### THEY WOULD DIE TOGETHER.

A curious and romantic case was before the Essex assizes recently. Alfred Rowland Harrington Hill, rather a good-looking young man, was charged with attempting to wound Miss Emily Spooner and attempting to commit suicide. The two were lovers and as the prospects for marriage were not bright they agreed to commit suicide together. They met one night in August to carry out the compact. They wandered about the fields near Dagenham and Hill gave the young woman some laudanum and drank some himself. If the drug did not take effect, Hill was to kill his sweetheart with a knife. As the laudanum seemed slow, Hill, with the permission of Miss Spooner, inflicted a wound in her neck with a small table knife. This wound did not prove serious, and Hill had not courage to inflict another. The ill-starred pair wandered around all night and most of the next day in a wretched plight. Finally they took refuge in a farm house. The police were notified of their condition and Hill was arrested and committed for trial. He pleaded guilty to attempted suicide and sentence was postponed.

### ENDORSES DR. ROSE.

**A Quebec Physican who Corroborates Dr. Rose's Opinion.**

PORTLAND, Dec. 3.—The letter of Dr. A. G. McCormick, of Richmond, Que., testifying to his complete and permanent cure from Bright's Disease by Dodd's Kidney Pills, has been read with much interest here, supporting as it does the recent letter of Dr. E. A. Rose, of this place, who was cured of Diabetes by the use of these pills. Of course no furthe corroboration of the curative qualities of Dodd's Kidney Pills was required other than the testimony of Dr. Rose, but it is a satisfaction to know that other medical men are able to join the Dr. in testifying to the worth of the pills from personal trial.

Stranger—What did he do?

**Testing His Honesty.**

Your druggist is honest if when you ask him for a bottle of Scott's Emulsion he gives you just what you ask for. He nows this is the best form in which to take Cod Liver Oil.

"Why did she refuse him?"

"He thought too much of himself."

"That is better than thinking too little of himself. I shouldn't think she would have refused him for that."

"Well, you see, he thinks himself the best man in the world, and she had said she wouldn't marry the best man in the world."—New York Press.

### "MAKE HENS LAY."

Such is the caption of an advertisemen that appears not only in the local, but many leading agricultural papers, and which suggests the propriety of a few thoughts upon the subject. It may be laid down as a rule that most people indulge in raising poultry not for the pleasure it gives, but for the profit that is realized from the same, which must come from young chicks or eggs, and since the chick must come from the eggs, the real profit may be traced to egg production, so the advice given in these words is of vital consequence to the poultry raisers. "The advertisement referred to recommends Sheridan's Condition Powder to make make hens lay, and so do we," says Mr. A. F. Hunter, poultry editor of Farm-Poultry. A hen to lay prolifically must be in perfect health, must be in condition, and here is based the true theory of the value of Sheridan's Condition Powder—it promotes the general good health of the fowl, gently quickening digestion, and stimulating all the various organs of the body as well as the ovaries, to perform their functions." At this season of the year the use of Sheridan's Condition Powder is very valuable for laying hens and young pullets. By its use now they will get to laying earlier when the price for eggs is very high. I. S. Johnson & Co., Boston, Mass., the only makers of Sheridan's Powder, will send for 50 cents two 25 cent packs, five packs for $1.00; or for $1.20 one large two pound can of Powder, postpaid; six cans $5.00, express prepaid. Sample copy of the best poultry magazine free.

It is clear, hard and almost smokeless. The coal can be placed in the holds of ships without any intermediate handling. This will be a great benefit to the Australia-Canadian line of steamships, tending to cheapen the cost of transport.

Grerthart—And you saw him insult the womrn and didn't knock him down?

Littlesole—What! strike a man in the presence of a lady?

Grerthart—Lady? What lady?

Littlesole—Why, the lady he was insulting!

Toothach, Faceache, Inflamed and sore eyes, are certainly cured by Pound's Extract: sold in our bottles only.

COD LIVER OIL has long been known to the Medical Profession as perhaps the *best single remedy* for CONSUMPTION and other Wasting Diseases—but most sick or ailing people have an unconquerable aversion to it, *in its crude state.*

The Hypophosphites of Lime and Soda are only second to COD LIVER OIL in their curative effects, in the above complaints. In PUTTNER'S EMULSION the Oil, while retaining all its medical virtues, is completely disguised both from eye and palate, so as to be agreeable to the most delicate stomach, while its curative effect is enhanced *one hundred per cent.* by its scientific association with the salts of Phosphorus.

For sale by all Druggists at 50 cents a bottle.
