

SENIOR W

For those of you who graduate this year, and this includes you education majors and engineers, Senior Week 1982 is fast approaching. The Senior Class executive has spent a considerable amount of time in planning the activities for this week, which runs from April 26 to May 2.

The cost of registering for Senior Week '82 will be \$20.00. While this may seem high at first, please remember that this means you will receive over \$35.00 worth in free entries to events. Seniors will be admitted free to two main events, one formal ball, one banquet, and two other dances, along with several other functions. Those who register for Senior Week will receive a package which will include buttons and mugs (or hats if you want to pay another dollar) and the kangaroos will be available to be picked up.

Please show your support for the Senior Class and participate. Senior week won't be a success without YOU!

Senior Week starts on Monday with a registration pub in the afternoon at the Barn. A BBQ with hot dogs and hamburgers will follow.
