CRICKET.—Cricket on the park to-morrow—militia vs. all comers. A full attendance is requested, as in this match Judge Young's prizes will be competed for.

LOOK HERE.—Read the Diamond Bookstore man's advertisement, then come down to the Bazaar Company and buy your goods. You have been doing that for the past four months. Keep it up.

THE "HALIFAX."—The steamer Halifax arrived at Boston at noon on Thursday last, with 250 passengers. The popularity of this steamer on the route to Boston has developed a large amount of travel by way of Halifax.

FOR BOSTON.—The steamer Carroll, Captain Brown, sailed for Boston last evening, with a general cargo, among which were 500 brls. mackerel, 500 cases lobsters and about 800 cases eggs. She also had 64 passengers.

A PLEASANT TIME.—The promenade concert on the steamer Southport last night was not so largely attended as was expected, but was nevertheless greatly enjoyed by those present. The Citizens Band furnished excellent music.

BIG WHEAT FARMS.—The largest wheat farm in Manitoba is that of Mr. Sandison, of Brandon, comprising 1,800 acres. Mr. Sandison also had 300 acres of other grains. He expects to harvest 50,000 bushels of No. 1 hard wheat. The next largest farm is that of Adam McKenzie on the Big Plains. He has 1,300 acres of wheat, all in first-class condition and promising a large yield.

CARPETS.—James Paton & Co. have been unusually busy in this department, and offer the finest assortment in the Province. No old stock to be got rid of at any price, but the newest and choicest patterns that are made. Everyone admits our prices are low and our stock superb. If you want a carpet, be sure to go direct to James Paton & Co. and you will make no mistake. aug22 31

NO CHANGE NECESSARY.—As the ceremonies at St. Dunstan's College will conclude at an early hour it has been decided to retain the date already announced for Mrs. Scott-Siddons dramatic recitals and she will positively appear at the Y. M. C. A. Hall Thursday evening the 28th inst. Tickets are now for sale at the usual places. Only a limited number will be sold. Procure them early.

L. O. L.—At the meeting of the Grand Lodge in St. John, on Wednesday, the sum of \$250 was set apart for sending a lecturer to Newfoundland and P. E. Island to explain the principles of the order and the working, and it was considered that Rev. C. E. Perry was the proper member to do the work. Among the list of officers elected we notice the name of Mr. J. H. Bell, of Charlottetown, who has been chosen deputy grand lecturer for this province.

MOURNING GOODS.—Owing to the extraordinary good value in our Black Dress Goods this season, we have been almost completely sold out for the past three weeks. We have pleasure to inform the public that we are now receiving a large shipment of mourning fabrics and other goods, sent out by Mr. Paton, who is now in London, and will be pleased to show customers the very best goods that can be offered at bargain prices.—James Paton & Co. aug22 31

FALSE ALARM.—There was no fire this afternoon, although the bell rung and there was a general turnout of the fire department. The alarm was sent in apparently from box 231, corner of Euston and Prince Streets, and must have been occasioned by the apparatus or wires being interfered with in some way. A short time ago a similar alarm was sent in from the box at the corner of Rochford and Euston Streets, but, as was the case to-day, there was no fire. These false alarms are very annoying, and an effort should be made to find out their cause.

STARVED TO DEATH.—Sackville, N. B., advises state that Stewart Estabrooks, of Middle, went into the woods a few days ago in search of a three-year-old heifer, which was within a few weeks of calving, and a pair of steers. In passing a lumber camp he found the animals within, dead. It is supposed the door of the camp had been left open and the cattle entered, after which the door closed, the cattle then starving to death. This is the second case of a similar character that has happened within a few weeks, the other being the loss of a pair of cattle by Archibald Simpson.

MRS. SCOTT-SIDDONS.—Speaking of her the Victoria, B. C. Colonist says: "Her dramatic power has lost none of its old time force, her voice retains its sweetness and its adaptability to the expression of every phase of passion, and her stage presence is just as majestic as when she first astonished the world with her ability to interpret the thoughts of the greatest dramatists that the world has known. Y. M. C. A. Hall, Thursday August the 28th, inst.

ADVICE TO MOTHERS.—Mrs. Winslow's Soothing Syrup has been used by mothers for children teething for over fifty years with perfect success. It relieves the little sufferer at once; it produces natural quiet sleep by relieving the child from pain; and the little cherub awakes as "bright as a button." It is very pleasant to taste. It soothes the child, softens the gums, allays all pain, relieves wind, regulates the bowels and is the best known remedy for diarrhoea, whether arising from teething or other causes. Twenty-five cents a bottle. spt1890dyo-dwkyly

Furniture auction.—Mr. Robert Bearisto, Auctioneer, will sell by auction on Thursday, the 28th inst., all the household furniture of the late Mrs. Henry Palmer.
