties of life are performed with pleasure. It, in addition, contains a fine sedative quality, and instead of long and weary nights, gives sound and refreshing sleep. It acts as the mildest and most agreeable purgative, and by its cleansing powers totally eradicates a redundancy of bile, and completely removes all obstructions of the intestinal canal. The powerful balsamic and invigorating effects on the whole blood and fluids produced by these Medicines is almost miraculous; many who have kept their beds for years have been so speedily reinvigorated, that their reappearance amongst their fellow-beings, who had given them up as incurable, is looked upon as the greatest of the many great wonders of this wonderful age. Diseases of every description have been cured simply by the use of PARR'S LIFE PILLS, thus showing that what has been considered different disorders, and requiring different treatment, all originated in the same cause, and can be cured by one uniform treatment. PARR'S LIFE PILLS, although powerful in conquering disease, yet are pure and harmless as new milk, and may be administered with confidence to the invalid, however weakly from long ill-health, who will soon enjoy those delightful symptoms of a return to strong health, viz: good appetite, sound sleep, and an increase of animal spirits. Those who have been the instruments of restoring the long-lost secret to the world, feel confident, when they make the assertion, that none need despair, that if only a fair trial be given, the result will be a restoration to health and happiness.

The Life and Times of Old Parr, who lived to be 152 years of age, 32 pages, with engravings, anecdotes, &c., and Remarks on Disease, Health, and the means of Prolonging Life, may be had gratis of all the Agents for the Sale of PARR'S LIFE PILLS.
