Island Scout's

(Continued from page 3)
Grand and is in the same Patrol as I am. Our Patrol Leader is John Sunda-Winch from B. C. and I was appointed as second in command. Our Patrol is the "Lion" Patrol.

Saturday afternoon we took a swim in the Westmount Y. M. C. A. for a swim in the pool, this was very refreshing and was needed by all.

Saturday night we had a banquet in the assembly hall of Provincial Headquarters with many prominent Scouters attending, two of which were Mr. Jackson Dodds, Deputy Chief Scout for Canada and Mr. R. MacKie, the Provincial Executive Commissioner for Quebec.

After the banquet we had ringed seats for a circus at the Montreal Forum. This circus had elephants, horses, dogs, trapeze artists and many other acts. This show was enjoyed by all. The trip was well spoken of, and was a good trip by both the French and English masters of ceremonies.

Sunday morning we paraded to St. George's Anglican Church for the 11 o'clock service.

Sunday afternoon we were taken on a bus to "Canadair" for a conducted tour of the plant. In this plant is manufactured the T-33 trainer jets and the F-86 Sabre jets. The trip was educational and interesting.

On the way home we went to Westmount where we could look south, east and west over the city. Here many of us took some good pictures.

From 5 p.m. to 10 p.m. we were given free time to visit relatives. On the way home on the tram I could not find my station to get off, the result was I was lost for a while about four miles from headquarters. I was fortunate to find my way back before the 10 o'clock deadline.

Monday morning was spent in sprucing up for our afternoon inspection. At 2 p.m. we proceeded to the Armouries of the Royal Canadian Regiment, on West St. Catherine Street. We were led by the Montreal Boy Scout Pipe Band.

At eight o'clock we again formed ranks in front of headquarters. They led us to head the parade to Windsor Station. On our way past the Windsor Hotel the crowd clapped us, this made us feel proud of our colors and uniforms.

As we entered Windsor Station the noise of our band as it played and the shouting and the clapping and cheering of the people made us all proud to be citizens of our great country of Canada. It made us stick out our chests and "rock" a smile.

The Scout brass band is the only one of its kind in Canada, and truly a marvellous group of musicians. As we were breaking off for our departure the band started to play the march "Thunder" a truly magnificent march and then "Auld Lang Syne" as we picked up to Canada for the next six weeks.

Fiftieth Anniversary Presentation

—On the occasion of the 50th anniversary of his ordination to the priesthood, on Sunday, May 17th, Rev. G. J. MacLellan, V. G. pastor of St. Paul's Church, Summerside, was presented with an address by the trustees of the church, on behalf of his parishioners. The address was read by Mr. E. P. Foley at the conclusion of the solemn high mass which was celebrated by Monsignor MacLellan. He is seen above receiving a presentation from one of the trustees, Mr. Mark Gaudet.

Prisoner Describes

(Continued from page 1)
of the cash register having been forced open and a small amount of money taken.

—Trouble With Locks
Sheriff J. Hubert Hall, the fourth witness called, said that there has in the past been trouble with escapes from Prince County Jail and indicated that at least part of the cause was due to the faulty and inadequate locks on various doors in the institution.

Following previous trouble with escapes, the Attorney-General had verbally indicated that action should be taken to prevent breaks from occurring. Pursuant to this, and in company with the jailor, the Sheriff had examined the locks and changed several of them.

He produced a lock from a door leading upstairs from the cell section on the main floor, which he had altered as a protection against escapes. The lock, after being changed, worked in the fashion of an automatic night latch and could not be opened from either side except by use of a key or by "jimmying" with a jack-knife or similar instrument.

He said that the lock as he found it after the last break was not as he had left it, and indicated to the court the change that had been made in the lock. There were also scoring marks on the latch which would indicate that it had been "jimmied" by a sharp instrument such as a jack-knife.

He referred also to the lock on the main door which had not been in working order until he had it changed long ago for one that required a key to get in or out when the bolt action was set.

The accused, Joseph Arthur Cannon, had assisted in installing the new lock. It had not been installed for more than two or three weeks before the witness found the inner mechanism had been broken.

He said this type of lock is not made any more and he has been unable to get parts to repair it. After the escape on May 15th the jailor in a search had found a key that fitted the registry office located in this building.

The witness had also found a key but did not know what lock it was designed for.

Orders Not Obedied
He said that for the last three or four years there have been orders to keep all prisoners locked in their cells from dusk on.

He said this order applied to all prisoners except those under supervision while cleaning offices in the building.

He said he had checked on the orders many times and had found they were not being complied with, and on each occasion he would reiterate the order to those in charge.

The preliminary hearing is being held before Magistrate R. S. Hinton, Q.C.

Mr. D. O. Stewart, Q.C., is representing the crown, while Mr. Lowell Allen, at the request of the crown prosecutor and with permission of the Attorney-General, has been assigned as counsel to represent the accused.

At the conclusion of the evidence of Sheriff Hall the case was adjourned until Tuesday morning.

Board of Directors: — Patron, Lieut.-Governor T. W. L. Prowse; Honorary President, Hon. G. D. DeBlas; President, Dr. Lloyd Shaw; Vice-Presidents, Rev. M. D. Dunbar, Charlottetown; Mr. A. H. Hubley, Summerside; Rev. E. C. Evans, Charlottetown; District Secretary, Rev. E. M. B. Wheelock, B.A.; Saint John, N.B.; Secretary, Mr. J. E. H. Worth; Treasurer, Mr. A. G. Putnam.

Executive — Rev. H. R. Bell, Kingsboro; Mr. S. T. Green, Charlottetown; Rev. W. A. Harper, Summerside; Mr. Heber MacPhail, New Haven; Rev. C. A. Britten, Central Beedevue; Rev. J. T. J. J. Black, Charlottetown; Rev. T. H. B. Somers, Charlottetown; Rev. C. Daniel Matheson, Summerside; Rev. W. G. Hogg, Charlottetown; Rev. L. M. Murray, Kensington; Rev. J. Davidson, Charlottetown; Rev. Rev. M. D. Dunbar acted as secretary in the absence of the regular secretary, Mr. J. Ernest H. Worth.

Gen. Gridley came here with his attractive wife and was greeted by Hon. Brooke Claxton, acting prime minister, the chiefs of staff,

Wage Increases For General Motors' Employees In U. S.

DETROIT, (AP)—General Motors Corporation and the United Auto Workers (CIO) agreed Friday on changes in their current five-year contract to provide pay raises and other benefits for 350,000 workers throughout the United States.

The agreement was reached as separate strikes in four midwestern parts plants led 135,655 workers idle in the automotive industry.

President Walter Reuther of the UAW said the union would "press immediately" for similar concessions from other major manufacturers which have long-term contracts with the union.

Shortly after the GM-UAW announcement, James B. Carey, president of the CIO Electrical Workers Union, said GM and his union had reached a similar agreement covering 40,000 GM electrical workers.

GM president Harlow Curtice termed the GM-UAW revisions "a practical solution to problems created by the Korean War with its resultant inflationary impact and the re-institution of government wage controls."

Murder Charge In Stabbing Death

ROCKLAND, Ont., (CP)—Joseph George Lahaie, 38, charged with murder in the knife slaying of Anthony Lalonde, 36, of Bourget, Ont., was arraigned Friday in magistrate's court here Friday and remanded to next Monday.

Monday he will be arraigned at L'Orignal, Ont., and it is expected he will be given a further remand, with June 12 set as the date for preliminary hearing.

Lahaie, who last Saturday walked into Ottawa police station and told police he stabbed Lalonde to death in a quarrel, was not represented by counsel and did not plead.

Louise Capello, 19-year-old Ottawa girl, with Lahaie at Lalonde's home on the night of the slaying May 5, and who is being held in L'Orignal as a material witness, was not in court.

Railway Gang Cook Arrested On Murder Charge

NORTH BAY, Ont., (CP)—Mervyn Hutson, 29, was arrested at Cochrane Friday in connection with the slaying of a three-year-old girl left in his care Wednesday.

North Bay police hold a murder warrant for Hutson and said the girl was criminally assaulted before her death.

Hutson, a railway gang cook from Englehart, Ont., offered no resistance.

Hutson was the object of a widespread search after he and Susan Hutchins of North Bay, disappeared from a tobacco store. The girl's mother left the child in his care while she shopped.

Susan, almost-a-year body was found Thursday night in an undergrowth on the city's outskirts just 24 hours after she had been left with Hutson.

Hutson, a Second World War veteran who carries a metal plate imbedded in his skull, has been under treatment by a North Bay doctor.

Frank Hutchins, Susan's father, said he had known Hutson about two years, but that his wife had

and diplomats from NATO countries.

At his press conference he was asked whether he thinks Canada has been doing enough in Europe. His reply was that no general ever thinks he has enough but that "the great collective effort by all NATO countries is highly encouraging."

Concert Changes

Owing to unforeseen circumstances the Tryon and North Tryon Women's Institute variety concert will be presented on next Wednesday night, May 27th only, instead of Tuesday and Wednesday as advertised. Tickets for Tuesday may be used on Wednesday and anyone who is unable to use his ticket can get a refund.

Because of many requests for a repeat performance of the Fashion Show of 1951, the review will be presented again this year with additional models.

The concert committee are happy to announce that two very popular and well known singers will be heard on the program, P/O Ralph Emery and Mr. Norman MacDonald of Crapaud.

The evening's entertainment also includes two amusing one-act plays "Mushrooms Coming Up" and "Operation Cold Cure".

The last mentioned is to be presented in the Drama Festival one-act play finals in Charlottetown.

Probe Whether Cerebral Palsy Is Inherited

OTTAWA, (CP)—An investigation is being made at the Hospital for Sick Children in Toronto to find out whether cerebral palsy is inherited, the health department has announced.

The illness is believed to be caused primarily by abnormal conditions at birth. The present research will try to assess the importance of prenatal disturbances.

A study will be made of 150 family groups into which a child with cerebral palsy has been born. If it is shown that the illness occurs through inheritance or other prenatal causes, doctors will be able to start work on new methods of prevention.

The study, believed to be the first of its kind, is being made by James R. Miller, research assistant under the direction of Dr. Norma F. Walker, director of the department of genetics at the children's hospital.

Preparing To Handle Fainters

LONDON, (CP)—Energy pills have been concocted by chemists to help speed traffic through first-aid posts for persons who faint on Coronation Day.

There will be 119 first aid posts throughout London and if the 1937 Coronation is any indication the posts will be loaded with fainters.

In order to keep the posts reasonably clear for incoming fainters, chemists have produced pills of pure glucose which gives energy quickly because it passes directly through the bloodstream to nerves and muscles.

About 40,000 of these pills will be ready to get fainters back to their places in time to see the next band go by.

MONTREAL, (CP)—After holding the post for 40 years, J. E. F. Martin is retiring as organist and choirmaster of the Anglican Church of St. James the Apostle, Native of Wales, he came here from Edinburgh as a youth.

met him only recently. The child's body was discovered by three children who had set out to look for her.

S'ide Man Drowned Accidentally In Yukon, Parents Are Informed

Mr. and Mrs. Ernest Deigan, Cambridge Street, Summerside received the sad news yesterday morning that their son, Ernest Junior, had been accidentally drowned at Watson Lake, Yukon, on Wednesday. The message was received yesterday by the local R. C. M. P. and there were no particulars. Up to last evening no further details had been received and it was not known if the body has been recovered.

The young man had been working at Watson Lake as a truck driver on a construction job for the R. C. A. F. On Tuesday of next week he would have been twenty-one years of age.

Before leaving his home town he had been an outstanding athlete and had played hockey during the past winter at Lacombe, Alberta. His ability in Baseball and softball was of a high order as well.

Besides his sorrowing parents he leaves to mourn ten sisters and six brothers as follows: Elsie, Mrs. Sabrina, Mrs. Lorne Keefe, Cooksville, Ont.; Kathleen, Mrs. Joseph Coady, Fort Good Hope, N. W. T.; Ethel, Mrs. Austin Pendergast, Kensington; Sister Rita Deigan of the Sisters of Service, Sisseton, S. Dak.; Sister Mary of Fatima, Sisters of Martha, Mt. St. Mary's, Charlottetown; Blith, Mrs. Keith Miller, Toronto; Joan at home; Isabel and Susanna attending High-nish Convent. The brothers are Charles, Richard, Gregory, Billie and Francis at home, and Stanley in Toronto, S.

Psychology. Kewick also rejected ideas about moving the company's domicile from Britain to Canada, as some shareholders have suggested.

Kewick said that at May 8 this year, 47 per cent of the company's shares were held in the United Kingdom, compared with 68 per cent a year ago. Shares held in Canada totalled 17 per cent compared with 16 per cent in 1952.

H.B.C. To Stand Pat On Present Oil Policy

By ALAN HARVEY Canadian Press Staff Writer
LONDON, (CP)—William Kewick, a former governor of the Hudson's Bay Company, has indicated the company plans to stand pat on its present oil policy.

Shareholders attending the 284th annual general meeting were told Friday that on oil—"that speculative and glittering carrot"—the company intends to continue development at a measured pace, resisting what he called "boom" psychology.

Coronation Alta. (CP)—Boys and girls in this town 150 miles southeast of Edmonton have frequent pony rides. Since Bert Healy bought a Shetland pony for his young son 12 years ago, he has built up a herd of 30 ponies, with free rides for all youngsters who behave properly.

Veterinary Service

Dr. John Mustard, Veterinary Surgeon of O'Leary is moving and will be replaced by Dr. Maurice Clark on or about June 8th. In the meantime a Veterinary Student Assistant will be available at Dr. Mustard's office.
