Plans Go Ahead For 105th Reunion In S' Side Next Month

A meeting of the Executive Committee elected to make arrangements for the 105th Battalion Reunion was held Wednesday last in the office of the Vocational School, with the President Mr. J. Matthew Lee in the Chair. Amongst those present were Mr. Henry J. Bernard and Mr. Jerry Doucette from Summerside, who reported arrangements for the business meeting and banquet which will be held in the Legion Home at Summerside on 6th August were well in hand. Up to the present the response to the invitation to attend the reunion has been good, and a large attendance is expected including members of the old Battalion now residing in the other Provinces and the United States. Regret was expressed at the passing of Mr. Guy Wood who only a few weeks ago attended the last Executive meeting. The Secretary, Mr. Edward MacPhail stated that letters of sympathy had been sent to the next of kin of several deceased members, and that other similar letters would be sent in a day or two to relatives of members of the Battalion who have recently passed away. A nominating committee was appointed to bring in a slate of officers for consideration of the business meeting of the reunion. Mr. Ira Brown, Secretary, presented the financial statement which was very satisfactory. The business meeting will be held in the afternoon of 6th August, which will be followed by a parade to the monument for the purpose of placing a wreath in honour of departed members of the Battalion, after which the banquet will take place, during which short addresses and music will take place - including the marching song of the Battalion. The members of the Ladies Auxiliary of the Summerside Branch of the Legion have kindly undertaken to provide the dinner.
