Senior Stuff— The voice of the Senior Class

Well, graduation is drawing nearer really quickly and as we all know, that means that Senior Week is too! The main purpose of the Senior Class Executive is to organize that infamous week and to raise the money needed to

fund all of the fun things that we have planned.

The best way to find out what these people look like, to get to know them and to make sure that

your opinion about Senior Week events is known and listened to is to come to the Senior Class General Meetings.

Did YOU make it to the last meeting? If not, let's fill you in!

Last semester proved to be semi-successful for all of our events. Congrats go out to Holly LeLacheur - our Christmas Basket winner.

A big THANK YOU! to Gordie Cox for all of his help - and for his continuing efforts! We really appreciate your help!

Also, thanks go out to Scooter and the Business Society. They have shown tremendous support this semester. Keep it up guys! Take that as a hint to all societies and individuals!

If you would like to see your name(s) in a future edition of 'Senior Stuff', do something nice for us!

Have you had your graduation pictures taken yet? With the rather large wait-

ing period between when you get them taken and the finished products are finally in your hands, it's important to get them done NOW!!! That

will also ensure that they make it into the yearbook!

Heckbert's phone number is 566-5500 and Boily's is 566-1624. If your pictures were taken by some other company, get in touch with the yearbook staff to find out what you have to do to make sure that your face appears in the yearbook.

Our pub for this semester is scheduled for March 4th. We're planning on a Pub Crawl and Pub! Watch future issues of the GEM for more details - but try to get a team together soon. Also, the crawl isn't limited to just us seniors! Frosh, Sophmores and Juniors are all invited to come crawl with us!

One last thing! Talk to us - let us know what you think - give us any ideas that you come up with - it's your week too! There will be lots

of upcoming events that need your ideas, input and help,

not to mention Senior Week arrangements! If you leave it all to us to decide, you may end up with your convocation ball in the parking lot at K-mart and the banquet in the Caboose at McDonald's. You just never know!

Do you have any ideas for a theme for our week or a T-shirt design? Let us know!

We now have a computer account so you can contact us by writing to username SENIOR. If computers intimidate you, you can contact us through Marie Burke at the Alumni Office down at the Planetarium. The phone number there is 566-0561. If neither of these two options seems right for you, talk to us after the meetings, chat with us on campus or wherever else we happen to be, send a telegram...smoke signals even, we don't care as long as you get involved!

Bye for now!

-Doris, Rob, Les, Mary
