

UPEI

Now that you are here at U.P.E.I., and have become part of our big happy family, we the staff of Radio U.P.E.I. wish to welcome you to our home for the year 72-73.

We are going to try and make your stay here, one that you will remember for many years to come.

We can do this in two ways: 1. To bring you music and information by means of the air waves, or 2. to have you come and work with us here in the studio. (The second

one interest us more.)

If you are the shy type, and can't see yourself talking to 1000 people over the air, it doesn't cut you off from working here at Radio U.P.E.I. (There are many different jobs available)

So why don't you give us a try. If you have any questions about the

station, just come and see us when we are doing some of our "live" broadcasts this week and we will be glad to clue you in on what makes us tick. Our office is on Fourth Main. COME SEE US.

Give us a thought. You might never be the same!! if you don't, at least give us a try.

ORIENTATION ACTIVITIES

Paul
&
Sue

This year, orientation plans began in July and we feel they have resulted in a program that integrated all the aspects required; that is, social, academic and community involvement.

The program commences on Tuesday morning September 5 with the registration of Freshmen for Orientation and continues through until Sunday evening, concluding with a concert by "Edward Bear" at Confederation Centre. Other highlights are: Course information and Barbeque on Wednesday, Shinerama (which is a must!) and Rinky Dink Night on Thursday, Course Registration on Friday followed by a Kangaroo Court and Pig'n'Whistle in the Barn with "Dutch Mason". A beach party and movies highlight Saturday and on Sunday, there is an interesting interfaith service in the Chapel as well as the "Edward Bear" concert.

We invite participation by all Freshmen and Upperclassmen so as to make total involvement the "in-thing" to do!

pub patrol

Since last May when the P.E.I. government lowered the Age of Majority to 18, those who would have been nailed for illegal possession have theoretically enjoyed the wettest summer of their lives sitting in pubs and lounges eagerly gulping down pints of ale and beer and even a cocktail or two, just like Mom and Dad and all the other grown-ups.

So, for the benefit of all the new students to UPEI the Cadre, in its infinite wisdom and experience, has decided to publish the names of the pubs in Charlottetown so that they too may appreciate the cost of higher living.

Gentleman Jim's- Located in the K-Mart Plaza on University Avenue-Discotheque-and 90¢ per pint on week-ends.

UPEI Panther Club- Not fully licensed- operates on Banquet Licence. To be open at least one night per week plus an attempt will be made to have it open on Saturdays from about 7:00pm to midnight. Beer is only 50¢ per pint. Wine is also sold at reasonable prices.

Granada- Above the Old Spain Restaurant on Kent Street.

Charlottetown Hotel- Kent Street- huge lounge with quiet atmosphere.

Jolly Knight- Kent Street.

Smuggler's Jug- Confederation Inn on the Trans-Canada Highway. Sharp lounge.

Georgies'- Bootleggers on King Street.

Prince Edward Room- Night Club with live entertainment-cover charge.

Tack Room- In the Islander Motor Lodge on the corner of Kent and Pownal Streets.

Sportsman's Club- Kent Street.
