

LOCAL AND OTHER ITEMS

OFF AGAIN—The Marblehead will leave port in the morning for a cruise around the Island.

ANOTHER BARBER SHOP—The Messrs. Moore Bros. have opened a hairdressing shop on Upper Queen Street and furnished it in good style.

AT HALF MAST—The flag on the A. O. H. Hall is flying at half-mast today, in respect to Mr. Walter Kinsman whose death occurred yesterday.

PRIVATE PICNIC—Mr. Justice Fitzgerald entertained a large number of his friends and the officers of the U. S. S. Marblehead at a very pleasant picnic at his country place, Holland Cove, yesterday evening.

CLASS FOR BOYS—A select class for boys will be opened at St. Joseph's Convent on the first of September next. Parents desiring further particulars should apply to the Superior as soon as possible.

THE FASTNET—The steamer Fastnet arrived here at six o'clock last night with a general freight and one passenger, Mr. Coward, St. John's, Nfld. She left on return to Halifax at noon today with two passengers, Mr. LeBlanc and Mr. R. H. Moron.

MORE TRAVELLERS—Twenty-five members of the Car Mileage Association, in charge of Mr. J. Campbell, head of the I. C. R. Mileage Department are making a trip through the Lower Provinces. They have visited St. John, Halifax, Moncton and Sydney, and are expected to arrive here this evening.

THE BOAT RACE—There is great activity among the juvenile sportsmen who affect aquatic. In the race for the small boats a number of new skills will compete. The Albatross, the Cornet and Flat Iron have been got ready for the fight and an interesting competition may be looked for if these boats enter on the day of the race.

NUISANCES—We have been asked to call attention to the fact that bicycling on Queen Square is becoming a dangerous affair for pedestrians. Scorchers who should be exercising themselves along the roads choose the gardens for their work and make of themselves a nuisance. The policemen should attend to this matter.

GOOD SPORT—Mr. Horace Haszard and Mr. S. N. Earle, who have been off on a shooting and fishing excursion for the past few days, have had exceptionally good sport. They forwarded to town last night four or five score of land plover (not a sand-pip in the lot) and some fine trout also bear witness of their cunning with the rod and fly.

PICNIC AND BASEBALL—The picnic at Blooming Point on the 18th inst., was quite a success, the sum of \$95 being realized. The baseball teams of St. Peter's West and North Side played a three innings game which resulted in both sides scoring twelve runs after a closely contested match. Mr. J. C. McDonald acted as umpire to the satisfaction of all.

FIRE—At half past eight o'clock this morning the alarm was sounded for a fire in the rooms occupied by the Catholic Literary Association, over the Hub restaurant, Queen Street. The firemen turned out promptly but the fire had made a good deal of headway between the floors and was not extinguished before a lot of damage was done to the rooms. The restaurant in death was completely flooded. The fire is supposed to have been caused through a defective chimney.

Prince Edward Island Illustrated is for sale at all the Bookstores. Price 25c.

PUT ON YOUR THINKING CAP

Think what you used to pay for Children's Clothing. Come and see what you can get it for now.

Think what you used to pay for Carpets and House Furnishings, and just drop in and see what you can get the same goods for now.

Think what a mean pair of Pants you used to buy for \$1. Drop in this week and see what a good pair we can give you for \$1.

Think what you used to pay for Men's Readymade Clothing. We can now give you a good suit for less money than you used to pay for pants and vest.

Think what you would have to pay to-day for goods if we were out of the business.

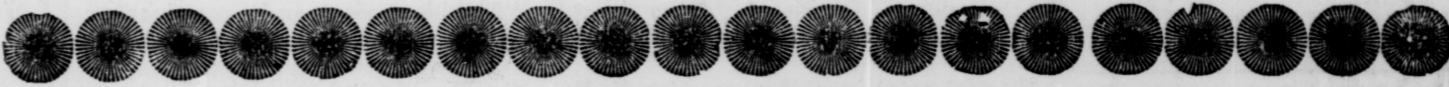

Think it out---All it Requires Is a Little Thought

And we know that you will come to the same conclusion, as thousands of good sensible people have done before, that we deserve the trade.

And if we cannot give you as good goods—if we cannot give you as large assortment—if we cannot give them just as cheap as others, then we don't want your trade.
