A Suggestion.

SIR,—It is a pity that better arrangements were not made at the laying of the corner stone of the new Masonic Temple yesterday. The large concourse of people who thronged the street were deprived of the pleasure of hearing Rev. Mr. Brewer's oration—it being delivered at the rear of the site.

If a platform had been arranged at the street edge and after the formal laying of the stone the brethren and orator had moved forward, the spectators would have been much advantaged. DICK.

THE CARPET BUSINESS!

(x)

SINCE WE HAVE OPENED OUR CARPET DEPARTMENT our trade has far exceeded our expectations. Our object in going into the Carpet business was to give people FAIR, SQUARE TREATMENT, and goods at the right prices. Now we claim, as our right, your patronage. You may ask WHY.

READ BELOW.

While our competitors for years were asking and getting $1.55 and $1.65 for 5-frame Brussels Carpet, and 36 cents for cheap Tapestry, we have sold our best Brussels for $1.15, and cheap Tapestry for 25 cents per yard—never asking more—which goes to show that our competitors have been making an enormous profit out of the people. This cannot be denied. We don't believe in monopolies, and have been the means of breaking the Carpet business in two, and taking the largest half ourselves. Competitors may feel sore, but we can assure the public it is not from overwork. We wish our competitors well, but we think this explanation necessary. WE CUT YOUR CARPET FOR NOTHING, don't charge for waste, and do all work in connection with HOUSE FURNISHING.

THE BEAUTIFUL STAR

Has vindicated her right to be called Beautiful from the universal admiration of our patrons for the Beautiful in Art. This is evidenced by the good taste they display in patronizing the Star Tailoring Establishment when they want something particularly nice and artistic. Our success in filling the bill has passed into a proverb, namely, when you fail to get suited at the Star Tailoring Establishment you are too fastidious for this yere world.
