Threshing is now general throughout this district with Mr. Daniel Bradley of Borden handling most of the beds. Mr. Bradley has a large new threshing outfit capable of putting from 1500-1600 bushels a day under ideal conditions. Mr. Bradley's record for a single season is slightly in excess of 50,000 bushels. A far cry from the day of the old tread mill, yet times were not too darn bad in those days either.

Another fine evening's entertainment was offered at the cribbage tournament held in Savage Harbour School on Thursday night. Duncan "Duggie" Doyle who on previous nights had always pressed the winner came into his own at last by winning the night prize and going into lead the tournament with the highest total score to date.
