## What a——(Story)!

For Neuralgia, a novel cure—which we hardly believe if true, will ever become popular—is vouched for, it is said, by a correspondent of the New York *Sun*. An Irish girl in Paterson, N. J., had suffered with neuralgia of the head and face until almost frantic with pain; actually beating the wall with her head to cause insensibility. Her employer having heard that a Dr. Tere had cured rheumatism by the sting of a wasp, asked the girl if she would try it. With courage born of despair, she exclaimed "Any other torture would be a pleasure beside this." A yellow wasp was obtained, and vexed into stinging her face. Within a few moments the pain ceased, the girl fell asleep, and strange to say, never again had an attack of neuralgia. Well, we don't blame her. The remedy was probably too heroic for a second dose. A learned specialist when told this yarn remarked, "The pain may have stopped temporarily, but it could only have been temporary." Continued he, "it is a fact that a sudden shock to inflamed and painful nerves will stop pain," but the remedy is worse then the disease, as many unthinking people in after years find out, who apply fiery and dangerous compounds externally to stop Neuralgia and Rheumatism. They only continue to shock the nervous system, ignorant of the fact that, as in the morphine of alchol habit their mental and moral nature is thus being gradually destroyed. "Make haste slowly, if you expect to cure any nerve disease" was the advice to a lady by a friend who had been cured of chronic Neuralgia by using for some time Johnson's Anodyne Liniment inhaled, taken internally, and applied externally, as advised in the wrapper around every bottle. Neuralgia is a fever or inflammation of the nerves, and only by degrees can any inflammation be cured; and then only by an anodyne treatment. Old Dr. Johnson had this in mind when he devised his Anodyne Liniment; a remedy now known to nearly every one, as it deserves to be. Surely a medicine without real merit could not have survived for eighty years as this one has done. jl wyl dy6 i

**STAR MERCHANT TAIORS,**

**The Original and Peerless Artists of Our Day.**

THE ABOVE HAS BEEN A SETTLED FACT FOR YEARS, and to keep before the public what is so well known to every good dresser in this Province, may seem superfluous. But as a good dinner tends to give a quietus to the disturbing influences within the inner man, so a thorough knowledge of our capabilities will give a quietus to anyone who may have had the good fortune of being dressed by us. The sun rises and sets, and it appears to the ordinary judgment that the sun revolves around the earth instead of the earth revolving around the sun ; so we, through the immense strides we have taken in our art, would appear to the uneducated to be moving around our many friends, instead of they moving around us ; like the sun imparts its warm rays to revive drooping nature, so we are the benefactors of our people, by aiming high and attaining to a STYLE and FINISH in our Garments, which cannot but commend us as the MERCHANT TAILORING PHILANTHROPISTS of our day.

Are you anxious to test the foregoing? Come in, then, and see our line of Goods, which are superior, in every sense of the word, and we will fit you out with a Suit which will doubtless draw the loving remark from your best girl that she has "the best dressed young man in town." Call early, if you must have it before 1st July.

The treatment of many thousands of cases of those chronic weaknesses and distressing ailments peculiar to females, at the Invalids' Hotel and Surgical Institute, Buffalo, N. Y., has afforded a vast experience in nicely adapting and thoroughly testing remedies for the cure of woman's peculiar maladies.

**Dr. Pierce's Favorite Prescription** is the outgrowth, or result, of this great and valuable experience. Thousands of testimonials, received from patients and from physicians who have tested it in the more aggravated and obstinate cases which had baffled their skill, prove it to be the most wonderful remedy ever devised for the relief and cure of suffering women. It is not recommended as a "cure-all," but as a most perfect Specific for woman's peculiar ailments.

**As a powerful, invigorating tonic,** it imparts strength to the whole system, and to the womb and its appendages in particular. For overworked, "worn-out," "run-down," debilitated teachers, milliners, dressmakers, seamstresses, "shop-girls," housekeepers, nursing mothers, and feeble women generally, Dr. Pierce's Favorite Prescription is the greatest earthly boon, being unequaled as an appetizing cordial and restorative tonic.

**As a soothing and strengthening nervine,** "Favorite Prescription" is unequaled and is invaluable in allaying and subduing nervous excitability, irritability, exhaustion, prostration, hysteria, spasms, and other distressing, nervous symptoms commonly attendant upon functional and organic disease of the womb. It induces refreshing sleep and relieves mental anxiety and despondency.

**Dr. Pierce's Favorite Prescription is a legitimate medicine,** carefully compounded by an experienced and skillful physician, and adapted to woman's delicate organization. It is purely vegetable in its composition and perfectly harmless in its effects in any condition of the system. For morning sickness, or nausea, from whatever cause arising, weak stomach, indigestion, dyspepsia and kindred symptoms, its use, in small doses, will prove very beneficial.

**"Favorite Prescription" is a positive cure** for the most complicated and obstinate cases of leucorrhea, excessive flowing, painful menstruation, unnatural suppressions, prolapsus, or falling of the womb, weak back, "female weakness," anteversion, retroversion, bearing-down sensations, chronic congestion, inflammation and ulceration of the womb, inflammation, pain and tenderness in ovaries, accompanied with "internal heat."

**As a regulator** and promoter of functional action, at that critical period of change from girlhood to womanhood, "Favorite Prescription" is a perfectly safe remedial agent, and can produce only good results. It is equally efficacious and valuable in its effects when taken for those disorders and derangements incident to that later and most critical period, known as "The Change of Life."

**"Favorite Prescription,"** when taken in connection with the use of Dr. Pierce's Golden Medical Discovery, and small laxative doses of Dr. Pierce's Purgative Pellets (Little Liver Pills), cures Liver, Kidney and Bladder diseases. Their combined use also removes blood taints, and abolishes cancerous and scrofulous humors from the system.

**"Favorite Prescription"** is the only medicine for women, sold by druggists, **under a positive guarantee,** from the manufacturers, that it will give satisfaction in every case, or money will be refunded. This guarantee has been printed on the bottle-wrapper, and faithfully carried out for many years.

**Large bottles** (100 doses) **$1.00, or six bottles for $5.00.**
